ASHER JOSIAH

Before I was Born Routledge
This book covers various aspects of New Chinese Migration in Suriname in the 1990s and early 2000s. It is an ethnography of New Chinese Migrants in the context of South- South migration, but also a first ethnography of Chinese in Suriname, as well as an analysis of Surinamese ethnic discourse and ethnopolitics. Starting in the 1990s,

renewed immigration from China changed the dynamics of the Surinamese Chinese community, which developed from a Hakka enclave to a culturally and linguistically diverse, modern Chinese migrant group. Local positioning strategies of Chinese had always depended on ethnic entrepreneurship and political participation, but were now complicated by anti-immigrant sentiments. *Chinese New Migrants in Suriname* NYU Press

Christian Book Award: ECPA Medallion of Excellence Before I Was Born emphasizes the creational goodness of our bodies, our existence as men and women, and our sexual organs. This book introduces new topics as well, including the growth and change that occur as boys and girls become men and women. It includes a tactful but direct explanation of sexual intercourse between a husband and wife. Before I Was Born explains in age-appropriate language the basic nature of sexual intercourse between a husband and wife and discusses conception, fetal development, childbirth, and breastfeeding. For children ages 5 to 8. Sex in China FAKKU

Author and researcher Dilip Rajeev discusses the esoterism of the Arab

alphabet.

Sex and Sexuality in China Routledge FINALIST FOR THE 2021 PULITZER PRIZE IN HISTORY. INSTANT NEW YORK TIMES BEST SELLER. New York Times Book Review Editors' Choice. Winner of the 2021 Randy Shilts Award for Gay Nonfiction. One of The Washington Post's Top 50 Nonfiction Books of 2020. From a young Harvard- and Cambridge-trained historian, and the Creator and Executive Producer of The Book of Queer (coming June 2022 to Discovery+), the secret history of the fight for gay rights that began a generation before Stonewall. In 1957, Frank Kameny, a rising astronomer working for the U.S. Defense Department in Hawaii, received a summons to report immediately to Washington, D.C. The Pentagon had

reason to believe he was a homosexual, and after a series of humiliating interviews, Kameny, like countless gay men and women before him, was promptly dismissed from his government job. Unlike many others, though, Kameny fought back. Based on firsthand accounts, recently declassified FBI records, and forty thousand personal documents, Eric Cervini's *The Deviant's War* unfolds over the course of the 1960s, as the Mattachine Society of Washington, the group Kameny founded, became the first organization to protest the systematic persecution of gay federal employees. It traces the forgotten ties that bound gay rights to the Black Freedom Movement, the New Left, lesbian activism, and trans resistance. Above all, it is a story of

America (and Washington) at a cultural and sexual crossroads; of shocking, byzantine public battles with Congress; of FBI informants; murder; betrayal; sex; love; and ultimately victory.

Pandra II New Growth Press

A jaw-dropping story of how a girl from the suburbs ends up in a prince's harem, and emerges from the secret Xanadu both richer and wiser At eighteen, Jillian Lauren was an NYU theater school dropout with a tip about an upcoming audition. The "casting director" told her that a rich businessman in Singapore would pay pretty American girls \$20,000 if they stayed for two weeks to spice up his parties. Soon, Jillian was on a plane to Borneo, where she would spend the next eighteen months in the harem of Prince Jefri Bolkiah, youngest brother of

the Sultan of Brunei, leaving behind her gritty East Village apartment for a palace with rugs laced with gold and trading her band of artist friends for a coterie of backstabbing beauties. More than just a sexy read set in an exotic land, *Some Girls* is also the story of how a rebellious teen found herself-and the courage to meet her birth mother and eventually adopt a baby boy.

Why Men Want Sex and Women

Need Love Arcadia Publishing

NEW YORK TIMES BESTSELLER • A

moving memoir about the legendary author's relationship with her own mother. Emma Watson's *Our Shared Shelf Book Club Pick!* The story of Maya Angelou's extraordinary life has been chronicled in her multiple bestselling autobiographies. But now, at last, the legendary author shares the deepest personal story of her life: her relationship with her mother. For the first time, Angelou reveals the triumphs and struggles of being the daughter of Vivian Baxter, an indomitable spirit whose petite size belied her larger-than-life

presence—a presence absent during much of Angelou’s early life. When her marriage began to crumble, Vivian famously sent three-year-old Maya and her older brother away from their California home to live with their grandmother in Stamps, Arkansas. The subsequent feelings of abandonment stayed with Angelou for years, but their reunion, a decade later, began a story that has never before been told. In *Mom & Me & Mom*, Angelou dramatizes her years reconciling with the mother she preferred to simply call “Lady,” revealing the profound moments that shifted the balance of love and respect between them. Delving into one of her life’s most rich, rewarding, and fraught relationships, *Mom & Me & Mom* explores the healing and love that

evolved between the two women over the course of their lives, the love that fostered Maya Angelou’s rise from immeasurable depths to reach impossible heights. Praise for *Mom & Me & Mom* “*Mom & Me & Mom* is delivered with Angelou’s trademark good humor and fierce optimism. If any resentments linger between these lines, if lives are partially revealed without all the bitter details exposed, well, that is part of Angelou’s forgiving design. As an account of reconciliation, this little book is just revealing enough, and pretty irresistible.”—The Washington Post “Moving . . . a remarkable portrait of two courageous souls.”—People “[The] latest, and most potent, of her serial autobiographies . . . [a] tough-minded, tenderhearted addition to Angelou’s

spectacular canon.”—Elle “Mesmerizing . . . Angelou has a way with words that can still dazzle us, and with her mother as a subject, Angelou has a near-perfect muse and mystery woman.”—Essence

