TORRES GOODMAN

How to Earn Royalties, Own Your Music, Sample Music, Protect Your Name and Structure Your Music Business (Music Law Series) Mika Karhumaa

Hailed as an "indispensable" guide (Forbes), How to Make It in the New Music Business returns in this extensively revised and expanded edition. When How to Make It in the New Music Business hit shelves in 2016, it instantly became the go-to resource for musicians eager to make a living in a turbulent industry. Widely adopted by music schools everywhere and considered "the best how-to book of its kind" (Music Connection), it inspired thousands to stop waiting around for that "big break." Now trusted as the leading expert for "do it yourself" artists, Ari Herstand returns with this second edition, maintaining that a stable career can be built by taking advantage of the many tools at our fingertips: conquering social media, mastering the art of merchandising, embracing authentic fan connection, and simply learning how to persevere. Comprehensively updated to include the latest online trends and developments, it offers inspiring success stories across media such as Spotify and Instagram. The result is a must-have for anyone hoping to navigate the increasingly complex yet advantageous landscape that is the modern music industry.

Establishing the artist-manager relationship -- Planning the artist's career -- Making the career plan work -- Career maintenance and control.

[Managing Your Band](#) Warrior Girl Music

As a constantly evolving and developing industry, the music business environment continues to establish new standards in terms of operational efficiency, dynamics between the different parties involved in the professional cycles, and constructing and performing methodologies in the process of achieving the desired results that all the participants in the music world have to adapt to in order to establish a sustainable career. Hence, the main purpose of this book is to provide practical advice suitable to both aspiring music professionals and artists that need detailed guidance in the process of developing the basis of a fruitful, promising, and sustainable profile, not only in terms of business performance, but psychologically as well.

[Maestros, Managers, and Corporate Politics](#) Rowman & Littlefield

The authoritative, standard reference on artist management in the music industry expands its insights even further in this updated edition, formerly titled Successful Artist Management. Earning accolades for years, including ASCAP's prestigious Deems

Taylor Award for books on the industry, this vital reference keeps pace in its third edition with the demands of the ever-changing musical entertainment field. Emphasizing that, despite the glamour of the industry, artist management is still subject to the solid rules that govern all good business practice, the authors include interviews with top record executives; coverage of new forms of business, such as the limited-liability company; and updates on the legal framework of the music industry. Professional and aspiring managers and career-minded performers will find guidance on topics like: -- establishing the artist-manager relationship and contract -- setting up the artist's career plan and image formation -- choosing attorneys, accountants, and business advisors -- forming development teams for various performance media -- handling success, money management, and moving toward stardom.

[This Game of Hip Hop Artist Management](#) CRC Press

This authoritative reference on artist management in the music industry is the standard for all phases of managing a musician's career from both the artist's and manager's point of view. This substantially updated edition covers the major changes that have transformed the business world and music industry over the past six years. Particular emphasis is given to the impact of the Internet, including the MP3 controversy and its lingering ramifications, copyright licensing on the Web, navigating trade identity issues on the Net, domain names, and the high-tech fight against cyberpiracy. Included are real-world examples as well as new interviews with top booking agents, personal managers, concert promoters, record company executives, road managers, and artists. • For aspiring and professional managers in the music/entertainment field as well as musicians, music publishers, and record company personnel • Winner of the prestigious ASCAP Deems Taylor Award for excellence in music publishing • This replaces 0-8230-7705-5, which sold more than 25,000 copies

This powerhouse best-selling text remains the most comprehensive, up-to-date guide to the music industry. The breadth of coverage that Music Business Handbook and Career Guide, Eleventh Edition offers surpasses any other resource available. Readers new to the music business and seasoned professionals alike will find David Baskerville and Tim Baskerville's handbook an indispensable resource, regardless of their specialty within the music field. This text is ideal for introductory courses such as Introduction to the Music Business, Music and Media, and Music Business Foundations as well as more specialized courses such as the record industry, music careers, artist management, and more. The fully updated Eleventh Edition includes coverage of key topics such as copyright, licensing, songwriting, concert venues, and the entrepreneurial musician. Uniquely, it provides career-planning insights on dozens of job

categories in the diverse music industry.

[Project Management for Musicians](#) Rowman & Littlefield Publishers

The fully revised Second Edition is here. New examples have been added to better reflect the present time. Also, as a main focus, strategic thinking, the ability to create long-term plans and how to prepare for this in everyday activities are also present in this book. Understanding the importance of strategy is the basis for rational advancement. In the music business - strategies are not always perceptible. They are multi-layered, long-lasting, but also instantaneously effective. The ultimate goal often transpires along the way. In order to understand tactics, one has to read between the lines. The reason why different pre-conditions and industrial expectations must always be taken into account is due to conflicts between artistic and economic goals. An artist's progress often depends on their interest groups' comfort to these aspects and is about maintaining the balance between business objectives and the artist's story. This book deals with factors affecting strategy and how it relates to the artist and their management. Although viable passive income generation in the streaming era is what is most sought after, no other aspect, including social media capital, should be ignored, as it is often even more important. All this has an impact on how an artist succeeds in other music business areas. This book illustrates the current state of things in light of new opportunities. 'Strategy' is the final chapter of The Essence of the Music Business Trilogy from Mika Karhumaa.

