*Engineering Fracture Mechanics | Journal | ScienceDirect.com* Engineering Fracture Mechanics K Ramesh Prof. K. Ramesh is currently a Senior Professor at the Department of Applied Mechanics, IIT Madras; as its Chairman during (2005-2009) and formerly a Professor at the Department of Mechanical Engineering, IIT Kanpur. He received his undergraduate degree in Mechanical Engineering from the Regional Engineering College, Trichy (now NIT, Trichy), Postgraduate degree from the Indian Institute of Science, Bangalore and the Doctoral Degree from the Indian Institute of Technology Madras. Engineering Fracture Mechanics - Course Although several text books are available on fracture mechanics, this is the first e-book on fracture mechanics. It has come about from teaching the course to graduate and under-graduate students for the last 15 years at IIT Kanpur and at IIT Madras. Engineering Fracture Mechanics by K Ramesh Ramesh, K., Indian Institute of Technology Madras, India e-book on Engineering Fracture Mechanics This e-book is innovative in many ways. It sets a new paradigm in developing multimedia based educational material.
