Guiding Others with Integrity and Conviction Gospel Light Publications

In this seminal work for the post-pandemic church, pastor Craig T. Owens offers a picture of a church gone astray, succumbed by the "business" of ministry and forgetting the joy of doing ministry. Rather than being the shepherds Jesus called us to be, church leaders spend too much time in boardroom meetings, checking off meaningless boxes, and imitating worldly business leaders. Owens liberates burned-out pastors and church leaders by reminding them to return to the simple shepherding style of leadership portrayed in the Bible, which leads to our churches and ministries being healthy, energized, effective, sheep-producing, and God-glorifying. He charts out a path for leaders to implement simple changes that will lead to them becoming wholly healthy shepherds. "Craig Owens has it right: Jesus appointed church leaders to be shepherds over His precious flocks. The combination of Craig's Biblical understanding, practical insights, and consistent personal practice make *Shepherd Leadership* a book every pastor should read." -T.M. Moore, Principal of The Fellowship of Ailbe "In *Shepherd Leadership*, Craig T. Owens gets to the heart of pastoral ministry and caring about people with great wisdom. Craig delivers practical principles for healthy leadership that allows you the opportunity for freedom as God intended, joy in serving, and ultimately experiencing the full blessing of God." -Dan Reiland, Executive Pastor, 12Stone Church, Lawrenceville, GA

The Ministry of a Shepherd Thomas Nelson
 Lynn Anderson, in this important book, leads us backwards in time to discover and identify the biblical leader for the future needs of the Christian community by looking at the leadership of a shepherd. What kind of leadership will effectively lead the church into the morally turbulent twenty-first century? The same kind of leadership that led it through the morally and politically chaotic first century. Shepherding. This is the kind of leadership Jesus used, and this is the kind of leadership that will take his church where he wants it to go. While the term "shepherd" produces warm images of love, care, and tenderness, it also describes a form of leadership that is perilously protective,

dangerous, dirty, and smelly. "Shepherd" is something that every follower of Christ, the Good Shepherd, is called to become. Lynn Anderson, in this important book, leads us backwards in time to discover and identify the biblical leader for the future needs of the Christian community. Anderson's deep dig for truth will concern, convict, and confront us about where leadership has been, and will set a new standard for where the future leader must go.

A ShepherdCare Guide for Pastors, Ministers and Other Caregivers Thomas Nelson

Pastors spend much of their time counseling people in crisis—a delicate task that requires one to carefully evaluate each situation, share relevant principles from God's Word, and offer practical suggestions for moving forward. Too often, however, pastors feel unprepared to effectively shepherd their people through difficult circumstances such as depression, adultery, eating disorders, and suicidal thinking. Written to help pastors and church leaders understand the basics of biblical counseling, this book provides an overview of the counseling process from the initial meeting to the final session. It also includes suggestions for cultivating a culture of discipleship within a church and four appendixes featuring a quick checklist, tips for taking notes, and more.

'The Good Shepherd' Crossway

Of all the titles which have been minted for the envoys of the Son of God, that of "shepherd" is the most popular, the most beautiful, and the most ample. Bishop, presbyter, preacher, priest, clergyman, rector, parson, minister, all of these have been long, and are still, in use, but not one of them is so satisfying or sufficient as "shepherd."--Page 1.

How to Shepherd God's People Like Jesus Zondervan

Pastoral ministry is more challenging than ever with unique, complicated burdens and expectations some have not experienced in previous generations. Because of this, the number of pastors who start with a great zeal for the work, quickly crash and burn and are left with a battered faith and family. This book seeks to identify those unique challenges, diagnose the problem, propose a biblical solution, and then guide the pastor and his family to embrace these challenges while shepherding the family through them.

Cultivating a Pastor's Heart Zondervan

With over two million church leaders working in the more than ten million parishes, congregations, seminaries, and houses of religious formation around the world, it is important that all the people of God of every church have selfless church leaders who reflect the mind of Christ. But how can church leaders learn to be true shepherds like Jesus, whose selfless sacrifice of his life for his people set the standard for the pastoral ministry? The Ministry of the Shepherd and the Church in Africa draws on a wide range of Old and New Testament texts to develop the biblical theology of the shepherd Ministry which encourages right shepherding and evangelization in the world of self-serving leadership styles.

Focusing especially on the example of pastoral ministry in Africa, author and priest, Cletus Chukwudi Imo explores some of the underlying attitudes of the pastor and the laity, and challenges church leaders to adopt a role as shepherds and servants not as self-serving masters so that they can lead, guide, and teach their congregations as Christ would. Because it can be easy for church leaders to get wrapped up in the sociocultural, political, and economic concerns of their parishes, it is important for these church leaders to shed an undue focus on these concerns instead of shepherd their flocks. By modeling their lives and leadership on the ideals of Jesus, church leaders including priests, religious, lecturers, seminarians, and even lay-Christian parents alike can become true servants and shepherds, honoring the example of Jesus, the Good Shepherd

Pastor John MacArthur combines his passion for the Bible with the training expertise of faculty members at The Master's Seminary to guide seminary students and ministry leaders in developing their pastoral ministry skills. The authors examine the biblical teaching about the high and demanding call to ministry required of any spiritual shepherd. You'll learn how to pursue intentional growth through the stages of calling, training, and ministering to God's church—along the way, uncovering answers to questions such as: How does the Bible establish a philosophy of pastoral ministry, and what is it? What priority does God's word place on activities involved in pastoral ministry? United in affirming shepherd leadership as the biblical model for pastoral ministry, The Master's Seminary faculty contributes a treasury of expertise alongside insights from well-known Bible teacher John MacArthur.
