He thinks he's above everyone and everything, Tielle decides, but when she saves his life using her nursing training, her life is changed forever. Common sense tells her not to get involved with the man, but the touch of his hands, the lilt of his Irish accent, and the way he makes her feel are too much to resist. All of a sudden, Tielle is being pursued by a man who wants something from Stone, and he'll use Tielle to get it. With Tielle's life in danger, Stone has no choice but to whisk her away to his family's castle in Ireland where he can better protect her. Eliza Dragonsong is a lawyer by day and a Wiccan high priestess by night. Her unique skillset comes in handy in the courtroom, and also when she's asked to guard an ancient cursed stone from the dangerously charming Ivan Rochat. Although he's a former art thief with a questionable past, Eliza still finds herself drawn to him, and soon realizes she has to guard more than just the stone. She has to guard her heart as well. Amanda Dragonsong is nothing like her older half-sister. Shy and self-conscious, she's a woman gifted with a beautiful voice, but that gift can also be a curse. Her lullabies make people drift off to sleep, and her sad songs make them cry, but it's her love songs that often cause the most damage. When her domineering mother forges Amanda's name on a contract for a live show in Vegas, Amanda knows she has to get away. Going back to her childhood home, to the safety of her father and her sister, is her best option. But returning means facing some of the ghosts from her past, including Tommy Belfiore, a handsome firefighter, and the only man she ever truly loved. Two sisters. Two extraordinary gifts. The planet Pern has been colonized for centuries by humans. When humans first settled on this world, they did not take notice of its sister planet, which had an indigenous life form that attempted to land on Pern when it came within reach. These silver "threads" fell in a destructive wave on the temperate lands of Pern once every 200 years, destroying all life they encountered. To combat this menace, the inhabitants of Pern developed a species of dragon that could burn these threads out of the sky before they touched down. Now, centuries have passed between threadfalls, and the danger of thread is considered a myth. However, a dragon rider named F'lar knows that the riders are once again needed.

A bardic epic fantasy in rhyming Old English, an allegorical masque of good and evil in an Authurian tradition. Rebekah, daughter of Merlin and noblewoman of Albion has been driven to madness by the murder of her lover Vidar. In her torment she bargains with the Prince of Demons to turn her into a dragon. Once transformed, she seeks to take revenge upon her father, Merlin, whom she is fooled into believing is responsible for Vidar's death. Behind the subterfuge stands Oberon, Captain-King of Elves, who cannot foresee the devastation his jealousy and unrequited love for Rebekah will unleash upon the world of Gaia. Its salvation depends upon Merlin travelling back in time to find a pure hearted warrior, Lady Attie, who, together with Michael, seer of Albion, must take the Sleep Stone from the gates of Hell to persuade the dragon to sleep. But if they are unable to return the Stone to the mouth of Hell in time, the demon army will awaken and ransack Gaia in a war that will destroy its existence. Time is the solution to Gaia's destiny - but only if the gods of Asgard can find a way to stop it. Dragonsong is a unique epic fantasy that explores fundamental themes of good and evil, jealousy and revenge. Woven together with a gripping and powerful plot, the pattern of the language, the musicality of the form and the profound emotions invoked carry the reader to extremes of human experience and capability at both its best and worst.
