A Sheikh Billionaire Romance Penguin

Blake At 43 I'm supposed to have everything figured out, and if you'd asked me six months ago I'd have said I did: head of my own tech company, beautiful fiancée, amazing future all planned out...life was perfect. Or, at least, I thought it was... So now I'm in New York after selling my company and fleeing San Jose, and for the first time in as long as I can remember I have nothing to fill my day--no meetings, no reports, no tests, no launch parties--and that's how I manage to get hooked on Warpath 4 and somehow find myself sexting with a guy almost twenty years younger than me. Say what? Okay, here's the thing: it didn't start out dirty. It was all completely tame. Mild. Conversational. But then conversation turned to flirting, and flirting turned to dirty talk. And, well...let's just say things escalated from there... But it's just a bit of fun. Right? It's not like anything would ever work in real life. I'm too old, he's still closeted. And let's not get started on how I'm supposedly straight. It's just way too messy. Definitely best if we never actually meet each other... But what if we already have? Turns out my virtual f*ck buddy is actually Owen Kelly, my best friend's kid brother. Which leaves me pretty much screwed... Warning: This book is not appropriate for anyone who doesn't like laughing, anyone who doesn't like the word 'daddy', or anyone who doesn't like when hot older guys and gorgeous younger guys have a hella lot of super-steamy sex. *Happily Ever After included

Diary of a Wimpy Kid: Big Shot (Book 16) CP Publishing

A unique record of hip-hop history from the late 1990s through to the present, captured through informal Polaroid portraiture. Just as Andy Warhol: Red Books defined a generation of artists, Big Shots offers a collection of photos that captures the energy of the world of hip-hop and the greater worlds of music and fashion alike. Started as snaps of friends and visitors, this unprecedented volume shot by Phillip Leeds, former tour manager of Kelis and N.E.R.D., is a compilation of previously unpublished work documenting some of the biggest names in hip-hop and fashion.

His collection of Polaroid portraits has effectively grown to capture an important moment in music and fashion. With more than 250 Polaroids of artists and figures including Mos Def, Jay Z, Tyler the Creator, Quest-love, and Rita Ora, Big Shots gives readers a unique and oftentimes impromptu look into an era of music and fashion shared through the ever-nostalgic format of the Polaroid.

The last thing I expected on the first day of my dog sitting job was a middle-of-the-night fire alarm. Things go from chaotic to scorching hot when I run into my old crush, Miles Thatcher, on my way out of the building. Talk about disastrous timing. I haven't seen him in years - seven to be exact. Since the day we buried his sister - my best friend. That was both the best and worst day of my life. It was also the day Miles kissed me - and promptly forgot

about me. Some things never change. He still has no clue who I am. Miles is no longer the boy I fell in love with. Now he's just a stuck-up big shot with a big bank account and bigger ego. I wish I didn't still have feelings for him but seeing him again only makes me want him more. If only Miles would finally 'see' me. A lot can happen in seven years, but time hasn't erased the guilt he carries. Underneath his fancy façade is a man who can't get over the grief of losing his baby sister... or the regret of not being able to prevent it. And I'm just the girl who can't get over him.

Jorge leaving the country meant one thing for me. A huge heartbreak. I wanted to take all of our annoying memories and trash them. A year went by before I heard that he was returning back to the States. He was still my best friend. And now, he was also my next-door neighbor. Turns out, he was in serious trouble. And I wanted to help when his company financials looked shady. Look, Jorge is a smart man. But he's still a... man. Which means that he slept with his business partner and regretted it. And that one decision landed him in trouble. Well, now... pretending that he has a fake wife is the only way out. I've been many things to him. But a fake wife? That one's going to be hard, mostly for one reason. I just wish he'd admit that we're way more than just fake. But knowing him, he'll give me another real heartbreak instead of a real engagement ring.

