Un tempo, credevo nelle favole. Ma poi, mi ha presa. E mi ha insegnato che la vita non è una fiaba. È sfregiato. Devastato. Una cosa oscura e selvaggia. La sua bellezza è violenta, e le sue parole sono crudeli. Il suo cuore è un paesaggio buio, dove nulla può crescere. Dice che non potrà mai prendersi cura di me, e lo dimostra ogni giorno. Ha distrutto la mia vita. Mi ha torturato. E peggio ancora... Mi ha addestrata a supplicare per il suo affetto. Questa prigione è un luogo dove non batte mai la luce del sole. Mi ha insegnato che l'odio nasce nell'oscurità. E poi, mi ha spiegato che a volte anche l'amore può nascere lì.

however, change her. My name is Julian Esguerra, and Nora is mine to keep. ***Keep Me is the sequel to Twist Me, told from Nora & Julian's POV.***

Marley: My pay as a yoga instructor isn't much, and I'm behind on every single one of my bills. As a result, the repo man came to take my car, but I hatched a plan. It's dirty, amoral, and sooo

wrong ... especially since my visitor turned out to be a handsome alpha male. Justin: I'm the CEO of a repo company. I went by Marley's place to repossess her car, but then the curvy girl makes me an offer I can't refuse: that sexy body in exchange for letting her keep her vehicle. The kicker? I'm not just enjoying her lush assets as payment ... I'm giving her a baby along the way! This story is next in the series after *First Time Escort* and *My Roommate's Dad*, except this time, it's Marley who's in desperate straits. But never fear, our curvy girl is sassy, feisty, and determined, and she'll find happiness in the end! Say YES to bouncing babies, handsome alpha males, and curvy ladies who get their guys. All of my books may be read as standalones, but you'll enjoy the cameos from your favorite characters. No cheating, no cliffhangers, and always a HEA for my readers.

From the bestselling authors of *Last Hit* and *Last Breath* comes the next dark and sensual tale in the *Hitman* series that crosses the line between danger and desire... Naomi: When I was kidnapped I thought only of survival. I don't thrive well in chaos. That's why I gave my captors exactly what they wanted: my skill with computers. Making millions for a crime lord who kept me imprisoned in his basement compound kept my family safe. When he was taken out, I thought my ticket to freedom had arrived. Wrong. I traded one keeper for another. This time I'm in the hands of a scarred, dark, demanding Russian who happens to be the head of the *Bratva*, a Russian crime organization. He wants my brain and my body. I'd be lying if I said I wasn't intrigued, but I can't be a prisoner forever...no matter how good he makes me feel. Vasily: At a young age, I was taught that a man without power is a puppet for all. I've clawed—and killed—my way to the top so that it is my heel on their necks. But to unify the fractured organization into an undefeatable machine, I need a technological genius to help me steal one particular artifact. That she is breathtaking, determined, and vulnerable is making her more dangerous than all of my enemies combined. But only I can keep her safe from the world that she now inhabits. Soon, I must choose between Naomi and *Bratva* law. But with every day that passes, this becomes a more impossible choice.

Three terms later, an invitation to join Matthew Hamilton's campaign is the most exhilarating opportunity I've ever experienced. I'm determined to make a difference; he is determined to win. Focused on his goal, Matt is steadfast, ruthless, and disarming. All eyes are on him and his popularity is surging. But soon, the next possible president of the United States is possessing me in more ways than one—and despite the risks, I'm helpless to resist. We're stealing touches, stealing moments, and stealing away at night. But our chemical connection is quickly becoming dangerously combustive, putting not only my heart, but Matt's chance at the presidency on the line. Winning will take everything. Walking away will be the hardest thing of all. Book 2* *Commander in Chief*: We fell in love during the campaign. The stakes were high. Reputations could have been ruined. Scandal hovered over us like a cloud. Now the man I love is the President of the United States of America. And it's not my vote he is after. He wants it all. My heart. My body. My soul. He wants me by his side. In the White House. Normalcy will be gone from my life, privacy forgotten. I am only twenty three. I

just wanted to play a part in history. But it seems like history wasn't done with me. The part where I lost my heart to Matthew Hamilton? It was only the beginning...

No one knew the real me—who I was when I was all alone. They didn't know how twisted he made me—or how much I liked it. I never imagined I'd have to relive those days again. When it seemed like everyone around Anthony Fender was reaching a goal or falling in love, he blamed an early midlife crisis for throwing him far outside of his comfort zone. Nashville was a long way from New York and his everyday life that'd lost all color lately. Hopefully, this vacation would reenergize him, and maybe a cooking class with celebrity chef August King could end Anthony's reign as the only Italian in Brooklyn who couldn't boil water. But when he met August and his much younger husband Camden, every plan and all rational thought flew out the window. Their dynamic grabbed hold of Anthony and reeled him in before he even heard the magic word. "Daddy."

A funny, entertaining novel of love and family for our times: a single woman who fears she's lost her chance at a family of her own, begins to accumulate an ad hoc one around her. In the tradition of *Elinor Lipman* or *Marisa de los Santos* (*Love Walked In*), *Flowers* delivers a smart, witty, appealing story of love, family, and community that breaks the mold of the conventional love story—and will have readers cheering. Everyone around Prudence Whistler, thirty-six, seems to be settling down. Her once single girlfriends have married and had babies. Her gay best friend is discussing marriage with his partner. Even her irresponsible younger sister, Patsy, is the single mother of a two-year-old. But when Pru panics at losing her mediocre boyfriend of two years—and begins to see the door to her traditional family life closing—she accidentally finds something even better: a new definition of family and happiness. First, it's the crazy cat who moves into her apartment. Then come Pru's headstrong sister and two-year-old niece. Then the niece's dog, the sister's ex-boyfriend, and, ultimately, Patsy and Pru's widowed mother. With the strength of her modern new household, Pru musters the confidence to open the dress shop she's always wanted in town—and discovers an extended family of sorts in the community of shop owners and devoted customers. It's only then that she ends up with the man of her dreams. Endearing, romantic, and satisfying, *Nice to Come Home To* is a charming, crowd-pleasing debut.
