Theirs was a suicide mission, to hold the pass against the invading millions of the mighty Persian army. Day after

bloody day they withstood the terrible onslaught, buying time for the Greeks to rally their forces. Born into a cult of spiritual courage, physical endurance, and unmatched battle skill, the Spartans would be remembered for the greatest military stand in history—one that would not end until the rocks were awash with blood, leaving only one gravely injured Spartan squire to tell the tale. . . .

Tempting the Best Man Danielle Ellison, LLC

Originally published November 2013 For twenty-one-year-old Sydney, being in love with Kyler isn't anything new. They'd been best friends ever since he pushed her down on the playground and she made him eat a mud pie. Somewhere over the years, she fell for him and fell hard. The big problem with that? Kyler puts the 'man' in man-whore. He's never stayed with a girl longer than a few nights, and with it being their last year in college, Syd doesn't want to risk their friendship by declaring her love. Kyler has always put Syd on a pedestal that was too high for him to reach. To him, she's perfect and she's everything. But the feelings he has for her, he's always hidden away or focused on any other female. After all, Kyler will always be the poor boy from the wrong side of tracks, and Syd will always be the one girl he can never have. But when they're stranded together at a posh ski resort due to a massive Nor'easter, there's nothing stopping their red-hot feelings for each other from coming to the surface. Can their friendship survive the attraction? Better yet, can they survive at all? Because as the snow falls, someone is stalking them, and this ski trip may be a

life-changer in more ways than one.

Desperate to escape a relationship that has proven to be as stubbornly passionate as it is cold and hateful, Theresa summons up the courage to ask for a divorce. But before he'll grant her request, Sandro demands something from Theresa: a son. The stalemate sickens her. Never mind that Sandro has yet to introduce Theresa to the large family that means so much to him. Or that Theresa overhears her husband on the phone with a mystery woman. Most damning is that Theresa senses, in Sandro's treatment of her, the behind-the-scenes machinations of Jackson Noble, her cruel father. From the depths of her anxiety, Theresa must seek an empowering truth about the husband who calls her, with such cold affection, his *cara*, his beloved.
