From Colleen Hoover, the #1 New York Times bestselling author of *It Starts with Us* and *It Ends with Us*, comes a moving and haunting novel of family, love, and the power of the truth. Not every mistake deserves a consequence. Sometimes the only thing it deserves is forgiveness. The Voss family is anything but normal. They live in a repurposed church, newly baptized Dollar Voss. The once cancer-stricken mother lives in the basement, the father is married to the mother's former nurse, the little half-brother isn't allowed to do or eat anything fun, and the eldest siblings are irritatingly perfect. Then, there's Merit. Merit Voss collects trophies she hasn't earned and secrets her family forces her to keep. While browsing the local antiques shop for her next trophy, she finds Sagan. His wit and unapologetic idealism disarm and spark renewed life into her—until she discovers that he's completely unavailable. Merit retreats deeper into herself, watching her family

from the sidelines, when she learns a secret that no trophy in the world can fix. Fed up with the lies, Merit decides to shatter the happy family illusion that she's never been a part of before leaving them behind for good. When her escape plan fails, Merit is forced to deal with the staggering consequences of telling the truth and losing the one boy she loves. Poignant and powerful, *Without Merit* explores the layers of lies that tie a family together and the power of love and truth.

"Part Thomas Ligotti, part Penny Dreadful, Tidepool, is a novel about the gravitational forces of fate, pulling characters in against their will, with readers only able to sit and watch the catastrophe unfold. This is the compelling force of all great horror, to hope for rescue even when we know it will not come, to want to escape even as we turn the next page. Willson wields a deft hand of darkness and humanity in this compelling debut." - Jaye Viner, author of *Jane of Battery Park* If ye give not willingly, the Lords will rise... In 1913, Henry Hamilton disappeared while on a business trip, and his sister, Sorrow, won't rest until she finds out what happened to him. Defying her father's orders to remain at home, she travels to Tidepool, the last place Henry is known to have visited. Residents of the small, shabby oceanside town can't quite meet Sorrow's eyes when she asks about her brother. When corpses wash up on shore looking as if they've been torn apart by something not quite human, Sorrow is ready to return to Baltimore and let her father send in the professional detectives. However, after meeting Ada Oliver, a widow whose black silk dresses and elegant

manners set her apart from other Tidepool residents, Sorrow discovers Tidepool's dark, deadly secret. With this discovery, some denizens of Tidepool-human and otherwise-are hell-bent on making sure Sorrow never leaves their forsaken town. Lovecraftian dark fantasy gets a modern treatment in this terrifying debut novel.

From the bestselling author of *Women Talking*, a "wrenchingly honest, darkly funny novel" (Entertainment Weekly). Elf and Yoli are sisters. While on the surface Elfrieda's life is enviable (she's a world-renowned pianist, glamorous, wealthy, and happily married) and Yolandi's a mess (she's divorced and broke, with two teenagers growing up too quickly), they are fiercely close-raised in a Mennonite household and sharing the hardship of Elf's desire to end her life. After Elf's latest attempt, Yoli must quickly determine how to keep her family from falling apart while facing a profound question: what do you do for a loved one who truly wants to die? All My Puny Sorrows is a deeply personal story that is as much comedy as it is tragedy, a goodbye grin from the friend who taught you how to live.
