The Night Itself Tmc

Winner of the 2011
Newbery Award. The
movement of the train
rocked me like a
lullaby. I closed my
eyes to the dusty
countryside and

imagined the sign I'd
seen only in Gideon's
stories: Manifest—A
Town with a rich past
and a bright future.
Abilene Tucker feels
abandoned. Her father
has put her on a train,
sending her off to live
with an old friend for
the summer while he
works a railroad job.
Armed only with a few
possessions and her

list of universals, Abilene jumps off the train in Manifest, Kansas, aiming to learn about the boy her father once was. Having heard stories about Manifest, Abilene is disappointed to find that it's just a dried-up, worn-out old town. But her disappointment quickly turns to excitement when she discovers a hidden cigar box full of mementos, including some old letters that mention a spy known as the Rattler. These mysterious letters send Abilene and her new friends, Lettie and Ruthanne, on an honest-to-goodness spy hunt, even though they are warned to "Leave Well Enough Alone." Abilene throws all caution aside when she heads down the mysterious Path to

Perdition to pay a debt to the reclusive Miss Sadie, a diviner who only tells stories from the past. It seems that Manifest's history is full of colorful and shadowy characters—and long-held secrets. The more Abilene hears, the more determined she is to learn just what role her father played in that history. And as Manifest's secrets are laid bare one by one, Abilene begins to weave her own story into the fabric of the town. Powerful in its simplicity and rich in historical detail, Clare Vanderpool's debut is a gripping story of loss and redemption. grade annex during the summer vacation.

The unforgettable bestseller *Wonder* has inspired a nationwide movement to Choose Kind. Now parents and educators can introduce the importance of choosing kind to younger readers with this gorgeous picture book, featuring Auggie and Daisy on an original adventure, written and illustrated by R. J. Palacio. Over 6 million people have fallen in love with *Wonder* and have joined the movement to Choose Kind. Now younger readers can meet Auggie Pullman, an ordinary boy with an extraordinary face, and his beloved dog, Daisy. Countless fans have asked R. J. Palacio to

Over 6 million people have read the #1 New York Times bestseller *Wonder*—the book that inspired the Choose Kind movement—and have fallen in love with Auggie Pullman, an ordinary boy with an extraordinary face. From the very first day Auggie and Julian met in the pages of R. J. Palacio's life-changing book *Wonder*, it was clear they were never going to be friends, with Julian treating Auggie like he had the plague. And while *Wonder* told Auggie's story through six different viewpoints, Julian's perspective was never shared. Readers could only guess what he was thinking. Until now.

The Julian Chapter will finally reveal the bully's side of the story. Why is Julian so unkind to Auggie? And does he have a chance for redemption?

ordinary boy with an extraordinary face. Last year readers were given a special look at another side of his story with The Julian Chapter, and now they'll get a peek at Auggie's life before Beecher Prep, with an exclusive new short story told entirely from the point of view of Christopher, Auggie's oldest friend. Christopher was Auggie's best friend from the time they were babies until his family moved away; he was there through all of Auggie's surgeries and heartbreaks, through bad times and good—like Star Wars marathons and dreams of traveling to Pluto together. Alternating between childhood flashbacks and the present day, an especially bad day for

Christopher, Pluto is the story of two boys grown apart learning that good friendships are worth a little extra effort.

On a mountain somewhere above treeline, in some of the coldest and worst winter conditions imaginable, two men lie unconscious in the snow as explosive winds batter the nearby summits. In *The Last Traverse: Tragedy and Resilience in the Winter Whites*, Ty Gagne masterfully lays out the events that led up to an epic and legendary rescue attempt in severe and dangerous winter conditions in the White Mountains of New Hampshire. More than

a cautionary tale, it is a tribute to all the volunteers and professionals who willingly put themselves in harm's way to save lives. This is a must read for anyone who hikes the Whites. "In his first book, *Where You'll Find Me: Risk, Decisions, and the last Climb* of Kate Matrosova, Ty Gagne established his credentials as a writer of well-researched and objective analysis of mountain accidents. Moreover, *Where You'll Find Me* reads like a novel, a book I couldn't put down. In his latest book, *The Last Traverse*, Gagne takes the combination of analysis and storytelling to a new level in a tale of survival and tragedy in the White Mountains." - Mark Synnott, author of