Why Not Me? PublicAffairs

"There can only be one Tai-Pan." Dirk Struan rose from humble beginnings to build Struan & Company, also known as the Noble House, into the world's largest Far East trading company. He is now the Tai-Pan—Supreme Leader—of all Tai-Pans in China. Along the way, however, he made a powerful enemy. Tyler Brock, Struan's rival from their early opium-smuggling days, also heads a large trading fleet, second in size only to Struan's. But it is not only silks and spices that drive their mutual companies' wealth—the opium trade is still booming. War between England

and China might be over, but the hostilities remain. Struan and Brock come to control much of England's trade with China yet neither can control their desires or their hatred of each other. Over the years, their two families will cross paths, threatening to rip both apart, with reverberations that will echo across the generations. Struan must fight to save his company and his family, or risk seeing everything he has created destroyed at the hands of his sworn enemy. Ambition, political intrigue, and love and lust weave their way throughout the novel the New York Times called, "grand entertainment...packed with action...with blood and sin, treachery and conspiracy, sex and murder." East and West come together in an opulent and intricately plotted narrative. A tour-de-force of historical fiction, rich in detail yet eminently readable, *Tai-Pan* will stay with you long after the final page.

NEW YORK TIMES BESTSELLER • A powerful memoir of a love that leads two people to find a courageous way to part—and a woman's struggle to go forward in the face of loss—that "enriches the reader's life with urgency and gratitude" (The Washington Post) "A pleasure to read . . . Rarely has a memoir about death been so full of life. . . . Bloom has a talent for mixing the prosaic and profound, the slapstick and the serious."—USA Today ONE OF THE MOST ANTICIPATED BOOKS OF 2022—Oprah Daily, BookPage Amy Bloom began to notice changes in her husband, Brian: He retired early from a new job he loved; he withdrew from close friendships; he talked mostly about the past. Suddenly, it seemed there was a glass wall between them, and their long walks and talks stopped. Their world was altered forever when an MRI confirmed what they could no longer ignore: Brian had Alzheimer's disease. Forced to confront the truth of the diagnosis and its impact on the future he had envisioned, Brian was determined to die on his feet, not live on his knees. Supporting each other in their last journey together, Brian and Amy made the unimaginably difficult and painful decision to go to Dignitas, an organization based in Switzerland that empowers a person to end their own life with dignity and peace. In this heartbreaking and surprising memoir, Bloom sheds light on a part of life we so often shy away from discussing—its ending. Written in Bloom's captivating, insightful voice and with her trademark wit and candor, *In Love* is an unforgettable portrait of a beautiful

marriage, and a boundary-defying love.

Introducing MR. BIG SHOT, a sexy new standalone romance from USA Today Bestselling Author S. E. Lund: It all started so innocently, but sometimes the biggest moments in your life start with the smallest events... The email dropped into my mailbox about nine thirty on Tuesday night. I opened it, surprised to see that the email had been sent to a mailbox and email address I hadn't used for ages. To: Lexi911@yahoo.com Reply-To: mrbigshot69@gmail.com Re: Emergency Hey, is this Sexy Lexi? I got your email from John. I have a 9-1-1, and need your services. Big family dinner on Saturday at the ballroom, Cipriani Wall Street, and will be surrounded by family and business associates. John said you were really high class and brainy. In other words, not your usual escort. If you're available, wear something

amazing but conservative. John showed me the menu. I'll take a standard date with no add-ons. The usual conditions apply. Cheers, MBS "Oh, my God..." "What?" Candace, my BFF, my partner in crime and the one person who could talk me into almost anything, glanced over my shoulder and read the email on the screen. "He thinks you're an escort and wants you to attend a family dinner? What kind of jerk invites an escort to a family dinner?" "A big one." I chewed a nail and considered. "Should I write him back?" She smiled, an evil gleam in her eyes. How many times had the girl got me in trouble? Luckily, I emerged from my teenage years alive, relatively unscathed, and without a criminal record, but only just barely. So, I should have known to trust my own gut. But I didn't... Now, I have to give the performance of my life and play an escort to one of Manhattan's hottest young billionaires so I can tell the story to my girlfriends at brunch on Sunday. When the performance starts to feel too real, will I get out with my heart intact? Will I want to?