All the Way University of Toronto Press

The Virginia & Truckee is the most famous short line railroad in American history. Brainchild of William Sharon and the Bank of California, the V&T hauled the silver and gold ore, the cordwood, and the mining timbers that made the 1870s "Big Bonanza" a reality. From the state capital at Carson City, V&T rails stretched 66 miles to Virginia City, Reno, and Minden, Nevada. Serving the transportation needs of the Comstock's nearly 40,000 inhabitants, the V&T remained in operation until 1950. The enormously successful railroad paid its

early owners handsome dividends. The V&T's ornate locomotives and cars have starred in hundreds of Hollywood productions and are now preserved in US museums. Since 1976, fourteen miles of the railroad have been restored to operation. The Virginia & Truckee has become an enduring legend.

Seattle Stairway Walks Henry Holt and Company (BYR)

CLICK HERE to download Jake and Cathy Jaramillo's favorite walk from the book, "The Olmstead Vision" (Provide us with a little information and we'll send your download directly to your inbox) * The only guidebook to stairway walks in Seattle * Explore Seattle neighborhoods in a new way with these interesting walks in Seattle * Written for people of all ages who want to get outside,

exercise, and explore Often called a “city of neighbor-hoods,” Seattle is shaped by soaring mounds like Queen Anne and Capitol Hill and by indentations such as Ravenna Ravine and Deadhorse Canyon. Weaving together the hills, bluffs, and canyons are stairs -- lots and lots of stairs. In fact, there are over 600 publicly accessible Seattle stairways within the city limits! And to explore Seattle by these stairs opens up stunning views and a whole new, intimate side of the Emerald City. *Seattle Stairway Walks: An Up-and-Down Guide to City Neighborhoods* is the city's first guidebook to 25 of the best neighborhood walks that feature public Seattle stairways. Each route description includes driving and public transit directions to the starting point, full-color

photos, a detailed map, QR codes for saving abbreviated directions on your smart phone, tips on sections that are family-friendly, suggestions for cafes and pubs for that perfect espresso and sandwich en route, fascinating sidebars on Seattle's neighborhood history and community anecdotes, and much, much more.

Your kids know about sex. But what they've gathered from TV, other kids, or the internet doesn't tell them everything or answer all of their questions. What's the Big Deal? was written to help parents provide the answers to their 8-to-12-year-olds. This book explains the basic facts about sex

and related issues such as: Why God made adults so that they want to have sex What God actually says in the Bible about sex and why it's designed for marriage The amazing changes ahead of you during puberty How to respond when you feel sexual pressure from friends, TV shows, movies, and magazines Your kids can read this book with you so you can discuss it together. This provides them the safe space to ask hard questions they might find embarrassing. The book will help kids understand what a beautiful and exciting gift from God sexuality is meant to be. Now revised and updated with: Separate chapters on puberty for boys and girls A chapter on the dangers of pornography An expanded age range (formerly 8 to 11, now 8 to 12)

The Christmas Princess Lulu.com

The definitive collection of Oregon's odd, wacky, and most offbeat people, places, and things, for Beaver State residents and anyone else who enjoys local humor and trivia with a twist.

Sex and Race, Volume 1 Puffin Books

A precursor to Mead's illuminating *Male & Female*, *Sex & Temperament* lays the groundwork for her lifelong study of gender differences. First published in 1935, *Sex & Temperament* is a fascinating and brilliant anthropological study of the intimate lives of three New Guinea tribes from infancy to adulthood. Focusing on the gentle, mountain-dwelling Arapesh, the fierce, cannibalistic Mundugumor, and the graceful headhunters of Tchambuli -- Mead advances the theory that many so-

called masculine and feminine characteristics are not based on fundamental sex differences but reflect the cultural conditioning of different societies. This edition, prepared for the centennial of Mead's birth, features introductions by Helen Fisher and Mead's daughter, Mary Catherine Bateson.

REVEALED IN THIS BOOK: * The seven types of love * The

top five things women want from men *
 What to do when the chemistry is wrong
 * What turns men and women on – and
 off! * The most common “New
 Relationship” mistakes and how to avoid
 them * How to decode “manspeak” If
 you want to get the most satisfaction
 from your relationship, or are single and
 looking for the right person, then you
 must read this book for the answer to
 Why Men Want Sex and Women Need
 Love.

