Notes For Medical

Students Toronto Notes is

a concise and

comprehensive medical

review revised annually

by the University of

Toronto student

contributors under the

guidance of the Faculty of

Medicine. This reference

text started as a

compilation of notes

written by and shared

among University of

Toronto students to study

for their medical licensing

exams. Toronto Notes -

Study Smarter Many

landmark trials have been

included to reflect the

most current evidence across all medical specialties. The new division of Toronto Notes into three textbooks—medicine, surgery, and primary medicine—enhances readability and eases the load of studying for the Canadian and American medical licensing exams. We have also redesigned our website to more closely reflect the layout of the textbook and to enrich the learning experience. Toronto Notes for Medical Students 2020 - MedicalBooksVNToronto Notes for Medical Students is proud to present the 35th Edition of the highly successful Toronto Notes textbook series. This 2019 edition features brand new content to reflect the most recent updates to the MCCQE objectives, along with a new layout across all 31 chapters for enhanced readability. Content updates across the main text, figures, graphics, and evidence-based medicine sections further enhance preparation for the Canadian and American medical licensing exams.
