A Secret Histories Novel Simon and Schuster

This is a major study of the Nobel prize-winning French novelist Claude Simon. Simon is a complex figure: for all that he writes in a distinctively modern fictional tradition (exemplified by Proust, Joyce, Beckett and Robbe-Grillet), his novels contain strong elements of visual representation alongside a very different kind of free-floating, anti-realist writing.

A Novel Simon and Schuster

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

A Memoir Houghton Mifflin Harcourt

“Breathtaking. . . chillingly beautiful, like postcards from Eden. . . Van Booy’s stories are somehow like paintings the characters walk out of, and keep walking.” -Los Angeles Times In his critically-acclaimed debut collection of short stories, *The Secret Lives of People in Love*, Simon Van Booy explores the sway of fate and power of memory on the lives of lonely and vulnerable people. With the same spare, economical prose that he brought to his subsequent collection, *Love Begins in Winter*, winner of the 2009 Frank O’Connor Short Story Award, Van Booy creates a profoundly humane and somber resonance with the assured hand of “a first-rate storyteller” (Newsday). *The Secret Lives of People in Love* announces the arrival of a major new voice in fiction.

A Story of Loss, Love, and the Hidden Order of Life Ponytale Books

Traces the history of love and how it developed from its Hebraic and Greek origins to an ideal that obsesses the modern Western world, and highlights philosophers that have challenged conventional thoughts on love and happiness.

Boys in the Trees Flatiron Books

A biography of one of the Middle Ages' most controversial, reckless, and heroic figures Born in France in the early thirteenth century to a crusading father of the same name, Simon de Montfort traveled to England in his adulthood, where he claimed the earldom of Leicester and ingratiated himself into King Henry III's inner circles. Initially a trusted advisor, Simon's good relationship with the king did not last. Frustrated by the increasing injustice meted out to his subjects, Simon would go on to rebel against him, marching on the king's hall at Westminster and leading England's first revolution, and imposing a parliamentary system on Henry's rule. Montfort's life touched on nearly every notable event of the thirteenth century, from the holy wars being fought both abroad and closer to home, to the rebellion against the

Plantagenets, to his campaigns against Jews in Leicester. The account of his death in battle—swinging his sword to the last—is one of the most graphic ever written of a medieval battlefield. Ambler provides a living portrait of the Middle Ages, brimming with illuminating insights into religion, society, the nobility, warfare, and daily life. In the words of bestselling historian Dan Jones, Ambler is "a dazzlingly talented historian" and her book on Simon de Montfort "marks the arrival of a formidably gifted historian."

[The Life and Death of a Medieval Revolutionary](#) StarWalk Kids Media
The inspiring, life-changing bestseller by the author of *LEADERS EAT LAST* and *TOGETHER IS BETTER*. In 2009, Simon

Sinek started a movement to help people become more inspired at work, and in turn inspire their colleagues and customers. Since then, millions have been touched by the power of his ideas, including more than 28 million who've watched his TED Talk based on START WITH WHY -- the third most popular TED video of all time. Sinek starts with a fundamental question: Why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who've had the greatest influence in the world all think, act, and communicate the same way -- and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which

organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

Neil Simon's Memoirs Abingdon Press
 "Take some James Bond and throw in some of Green's own Nightside, and mix liberally with the epic over-the-top action of his Deathstalker novels, and you're somewhere in the right neighborhood" (The Green Man Review) of this all-new urban fantasy mystery from the New York

Times bestselling author of *The Spy Who Haunted me...* It's no walk in the bloody park, being a Drood—one of the family who has protected ordinary humanity from the things that go bump in the night for centuries. We're not much liked—even by one another. Now our Matriarch is dead. Murdered. Maybe by one of us. Maybe not. It's been left up to me, Eddie Drood, to figure out whodunit. That's not going to be easy. You see, opinion is divided evenly between two camps of thought: those who think the killer was Molly, my best girl, and those who think the killer was actually me. And I know for a fact that I didn't do it.
A Ballad of Love and Glory St. Martin's Griffin

Simon Peter, the fisherman who was both attracted to Jesus and repelled by his own weakness, who in faith walked on the water and in fear began to sink; the ardent disciple who promised to die for His Lord and then moments later betrayed Him, who needed to reaffirm his yes to God over and over again, even unto a martyr's death: Is this not a model for many of us who desire to love and trust the Lord completely, yet who struggle daily to pick up our cross and follow Him? Abbot

Lepori's meditation on the relationship between our Lord and Saint Peter invites us to consider our own relationship with Christ. As he imaginatively retells the well-

known stories from the Gospels, he revivifies them and makes them present to us, deepening our understanding of the

calling we have received from Jesus and strengthening our confidence that the Lord will, indeed, bring to completion the work of love He has begun in us.
