## **BRYCEN LANE**

---

**Preaching the Miracles,  
Cycle B** University of  
Virginia Press  
Eleven-year-old Margarito,  
a big fan of the form of  
wrestling known as lucha  
libre, begins to suspect  
that he has a close  
connection with his  
favorite luchador, El Angel  
de La Guardia, the

Guardian Angel.  
Catalog of Copyright  
Entries Feiwel & Friends  
Discusses the history of  
gangs, why people join  
them, and where they are  
found, and includes  
statistical information and  
summaries of print and  
nonprint resources.  
A Guide to the  
Independent Press and  
Informative Organizations  
Xlibris Corporation  
Written by two recognized  
authorities on

nontraditional religious  
movements, this resource  
is one of the most  
comprehensive books on  
angels and related topics  
currently available. More  
than 300 entries are  
included and drawn from  
multiple religions, such as  
Christianity, Islam, and  
Hindu traditions, as well  
as from pop culture. A  
variety of angel topics are  
discussed, including  
celebrity angels,  
classifications of angels,

obscure angels still waiting for their big break, guardian angels, fallen angels, Anaheim angels, biblical figures associated with angels, angels in art and architecture, and angels in the media and literature. Angels are also discussed in terms of the occult and metaphysics, with entries on UFOs, fairies, and witches. A comprehensive resource section lists movies, books, magazines, and organizations related to angels.

**Level Up** Christen Haus Publishing

A young girl with an eating disorder must find the strength to recover in this moving middle-grade novel from Jen Petro-Roy. Before she had an eating disorder, twelve-year-old Riley was many things: an aspiring artist, a runner, a sister, and a friend. But now, from inside the inpatient treatment center where she's receiving treatment for anorexia, it's easy to forget all of that. Especially since under the influence of her eating disorder, Riley alienated her friends, abandoned her art, turned

running into something harmful, and destroyed her family's trust. If Riley wants her life back, she has to recover. Part of her wants to get better. As she goes to therapy, makes friends in the hospital, and starts to draw again, things begin to look up. But when her roommate starts to break the rules, triggering Riley's old behaviors and blackmailing her into silence, Riley realizes that recovery will be even harder than she thought. She starts to think that even if she does

"recover," there's no way she'll stay recovered once she leaves the hospital and is faced with her dieting mom, the school bully, and her gymnastics-star sister. Written by an eating disorder survivor and activist, *Good Enough* is a realistic depiction of inpatient eating disorder treatment, and a moving story about a girl who has to fight herself to survive.

*Proof of Heaven*

Touchstone

Tired of federal gridlock? Can you trust the federal government anymore? Do the "elites" in Washington

have an agenda? One with our best interests at heart? Is it time to "Take Back America?" Lynch Cully has found that recovering his memory might be the easy part of "coming back from the dead." His job is gone. His "love life" is on the rocks. He's anxious to leave the hospital and get on with life, particularly when he hears the 9-1-1 Code 1000 call—all available units respond—to a shooting at a private Christian school. Automatic gunfire reported. Bradley

Graham, the keynote speaker at the American Patriot Conservative Caucus, has sent a shock-wave through the political "circus" in this country. The announcement of a new political party, the American Party, with a record number of both grass roots membership and fund raising. The mainstream political world takes notice . . . and tattoos a target on his forehead. Has God turned His back on America? Can the American Party begin to re-chart the course of society back toward our

God-given rights that so many Americans have fought and died to preserve? Perhaps more than a few guardian angels are working overtime.

**The Best of the Marshall Memo** Random House

The moving accounts of Jesus' power to cast out demons and heal physical ailments are compelling preaching texts? but they also present a tangle of problems. This book helps you negotiate a homiletic minefield with a detailed exploration of eleven

miracle narratives appearing in Cycle B. It's packed with stimulating ideas and illustrations for developing dynamic sermons, including a chapter with numerous examples of contemporary miracles and healings. ?This is an admirable example of pastoral theology at its best. Aaron's discussions of the historical background and theological significance of each text are thoroughly informed and articulate. Equally helpful are the insights he brings to the

understanding of the pastoral implications of each text and the strategies appropriate to preaching the text.? ? David Bartlett, Yale Divinity School  
[Confessions of an Ugly-Bible Reader](#) Christen Haus Publishing  
 The Third Man Factor tells the revealing story behind an extraordinary idea: that people at the very edge of death, often adventurers or explorers, experience a benevolent presence beside them who encourages them to make one final effort to

survive. If only a handful of people had ever experienced the Third Man, it might be dismissed as an unusual delusion shared by a few overstressed minds. But the amazing thing is this: over the years, the experience has occurred again and again, to mountaineers, divers, polar explorers, prisoners of war, solo sailors, aviators, astronauts and 9/11 survivors. All have escaped traumatic events only to tell strikingly similar stories of having experienced the close

presence of a helper or guardian. The mysterious force has been explained as everything from hallucination to divine intervention. Recent neurological research suggests something else. In *The Third Man Factor* John Geiger combines history, scientific analysis and great adventure stories to explain this secret to survival, a Third Man who — in the words of legendary Italian climber Reinhold Messner — ‘leads you out of the impossible.’  
*Of Courtiers and Princes*

