Social Work ASWB Masters Exam Guide

Test Prep Books

Students and social workers preparing for the social work Masters licensure exam will find an invaluable study

resource in the Social Work ASWB® Masters Exam Guide. Written by a prominent social work leader and trainer for social work licensing exams in the U.S., the guide is based on years of time-tested exam prep workshops conducted by the author. It mirrors the ASWB Masters' "Knowledge, Skills, and Abilities" upon which the exam is based, as well as incorporates information from the DSM-5, which will be included in the exam starting in mid-2015. The guide is

comprehensive yet focused on the material most likely to be included on the exam, so that students can prioritize information as they study. A self-assessment section helps readers identify their strengths and weaknesses before they tackle the material. The author shares her extensive knowledge of the exam by providing useful test-taking strategies and tips for overcoming test anxiety. The 170-question practice test at the end of the guide (with explanations

of the correct answers) mirrors the actual exam in both length and structure.