You will learn to: develop work strategies; delegate tasks; build and manage teams; organize your project office; develop production schedules; understand and organize contracts; analyze risk; and much more.

Music Marketing for the DIY Musician CRC Press

Are you struggling to get your music heard? Have you ever felt lost or directionless on how to manage your career? Inside "Music Management for the Indie Artist", you'll discover: How to gain a crystal-clear vision of your future in music. The single most important thing you can do to start getting calls from music managers. Why you need a business and marketing plan and how to write it. How to protect yourself from falling victim to unscrupulous managers. What music management is all about and why it pays to self-manage your career. Whether you just released your first song or are a seasoned musician ready to take your music career to the next level, this book is for you. You should already know how to manage your music career before you decide to get a manager. Because only then will you be perceived as desirable to work with. But the sad thing is... most artists have no clue when it comes to the most important aspects of managing a music career. Many artists think they just have to get their music heard to be successful. Believe it or not, that's really just the tip of the iceberg. If you believe you can carve out a successful music career all on your own - without any help, you are basically committing career suicide. You need to find others who have made it and follow in their footsteps. But if you don't know how to get (and deal) with a manager, you might find yourself getting ripped off. Simply put... Most indie artists don't have a real strategy for building a successful music career. Many struggle for years going nowhere, achieving nothing... and end up returning to (or staying stuck at) an unfulfilling day job barely earning enough money to support themselves and their family living a life of quiet desperation with their hopes and dreams crushed. It's a terrible thing to see! But we've got good news for you... You do not have to end up like most struggling artists because for the first time ever, we've together the ultimate roadmap to help you take control of your own music career. And guess what? It's going to help you look INFINITELY more attractive to any potential manager. This is a complete, step-by-step 228 page blueprint which contains a "treasure trove" of the best kept marketing & business secrets for indie musicians, artists and

bands who want to start managing their music career like a pro, become a music phenomenon and attract a top music manager. [Agility in the Creative and Cultural Industries](#) Watson-Guption Publications

No one understands the music industry--from the technology, to the legalities, to the new industry practices--better than veteran music lawyer Donald Passman. In this completely revised and updated seventh edition of *All You Need To Know About the Music Business*, which the Los Angeles Times called "the industry bible" and which has sold hundreds of thousands of copies, Passman offers executives and artists, experts and novices alike the essential information they need not only to survive in these volatile and exciting times, but also to thrive. Drawing on his unique, up-to-the-minute experience as one of the most trusted advisors in the business, Passman offers advice concerning: - The Copyright Royalty Board's latest decisions regarding online transmissions. - The developing new customs concerning new technologies such as streaming on demand, ringtones, and digital downloads. Passman also gives guidance on other fundamental issues such as how to: - Select and hire a winning team of advisors--personal and business managers, agents, and attorneys--and structure their commissions, percentages, and fees in a way that will protect you and maximize these relationships. - Master the big picture and the finer points of record deals. - Navigate the ins and outs of songwriting, music publishing, and copyright law. - Maximize concert touring and merchandising deals. Almost everyone in the music business, from musicians and songwriters to entertainment lawyers and record company executives, are scrambling to sort out what is going to happen next, and Passman is right in the thick of these changes. Here is a book for anyone interested in a music career: a comprehensive and crucial guide to making it in one of the world's most dynamic industries.

Achieving Abundance, Self-Empowerment and Professional Success as an Artist Entrepreneur CRC Press

Allen prepares you for the realities of successfully directing the careers of talented performers in the high-risk, high-reward music business. You will learn to prepare yourself for a career in artist management - and then learn the tools to coach, lead, organize time, manage finances, market an artist, and carve out a successful career path for both yourself and your clients. The book features profiles of artist managers, an exclusive and detailed template for an artist career plan, and samples of major contract sections for artist management and record deals. Updated information including a directory of artist management companies is available at the book's companion website. A peer reviewer for Artist Management for the Music Business proclaimed ".this is going to be an excellent text. It contains many unique insights and lots of valuable information. This is essential reading for managers, students, and artists in the music business.

Managing Your Band - Sixth Edition Business Expert Press

"Learn to: navigate the music business to pursue a successful and sustainable career; follow a plan that builds your success, one step at a time; create a brand that stands out to fans and industry professionals; understand music publishing, contracts, copyrights, and licensing"--Cover.