Simon and Schuster Angelic beings can be found throughout the Hebrew Bible, and by late antiquity the archangels Michael and Gabriel were as familiar as the patriarchs and matriarchs, guardian angels were as present as one’s shadow, and praise of the seraphim was as sacred as the Shema prayer. Mika Ahuvia recovers once-commonplace beliefs about the divine realm and demonstrates that angels were foundational to ancient Judaism. Ancient Jewish

practice centered on humans' relationships with invisible beings who acted as intermediaries, role models, and guardians. Drawing on non-canonical sources—incantation bowls, amulets, mystical texts, and liturgical poetry—Ahuvia shows that when ancient men and women sought access to divine aid, they turned not only to their rabbis or to God alone but often also to the angels. *On My Right Michael, On My Left Gabriel* spotlights these overlooked stories,

interactions, and rituals, offering a new entry point to the history of Judaism and the wider ancient Mediterranean and Near Eastern world in which it flourished. *Biscuit Bear* Ignatius Press Dennis, the son of Chinese immigrants, yearns to play video games like his friends and, upon his strict father's death, becomes obsessed with them but later, realizing how his father sacrificed for him, he chooses a nobler path. *Guardian Angels* Macmillan

Based on the true story of two sisters sheltered from the Nazis by a group of Catholic nuns during World War II. Mama had always told twelve-year-old Susan that there was no safe place for a Jew, especially in German-occupied Hungary in 1944. Susan is skeptical and afraid when she and her little sister, Vera, are sent to a convent to be kept "safe" from the Nazis. Susan and Vera find their lives transformed and soon discover the true nature of courage when they are

sheltered by a group of nuns who risk their lives to protect them. "Guardian Angel House" was the nickname given to a convent operated by the Sisters of Charity in Budapest that sheltered over 120 Jewish children in German-occupied Hungary during World War II. This book tells the story of author Kathy Clark's mother and aunt, who were sheltered there by the nuns. Includes historical photographs and notes about the author's family and the Hungarian convent that

became known as "Guardian Angel House."

The Third Man Factor Univ of California Press

Tim Hicks shares his life as an abused child, a former pro wrestling performer and business owner and how the Lord was with him each step of the way . . . even when he didn't know it at the time. Lulu.com

Law and Legal Information Directory provides descriptions and contact information for institutions, services and facilities in the law and legal information industry. Weaving Faith and Family Second Story Press

"Margery Latimer knows and understands human beings, particularly those who have been treated none too gently in the course of their lives ... The heaviness and world-weariness of her stories are balanced by the excellent craftsmanship which is the outstanding

feature of her work." New York Times, from the bookjacket.

*Streetsmart* Cinco Puntos Press

For years, Kim Marshall and Jenn David-Lang have been considered

"designated readers,"

curating ideas and

research for busy frontline

educators. Kim's weekly

Marshall Memo

summarizes the best

articles from more than

sixty magazines and

journals.

*The Silenced Shooter*

Canongate Books

Praise for *In Chambers*:

"This new collection of essays, including some by former clerks, takes

readers inside justices'

chambers for a look at

clerkship life.... [T]he best

parts of the book are the

behind-the-scenes

descriptions of life at the

court."— Associated Press

"An excellent book... It's

interesting for many

different reasons, not the

least of which as a

reminder of how much of

a bastion of elitism the

Court has always been."—

Atlantic Monthly In his

earlier books, In

*Chambers* and *Of*

*Courtiers and Kings*, Todd

C. Peppers provided an

insider's view of the

Supreme Court from the

perspective of the clerks

who worked closely with

some of its most

important justices. With

*Of Courtiers and Princes*,

he concludes the trilogy

by examining the

understudied yet equally

fascinating role of lower

court

clerks—encompassing

pioneering women and

minorities. Drawing on

contributions from former

law clerks and judicial

scholars—including an

essay by Ruth Bader Ginsburg—the book provides an inside look at the professional and personal bonds that form between lower court judges and their clerks. While the individual essays often focus on a single judge and his or her corps of law clerks, including their selection process, contributions, and even influence, the book as a whole provides a macro-level view of the law clerk's role in the rapidly changing world of lower federal and state courts, thereby offering

an unusual yet crucial perspective on the inner workings of our judicial system.

Looks that Deceive Two prominent medical malpractice attorneys are

dead. Can you imagine the stuff flowing downhill into Detective Lynch Cully's lap? From his lieutenant's office. From his chief's office. The mayor's office. The governor. He's already facing the toughest case of his career: a serial assailant who leaves his victims unable to testify. Are these cases related? Has the perpetrator upped his game? Amy Gibbs, RN is a newly recruited med-evac flight nurse who left the ER, its stress, and memories of a certain detective behind.

On one fateful call, she hears the deathbed confession of a man whom police are seeking as a person of interest in the attacks. Within hours, the lives of Amy Gibbs and Lynch Cully intertwine in a story that unravels a web of identity theft, electronic eavesdropping, and stalking amid a confusion of identities. Can Lynch move one step ahead of this killer? Or is the distraction—of a girlfriend he regrets leaving—too much? Rescued and Remembered It's been

three hard months ... Fished from the river, nearly dead, Jusef has no memory. He needs assistance to feed himself. His benefactor lives in fear in the remote river cabin. She has a price on her head. For Amy Gibbs, RN, it's been three months of torture--from PTSD. Thanks to the monster who twice attacked and nearly killed her . . . and killed her boyfriend. His body was never recovered. But now, an Army veteran recently returned from Afghanistan has enticed her with his

charm and confidence. Is he who he says he is? In a series of twists and turns, the four become embroiled in the battle against human trafficking. Their target is powerful, well-armed, widespread . . . and rich enough to bribe politicians, policemen, and judges. They have vowed to fight. They will need all their courage and determination . . . guardian angels, and a miracle. The Silenced Shooter Tired of federal gridlock? Can you trust the federal government anymore? Do the "elites"

in Washington have an agenda? One with our best interests at heart? Is it time to "Take Back America?" Lynch Cully has found that recovering his memory might be the easy part of "coming back from the dead." His job is gone. His "love life" is on the rocks. He's anxious to leave the hospital and get on with life, particularly when he hears the 9-1-1 Code 1000 call—all available units respond—to a shooting at a private Christian school.
