Generator

Natural Gas Engine : Doosan Infracore Engine Overview. GE08TI. An 8-liter, gas-fuel engine (maximum output: 165 kW) for an inline, 6-cylinder, intercooler generator. Natural Gas Engine. We at Doosan Infracore developed in-house a gas engine for co-gen and vehicle in 1998. We are supplying more than 5,000 units for co-gen, including thousands of units to the United States, a year as one of the world's leading gas engine manufacturers. GE08TI : Doosan Infracore Engine Doosan PSI provides integrated turnkey engine and power solutions to original equipment manufacturers in the power generation, oil and gas, pump and compressor,

agricultural, and industrial markets and offers a complete line of fuel-flexible, low-emission engines ranging from 8-Litres to 22-Litres of displacement. Doosan Industrial PSI Gas Engines/Specs Brochure - MI-UK Natural Gas Doosan Engine Brochure to operate on wellhead natural gas, a by-product of oil well production. Doosan natural gas-powered generators come equipped with an automatic dual-fuel switch, allowing the generator to also operate on propane. This ensures continuous operation in the event that natural gas flow is interrupted or unavailable. Natural Gas Doosan Engine Brochure Cw Yournewsite Exhaust