[The Art of Making Things Happen](#) a company called W

Artists are creative workers who drive growth in the creative and cultural industries. Managing artistic talent is a unique challenge, and this concise book introduces and analyses its key characteristics. Artist Management: Agility in the Creative and Cultural Industries makes a major contribution to our understanding of the creative and cultural industries, of artistic and managerial creativities, and of social and cultural change in this sector. The book undertakes an extensive exploration of the increasingly pivotal role of artist managers in the creative and cultural industries and argues that agile management strategies are useful in this context. This book provides a comprehensive and accessible account of the artist-artist manager relationship in the twenty-first century. Drawing from research interviews conducted with artist managers and self-managed artists in five cities (New York, London, Toronto, Sydney and Melbourne), this book makes an original contribution to knowledge. Nation-specific case studies are highlighted as a means of illuminating various thematic concerns. This unique book is a major piece of research and a valuable study aid for both undergraduate and postgraduate students of subjects including arts management, creative and cultural industries studies, arts entrepreneurship, business and management studies and media and communications.

Artist Management for the Music BusinessCRC Press

[The Key to Structuring a Sustainable Profile in the Music Industry](#) Routledge

Chart topping-and headline-making-rap artist Eminem shares his private reflections, drawings, handwritten lyrics, and photographs in his New York Times bestseller *The Way I Am* Fiercely intelligent, relentlessly provocative, and prodigiously gifted, Eminem is known as much for his enigmatic persona as for being the fastest-selling rap artist and the first rapper to ever win an Oscar. Everyone wants to know what Eminem is really like-after the

curtains go down. In *The Way I Am*, Eminem writes candidly, about how he sees the world. About family and friends; about hip-hop and rap battles and his searing rhymes; about the conflicts and challenges that have made him who he is today. Illustrated with more than 200 full-color and black-and-white photographs-including family snapshots and personal Polaroids, it is a visual self-portrait that spans the rapper's entire life and career, from his early childhood in Missouri to the basement home studio he records in today, from Detroit's famous Hip Hop Shop to sold-out arenas around the globe. Readers who have wondered at Em's intricate, eye-opening rhyme patterns can also see, first-hand, the way his mind works in dozens of reproductions of his original lyric sheets, written in pen, on hotel stationery, on whatever scrap of paper was at hand. These lyric sheets, published for the first time here, show uncut genius at work. Taking readers deep inside his creative process, Eminem reckons with the way that chaos and controversy have fueled his music and helped to give birth to some of his most famous songs (including "Stan," "Without Me," and "Lose Yourself"). Providing a personal tour of Eminem's creative process, *The Way I Am* has been hailed as "fascinating," "compelling," and "candid."

All You Need to Know to Get Started, Get Noticed & Get Signed WIPO

(Book). Making it in music has never been easy, but today it's harder than ever before. The digital age has dawned and, with it, the music biz has wholly merged with the entertainment industry. Up-and-comers are immediately faced with a dire choice: alter your art to appease the powers that be or learn to navigate the notoriously grimy underside of the most glamorous profession in the world. Whether you're a self-reliant DIY musician or an aspiring personal manager, Stephen Marccone and David Philp's *Managing Your Band Artist Management: The Ultimate Responsibility* can help you keep your shirt and maybe just maybe make a buck, all for less than the price of a decent dinner. Now in its sixth edition, *Managing Your Band* has long since been the standard bearer for aspirants and hardened vets alike. From dive bars to festivals, from branding and merchandising to marketing and publicity, from publishing and licensing to rights and contracts, Marccone and Philp leave no stone unturned in this comprehensive guide to artist management. A lofty claim, eh? No need to take our word for it luminaries in every corner of the industry are willing to testify. To put it mildly, the book has a reputation with record labels. John Butler, Vice President of Promotion at Curb, believes that "Marccone and Philp take on our ever-changing business with a fresh and complete approach. The breadth of information here is as important to veterans as it is to the new entrepreneurs that will power the current and next versions of the music industry." Paul Sinclair, the EVP of Digital Strategy & Innovation at Atlantic, attests that "the 6th edition of *Managing Your Band* provides an excellent blueprint to follow paths of flexibility and specificity toward a successful career in music. In this book, you find the framework. Implement it well and you have a better shot of finding success with your musical art." Joe Riccitelli, the EVP/GM of RCA, considers the book "a must for new and established managers who may need a brush-up on topics they have forgotten," as "Stephen's & David's vast experience pays off in the 6th edition." Hell, this is "the only book" music mogul Harvey Leeds "took to Israel to teach the Israelis about the international music and entertainment business!" In the end, we think Doc McGhee, the man who whisked Bon Jovi and Motley Crue to superstardom, says it best: "I wish I had something like this when I was starting out!" What more can we say? Pick up the latest edition of *Managing Your Band* and chase that wild dream!

How To Make It in the New Music Business: Practical Tips on Building a Loyal Following and Making a Living as a Musician (Second Edition) Birch Lane Press
