CBSE Objective Type Questions for Class 10 and 12 ... Objective Type Question Answer Of Questions might include explanations of a specific area, like the plot, characters or author symbolism, or it can include short essays like comparison and contrast. These are the type of objective questions where the answers will vary, and students can make a case for any answer as long as it is logical and answers the question. Objective Type of Questions & Answers for English | Synonym Objective test questions may be constructed as a list of possible answers, requiring the students to recognize the correct one from the list. These questions include matching, true/false, and multiple choice. Other objective test questions, like fill-in-the-blank questions, require that the student recall the correct answer from memory. How to Study for Objective Test Questions Objective type questions are those that require a specific answer. An objective question usually has only one potential correct answer and there is no option to give your own opinion. Whereas, subjective questions may have different answers and student can write their own opinion in the answer. CBSE Objective Type Questions for Class 10 and 12 ...
