## RECOMMENDATIONS

The Book of Mirdad FaithWords  
Marriage was God's idea. He decided that  
man and woman should be "one flesh".  
Furthermore, the Bible says "God is love".  
Unfortunately, many couples never  
learned to love each other. A feeling,  
passion or some other influence brought  
them together, but they never learned  
how to study or explore each other, or  
discover what makes them happy. When  
you do not know another person it is  
impossible to love them because you do  
not know what pleases or annoys them,  
their dreams and struggles, or how they

think. In such ignorance, you will make many mistakes in your relationship and so cause many problems. These problems will cause you to withdraw, even though you are married and were in love at one time. If you have been wondering: Do I still love my husband/wife Did I marry the wrong person Why is my partner so cold to me Why do we love each other but can't stay together? How can I make sure my marriage lasts? How can I live with a person who is so difficult? Why do our problems go away, but then come back worse than before? Is my marriage always going to be about hardships, or will I find happiness one day? Cheer up! You will learn how to love intelligently and how to be happy with your spouse, even if he (or she) acts like King Kong.

*The Miracle Morning* Grupo Nelson  
Now a major motion picture! A moving, inspirational, and "masterfully told" (Mike Dooley, New York Times bestselling author) modern fable about a mysterious man who changes people's lives for the better—perfect for fans of *The Celestine Prophecy*. Wherever he goes, the *Dreamseller* enchants, stirs up trouble, and inspires his listeners to search for the

most important thing: the heart of the human soul. Every person he meets is someone who has abandoned their dreams and is struggling through life: a professor who has stopped pursuing his passions; a lonely alcoholic with no family; the elderly who have lost their zest for life. Through his wisdom, the *Dreamseller* helps them to look into their silent hearts and get to the root of their unhappiness. An illuminating and "intellectual novel" (*Library Journal*) that will not only make you laugh and cry, it will help you reflect on the purpose of your life, teach you to value others, and empower you to believe in your dreams.

Gildan Media LLC aka G&D Media  
Describes a method of negotiation that isolates problems, focuses on interests, creates new options, and uses objective criteria to help two parties reach an agreement.

The first in USA TODAY bestselling author Alice Clayton's *Redhead* series is a playful and erotic romance between an aspiring actress and Hollywood's hottest new leading man. WATCH OUT, HOLLYWOOD! Grace Sheridan is back. Ten years after discovering that looks and talent are a dime a dozen in Los Angeles, she's wriggling into a pair of badass jeans and ready to show the film industry that there's way more to her than just a head of gorgeous red curls. And Hollywood's newest Brit super-hunk Jack Hamilton certainly sees a lot to like. Grace is trying to restrain herself from jumping a man who is nearly a decade her junior, but Jack is making it clear that he personally has zero problems with that idea. While Grace and Jack are still swapping innuendo-loaded quips and text sex though, the paparazzi have caught up with them, headlining the "unidentified redhead" who's been photographed trysting at a restaurant with the heartthrob of the year. Now Grace is in stuck in a double bind. She's head over heels in lust with Jack, but there's her own career to think of as well. A sizzling romance with the newest "it" boy may garner her industry attention . . .

but is it the kind of attention she's always dreamed of?

NEW YORK TIMES BESTSELLER • One million copies sold! "A deeply spiritual book [that] honors what is tough, smart and untamed in women."—The Washington Post Book World Book club pick for Emma Watson's Our Shared Shelf Within every woman there lives a powerful force, filled with good instincts, passionate creativity, and ageless knowing. She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For though the gifts of wildish nature belong to us at birth, society's attempt to "civilize" us into rigid roles has muffled the deep, life-giving messages of our own souls. In *Women Who Run with the Wolves*, Dr. Clarissa Pinkola Estés unfolds rich intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our

deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the soul.

The Dreamseller: The Calling Simon and Schuster

"They've said some crazy things about me over the years. I mean, okay: 'He bit the head off a bat.' Yes. 'He bit the head off a dove.' Yes. But then you hear things like, 'Ozzy went to the show last night, but he wouldn't perform until he'd killed fifteen puppies . . .' Now me, kill fifteen puppies? I love puppies. I've got eighteen of the f\*\*king things at home. I've killed a few cows in my time, mind you. And the chickens. I shot the chickens in my house that night. It haunts me, all this crazy stuff. Every day of my life has been an

event. I took lethal combinations of booze and drugs for thirty f\*\*king years. I survived a direct hit by a plane, suicidal overdoses, STDs. I've been accused of attempted murder. Then I almost died while riding over a bump on a quad bike at f\*\*king two miles per hour. People ask me how come I'm still alive, and I don't know what to say. When I was growing up, if you'd have put me up against a wall with the other kids from my street and asked me which one of us was gonna make it to the age of sixty, which one of us would end up with five kids and four grandkids and houses in Buckinghamshire and Beverly Hills, I wouldn't have put money on me, no f\*\*king way. But here I am: ready to tell my story, in my own words, for the first time. A lot of it ain't gonna be pretty. I've done some bad things in my time. I've always been drawn to the dark side, me. But I ain't the devil. I'm just John Osbourne: a working-class kid from Aston, who quit his job in the factory and went looking for a good time."

*The 3rd Alternative* Gallery Books #1 Wall Street Journal Bestseller *The Obstacle is the Way* has become a cult classic, beloved by men and women around the world who apply its wisdom to

become more successful at whatever they do. Its many fans include a former governor and movie star (Arnold Schwarzenegger), a hip hop icon (LL Cool J), an Irish tennis pro (James McGee), an NBC sportscaster (Michele Tafoya), and the coaches and players of winning teams like the New England Patriots, Seattle Seahawks, Chicago Cubs, and University of Texas men's basketball team. The book draws its inspiration from stoicism, the ancient Greek philosophy of enduring pain or adversity with perseverance and resilience. Stoics focus on the things they can control, let go of everything else, and turn every new obstacle into an opportunity to get better, stronger, tougher. As Marcus Aurelius put it nearly 2000 years ago: "The impediment to action advances action. What stands in the way becomes the way." Ryan Holiday shows us how some of the most successful people in history—from John D. Rockefeller to Amelia Earhart to Ulysses S. Grant to Steve Jobs—have applied stoicism to overcome difficult or even impossible situations. Their embrace of these principles ultimately mattered more than their natural intelligence, talents, or luck.

If you're feeling frustrated, demoralized, or stuck in a rut, this book can help you turn your problems into your biggest advantages. And along the way it will inspire you with dozens of true stories of the greats from every age and era.
