omnibus gathering together over 50 classic Agatha Christie stories featuring Tommy and Tuppence Beresford, Harley Quin, Parker Pyne and Hercule Poirot, plus her rare Christmas Stories not available in any other volume. This new compendium of over 50 stories is the first time all the stories featuring Agatha Christie's detectives have been collected together. Here you will meet - PARKER PYNE - a consulting detective whose practice is to solve less murderous enigmas and restore happiness to his clients; HARLEY QUIN - a tall, dark, mysterious young man who takes a more surreptitious approach to solving

crime; TOMMY AND TUPPENCE BERESFORD - a newly married pair of self-styled 'Young Adventurers' who are prepared to do anything in the name of justice. And in addition to presenting the complete oeuvre for these detectives, this volume includes as a bonus four rare short stories featuring that grand master of detection, Monsieur HERCULE POIROT, plus Agatha Christie's little-known Christmas stories written for children, including "Star Over Bethlehem" and "The Naughty Donkey".

Agatha Christie was an English mystery novel and short story writer, and playwright. Her enduring works include

66 detective novels and 14 short story collections, especially those featuring the two recurring characters of Hercule Poirot and Miss Marple. She also wrote the world's longest-running play, "The Mousetrap," a murder mystery, and six romance novels under the name of Mary Westmacott. Hercule Poirot, a Belgian detective, is one of Christie's most famous long-lived characters who appeared in 33 novels, one play ("Black Coffee"), and more than 50 short stories published starting in 1923 in "The Sketch," a British illustrated weekly journal that ran for 2,989 issues between February 1, 1893 and June 17, 1959. This book collects all 23 stories published in

The Sketch" in 1923. Later on, the stories were published in book form, sometimes under a different title, as part of "Poirot Investigates" (1924) and "Poirot's Early Cases" (1974). At last, a single volume that gathers together all of the short stories featuring Agatha Christie's most famous creation, Hercule Poirot. The dapper, mustache-twirling little Belgian with the egg-shaped head and curious mannerisms has solved some of the most puzzling crimes of the century—and, in his own humble opinion, is “probably the greatest detective in the world.” In this

complete collection of more than 50 stories, ranging from short tales to novellas, Poirot faces violent murders, poisonings, kidnappings, and thefts—all solved with his characteristic panache. Only Agatha Christie could have devised cases worthy of Hercule Poirot's skill and "little gray cells." *The Complete Hercule Poirot Short Stories* Strelbytskyy Multimedia Publishing Lymstock was a town with more than its share of shameful secrets - a town where even a sudden outbreak of anonymous hate-mail caused only a minor stir. But all of that changed when one of the recipients, Mrs Symmington, committed suicide. Her final note said 'I can't

go on'. Only Miss Marple questioned the coroner's verdict of suicide. Was this the work of a poison-pen? Or of a poisoner? Agatha Christie was born in Torquay in 1890 and became, quite simply, the best-selling novelist in history. She wrote 79 crime mysteries and collections, and saw her work translated into more languages than Shakespeare. Her enduring success, enhanced by many film and TV adaptations, is a tribute to the timeless appeal of her characters and the unequalled ingenuity of her plots.