Authentic Fakes Institute of Southeast
 Asian Studies

China today is sexually (and in many
 other ways) a very repressive so ciety,
 yet ancient China was very different.
 Some of the earliest surviving literature
 of China is devoted to discussions of
 sexual topics, and the sexual

implications of the Ym and Yang theories
 common in ancient China continue to
 influence Tantric and esoteric sexual
 practices today far dis tant from their
 Chinese origins. In recent years, a
 number of books have been written
 exploring the history of sexual practices
 and ideas in China, but most have ended
 the discussion with ancient China and
 have not continued up to the present
 time. Fang Fu Ruan first surveys the
 ancient assumptions and beliefs, then
 carries the story to present-day China
 with brief descriptions of homosexuality,
 lesbianism, transvestism,
 transsexualism, and prostitution, and
 ends with a chapter on changing
 attitudes toward sex in China today. Dr.
 Ruan is well qualified to give such an
 overview. Until he left China in the

1980s, he was a leader in attempting to change the repressive attitudes of the government toward human sexuality. He wrote a best selling book on sex in China, and had written to and corresponded with a number of people in China who considered him as confidant and advisor about their sex problems. A physician and medical historian, Dr. Ruan's doctoral dissertation was a study of the history of sex in China.

Sex and the Arab Alphabet Faber & Faber

Authentic Fakes explores the religious dimensions of American popular culture in unexpected places: baseball, the Human Genome Project, Coca-Cola, rock 'n' roll, the rhetoric of Ronald Reagan, the charisma of Jim Jones, Tupperware, and the free market, to name a few.

Chidester travels through the cultural landscape and discovers the role that fakery—in the guise of frauds, charlatans, inventions, and simulations—plays in creating religious experience. His book is at once an incisive analysis of the relationship between religion and popular culture and a celebration of the myriad ways in which invention can stimulate the religious imagination. Moving beyond American borders, Chidester considers the religion of McDonald's and Disney, the discourse of W.E.B. Du Bois and the American movement in Southern Africa, the messianic promise of Nelson Mandela's 1990 tour to America, and more. He also looks at the creative possibilities of the Internet in such phenomena as Discordianism, the Holy

Order of the Cheeseburger, and a range of similar inventions. Arguing throughout that religious fakes can do authentic religious work, and that American popular culture is the space of that creative labor, Chidester looks toward a future "pregnant with the possibilities of new kinds of authenticity."

Christian Book Award: ECPA Medallion of Excellence Stan and Brenna Jones help parents establish a biblical view of sexuality in their homes. Building on a biblical foundation, they discuss how to talk with your children about sexual issues and when it's appropriate to tell them what. With stark honesty and practical suggestions, they address

Building a Christian understanding of sex and sexuality
 Developing a healthy dialogue with children about sexuality
 How and when to explain sexual intercourse
 Preparing for the physical changes of puberty
 Preparing for dating: dealing with romance and sexual attraction
 Encouraging a commitment to chastity
 What to do if you're getting a late start telling your kids about sex
 Now revised and updated with helpful material on the dangers of pornography, sexual orientation, and gender identity.
God Made All of Me HarperCollins
 In *Viral Sex*, leading AIDS researcher Jaap Goudsmit illuminates the origins and nature of the world's most lethal disease. He provides an eyewitness account of science's effort to understand and control the spread of this deadly

virus, in a fascinating journey that reaches from the deepest recesses of the African rainforest, to ancient Egypt and the mummified remains of Barbary apes, to pioneering research labs in the U.S. and Europe.

A Soldier's Story Verso Books

The founding of Home Box Office in the early 1970s was a harbinger of the innovations that transformed television as an industry and a technology in the decades that followed. HBO quickly became synonymous with subscription television and became the leading force in cable programming. Having interests in television, motion picture, and home video industries was crucial to its success. HBO diversified into original television and movie production, home video sales, and international

distribution as these once-separate entertainment sectors began converging into a global entertainment industry in the mid-1980s. HBO has grown from a domestic movie channel to an international cable-and-satellite network with a presence in over seventy countries. It is now a full-service content provider with a distinctive brand of original programming and landmark shows such as *The Sopranos* and *Sex and the City*. The network is widely recognized for its award-winning, innovative and provocative programming, including dramatic series such as *Six Feet Under* and *The Wire*, miniseries such as *Band of Brothers* and *Angels in America*, comedies such as *Curb Your Enthusiasm* and *Def Comedy Jam*, sports shows such as *Inside the NFL*

and Real Sports with Bryant Gumbel, documentary series such as Taxi Cab Confessions and Autopsy, and six Oscar-winning documentaries between 1999 and 2004. In *The Essential HBO Reader*, editors Gary R. Edgerton and Jeffrey P. Jones bring together an accomplished group of scholars to explain how HBO's programming transformed the world of cable television and how the network continues to shape popular culture and the television industry. Now, after more

than three and a half decades, HBO has won acclaim in four distinct programming areas—drama, comedy, sports, and documentaries—emerging as TV's gold standard for its breakout series and specials. *The Essential HBO Reader* provides a comprehensive and compelling examination of HBO's development into the prototypical entertainment corporation of the twenty-first century.
