An ancient  
power. A  
desperate  
quest. The  
clock is  
ticking. When  
psychologist  
and religious  
expert Dr.  
Morgan  
Sierra's sister  
and niece are  
kidnapped,  
she's thrust  
into a deadly  
race against  
time to find  
twelve ancient  
stones that  
could unleash  
unimaginable  
power. With  
only days until  
Pentecost and  
the  
kidnapper's  
deadline,

Morgan must  
use all her  
knowledge  
and resources  
to track down  
the artifacts.  
She's not  
alone in the  
hunt. Jake  
Timber, an  
enigmatic  
agent of  
ARKANE, a  
secret British  
agency  
investigating  
the  
supernatural,  
has his own  
orders to  
retrieve the  
stones at any  
cost. Torn  
between her  
desperate  
need to save  
her family and  
Jake's mission  
to secure the  
stones, lines  
blur as  
Morgan and

Jake forge an uneasy partnership. From the holy sites of Israel and the Vatican to the desert of Tunisia and the Sonoran wilderness of Arizona, Morgan and Jake face sinister forces, ancient traps, and a fanatical enemy determined to use the stones' power for their own dark purposes. Danger, betrayal and a growing attraction complicate their quest. With

Pentecost approaching and a storm of apocalyptic proportions brewing, Morgan must confront her past and unearth long-buried secrets to have any hope of saving her family and preventing global catastrophe. Emotions run high and faith is tested as the clock ticks down. Can Morgan stop the stones from falling into the wrong hands, or will she have to choose between saving her family and

saving the world? Fast-paced and gripping, Stone of Fire is a thrilling adventure that weaves together history, archaeology, and the supernatural into a pulse-pounding race against time. Perfect for fans of Dan Brown, James Rollins, and Steve Berry, this action-packed novel will keep you turning pages late into the night. Stone of Fire is book 1 of the ARKANE Thriller series by award-winning, New

York Times and USA Today bestselling author, J.F. Penn. It can also be read as a stand-alone story. *The Gilded Ones* Simon and Schuster Learn to make extra money as an online freelance writer who specializes in writing articles for search engine optimization results.

**ProBlogger**  
Mark Coker Write. Publish. Repeat. The No-Luck-Required Guide to Publishing In 2013, Johnny

B. Truant and Sean Platt published 1.5 million words and made their full-time livings as indie authors. In Write. Publish. Repeat., they tell you exactly how they did it: how they created over 15 independent franchises across 50+ published works, how they turned their art into a logical, sustainable business, and how any independent author can do the same to build a sustainable,

profitable career with their writing. Write. Publish. Repeat. explains the current self-publishing landscape and covers the truths and myths about what it means to be an indie author now and in the foreseeable future. It explains how to create books your readers will love and will want to return to again and again. Write. Publish. Repeat. details expert methods for building story worlds,

characters, and plots, understanding your market (right down to your ideal reader), using the best tools possible to capture your draft, and explains proven best practices for editing. The book also discusses covers, titles, formatting, pricing, and publishing to multiple platforms, plus a bit on getting your books into print (and why that might not be a good idea!). But most importantly,

Write. Publish. Repeat. details the psychology-driven marketing plan that Sean and Johnny built to shape their stories into "products" that readers couldn't help but be drawn into -- thus almost automatically generating sales -- and explores ways that smart, business-minded writers can do the same to future-proof their careers. This book is not a formula with an easy path to follow.

It is a guidebook that will help you build a successful indie publishing career, no matter what type of writer you are ... so long as you're the type who's willing to do the work. What Indie Authors and Thought Leaders Are Saying: "Two of the best in the biz... A gem for aspiring authors." -- Hugh Howey "I have a pretty popular blog on self-publishing, and I've written a

couple of books on the topic myself - meaning I've read a lot on the topic and come across lots of different strategies and approaches to building a loyal audience. For my money, this is the best book on self-publishing out there." -- David Gaughran "It's tough to find more honest and straight-forward marketing advice than what you'll get from these indie authors." -- Jane Friedman,

former publisher of Writer's Digest "The most important book on self-publishing I've ever read. " -- Karol Gajda "Consider it the most valuable guide book to publishing success." -- Jim Kukral, Author Marketing Club You'll Wish You Could Have Read it Years Ago! Designing Data-Intensive Applications Mendon Cottage Books The world is changing. Markets have crashed. Jobs

have disappeared. Industries have been disrupted and are being remade before our eyes. Everything we aspired to for "security," everything we thought was "safe," no longer is: College. Employment. Retirement. Government. It's all crumbling down. In every part of society, the middlemen are being pushed out of the picture. No longer is someone coming to hire you, to invest

in your company, to sign you, to pick you. It's on you to make the most important decision in your life: Choose Yourself. New tools and economic forces have emerged to make it possible for individuals to create art, make millions of dollars and change the world without "help." More and more opportunities are rising out of the ashes of the broken system to generate real

inward success (personal happiness and health) and outward success (fulfilling work and wealth). This book will teach you to do just that. With dozens of case studies, interviews and examples—including the author, investor and entrepreneur James Altucher's own heartbreaking and inspiring story—Choose Yourself illuminates your personal path to building a bright, new world out of

the wreckage of the old.

the realities of  
making a  
living in the  
writing world.  
In the literary  
world, the  
debate around  
writing and  
commerce  
often begs us  
to take sides:  
either writers  
should be paid  
for everything  
they do or  
writers should

just pay their  
dues and  
count  
themselves  
lucky to be  
published. You  
should never

ultimate goal  
should be to

endless,  
confusing, and  
often  
controversial  
conversation  
that, despite  
our bare-it-all  
culture, still  
remains  
taboo. In  
Scratch,  
Manjula Martin  
has gathered  
interviews and  
essays from  
established  
and rising  
authors to  
confront the

age-old question: how do creative people make money? As contributors including Jonathan Franzen, Cheryl Strayed, Roxane Gay, Nick Hornby, Susan Orlean, Alexander Chee, Daniel Jose Older, Jennifer Weiner, and Yiyun Li candidly and emotionally discuss money, MFA programs, teaching fellowships, finally getting published, and what success really means to them,

Scratch honestly addresses the tensions between writing and money, work and life, literature and commerce. The result is an entertaining and inspiring book that helps readers and writers understand what it's really like to make art in a world that runs on money—and why it matters. Essential reading for aspiring and experienced writers, and for anyone interested in

the future of literature, Scratch is the perfect bookshelf companion to *On Writing*, *Never Can Say Goodbye*, and *MFA vs. NYC*.
