Everyday Idioms One and Two bring the challenge of learning typical American English expressions within any student's reach. Each book presents over 1,200 idioms within tightly organized semantic categories. No other idiom texts give as comprehensive coverage of essential American idioms or make them as accessible to students.

American Book Publishing Record T&p Books

This book contains all of the vocabulary taken from the Essential American English Vocabulary Word Search Puzzles Volume 1 book and has the Spanish translation of each word. It is primarily intended to be used by Spanish speakers learning English and is basically an accompanying text to the puzzle book to help facilitate learning.

EBOOK: Essential Primary English Sakha Global Books (Sakha Books)

This compact, clearly organized, yet inexpensive series can be used as stand-alone or bundled with any low or mid level reading book where more vocabulary coverage is desired. Designed for independent student use, the book focuses on enriching general and academic vocabulary, as well as strategies, through the use of varied practice and engaging nonfiction readings. The package will include MP3 files so the student can hear words properly pronounced and used in context. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

rational advice for overlanding Mexico & Central America Heinle & Heinle Publishers

This workbook is for beginning ESOL students. The language structures were designed for immediate use in authentic, everyday situations. The lessons, activities, and worksheets build

on each other and get more difficult in tiny, incremental steps. This book targets speaking and basic writing.

Sparky's Hero McGraw-Hill Education (UK)

American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.

Essential American English Vocabulary Word Search Puzzles Volume 1 (Bilingual Spanish Word List) Life Remotely

English File is a flexible course for adults and young adults which reflects the realities of both learning and teaching. At each of the first two levels, there is a fast-track core of 60 hours' class work, with additional material which can extend the course to more than 120 hours. English File 1 is for beginners and false beginners. English File gives students a real sense of achievement and progress. It offers clear learning objectives, an organized approach to revision and reference work, and a fully integrated home-study programme. For teachers, there are well-planned lessons that work, a realistic syllabus focusing on what can be

achieved in a first level course, and a complete source of ready-to-use supplementary materials. • Lessons which cover the grammar pronunciation, and vocabulary syllabus of the course, with in-built revision and recycling. • Systematic pronunciation work, with a memorable and learner-friendly introduction to English sounds. • Graded listening materials and tasks. • Travel with English. Functional language, practical communication in international 'survival' contexts. • Revision and extension. Consolidation and development of core lessons through skills work. • Vocabulary file. Systematic vocabulary development and revision, and learning tips. • Grammar file. Self-check grammar reference in language graded for beginner level. • Word bank. An active picture dictionary for memorable study and reference. *The Slangman Guide to Dirty English* Independently Published English: An Essential Grammar is a concise and user-friendly guide to the grammar of modern English, written specifically for native speakers and based on genuine samples of contemporary spoken and written English. In the first four chapters, this book covers the essentials of English grammar, beginning with the basics and going on to deal with phrase, clause and sentence structure. A fifth chapter deals with English word formation and spelling, including problem spellings and British and American spelling variants. Features include: discussion of points that often cause problems guidance on sentence building and composition practical spelling guidelines explanation of grammatical terms a set of exercises at the end of each chapter appendix of irregular verbs. With numerous language examples bringing grammar to life, this Essential Grammar will help you read, speak and write English with greater confidence. It is ideal for everyone who would like to improve their knowledge of English grammar. Gerald Nelson is Professor in the English Department at The Chinese University of Hong Kong, and formerly Reader in the Department of English Language and Literature, University College London, UK.

The verbal section of the GRE is essentially a vocabulary test. With a few exceptions, if you know the word, you will probably be able to answer the question correctly. Thus, it is crucial that you

improve your vocabulary. Even if you have a strong vocabulary, you will still encounter unfamiliar words on the GRE. Many students write off questions, which contain words, they don't recognize. This is a mistake. This book introduces numerous techniques that decode unfamiliar words and prod your memory of words you only half-remember. With these techniques, you will often be able to squeeze out enough meaning from an unfamiliar word to answer a question correctly. Nevertheless, don't rely on just these techniques--you must study word lists. Obviously, you cannot attempt to memorize the dictionary, and you don't need to. The GRE tests a surprisingly limited number of words, and this book has 4000 prime candidates. Granted, memorizing a list of words is rather dry, but it is probably the most effective way of improving your performance on the verbal section. All the words you need for success on the GRE! Features: * 4000 Words Defined * Word Analysis section * 200 Prefixes, Roots, and Suffixes * Concise, practical definitions

Essential American English Vocabulary Word Search Puzzles (Vol 1) - School Edition Bod

The only thing more embarrassing than being called a dirty word is not knowing what it means! This humorous guide will teach you the most commonly used obscenities, insults, and curses used in the English language. The Slangman Guide to DIRTY ENGLISH offers you over 1,200 popular words and expressions, followed by a clear definition, plus two example sentences used in context. In some cases, you will find a Learn More section directly below the example sentences. This section offers helpful details on pronunciation, synonyms, variations, and special information on how to sound like an American.

Among the special features of this book are the following: each entry has at least two example sentences illustrating how the idiom is used in context in natural American English; and a new Phrase-Finder Index enables users to locate a particular idiom quickly by looking up any of its major words.

[English Language Learning with Super Support](#) JHU Press

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as

"Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

An Introduction Broadview Press

This book is an essential guide to teaching the Primary English curriculum, offering guidance on how to teach the subject, as well

as covering the theory and subject knowledge that underpins it. Covering the whole of the Primary English curriculum the book focuses in particular on less-developed aspects such as the development of spoken language, the nature and development of comprehension and the teaching and learning of grammar. Key features include: • Practical teaching sequences, strategies and activities • Classroom cameos suggest ways of delivering content through meaningful activities • Essential 'Subject Knowledge' boxes present brief exposés of essential knowledge • Subject Knowledge Quizzes enable you to self-check your knowledge • 'Insights from Research' boxes outline underpinning theory and research If you are teaching or training to teach in the primary phase then this book will help you address each area of the Primary English curriculum, covering the requirements for both Key Stage One and Key Stage Two.
