With compassion and compelling insight, the Pleiadians, those system-busting time-travelers from the future, take us on a journey through the uncharted lands of The Book of Earth, which comprises all human experience. While “our world goes belly-up in these most absurd of times,” they offer us “tools for survival.” During the crucial period between 1987 and 2012--a nanosecond

in the annals of existence where secrets and solutions are stored--we have the unique opportunity to move from the deepest of density to the highest of frequencies--where we shift from linear to multi-dimensional living. To make this transition, we must face not only the limitations of our 3-D world with its electronic manipulation and mind control, we must embrace our own wounds, and those of our ancestors and our leaders. To heal ourselves, to raise our frequency from one of despair and fear to one of great inspiration and love, the Pleiadians urge us to rethink and reevaluate our lives: “You shall change,

you will change, you must change, because this is the season of change.”

The Pleiadian Mission Simon and Schuster

58 people killed. 500+ people injured. Hundreds of first responders and civilians protecting and saving countless lives. Thousands of Las Vegas residents coming together to help. 19 stories about the city we love. October 1, 2017. It's a day the world will never forget, and the people of Las Vegas will always remember. One man committed an act of domestic terrorism on a crowd of unsuspecting concert attendees and changed this city forever. In the days that followed, a city that was bruised and battered proved just how strong it truly is. Blood banks had lines that never ended. Food was delivered to police

stations, fire stations, and community centers. Massages were donated to therapists helping everyone who needed someone to talk to. Vegas Strong was on buildings, signs, and t-shirts all over a city that came together in unexpected and beautiful ways. During those first few days, two authors had a late-night talk about what they could do to help, and this anthology was born. Authors who live in Las Vegas, or grew up here, were asked to write about their favorite places in Vegas or just Vegas itself. These are their Fiction and Non-Fiction stories. We hope you enjoy them and never forget that one person can make a difference or that love will always win against hate.

The Pleiadians, a collective of multidimensional beings from the Pleiades star system, have been speaking through Barbara Marciniak since 1988. Sharing new inspirations from over eight years of previously unpublished Pleiadian wisdom, Marciniak offers creative solutions for changing beliefs, reclaiming one's power, and

creating a world of unlimited possibilities. She also presents critical new material on how to deal with the world's increasing chaos and the accelerated pace of life. Consisting of profound new insights on power, fear, love, desire, health, sexual intimacy, energy, and creativity, this timely text is for those ready and willing to embrace self-empowerment, seek the truth, broaden awareness, and meet the challenges of a world on the brink of major change.

Path of Empowerment Simon and Schuster

This book tells the story of the authors personal encounters with blue-skinned beings from the Pleiades as well as other amazing encounters with strange people, places and Beings. It also tells of

the ancient extraterrestrial War between the Pleiades and the subterranean serpent race, the destruction of a civilization on Mars and a Planet called Phaeton and how our Secret History is taught in ancient Mythology around the globe. You will learn how to discern between astral entities, extraterrestrials and angelic Beings. Lessons are given on how to travel and explore the Universe with consciousness alone so that you can verify things for yourself. Finally you learn why our History and Destiny are hidden from mainstream culture. For thousands of years Planet Earth has been surrounded by a fog of ignorance, but the veils of reality are set to be lifted as we ourselves ascend in levels of consciousness rather than waiting for some outside force to fix things for us.

While the authors previous books provided exercises in raising your level of consciousness, this book allows you to enter the perspective of a higher level of consciousness.

The Light Shall Set You Free Simon and Schuster

Facing the Shadow, Embracing the Light: A Journey of Spirit Retrieval and Awakening is the story of one woman's induction into the world of extraterrestrials, flying saucers, shadow government operations and finally, her own transformation. Through trying to understand what happened to her, with the larger context of such activities even more disturbing than the trauma and abuse inflicted upon her personally, she comes to remarkable insights into the crucible that is our world today as she

takes her own spiritual journey of personal healing.

- Bestselling author Barbara Hand Clow examines legendary cataclysms and shows how we are about to overcome the collective fear they have instilled in us.
- The long-awaited follow-up that continues the revelations begun in *The Pleiadian Agenda*, which has sold more than 60,000 copies.
- Explains why, contrary to many prophets of doom, we are actually on the cusp of an era of incredible creative growth. The recent discovery of the remains of ancient villages buried beneath the Black Sea is the latest instance of mounting evidence that many of the "mythic" catastrophes of history--the fall of Atlantis, the Biblical

Flood--were actual events. In *Catastrophobia* Barbara Hand Clow shows that a series of cataclysmic disasters, caused by a massive disturbance in the Earth's crust 11,500 years ago, rocked the world and left humanity's collective psyche permanently scarred. We are a wounded species, and this unprocessed fear, passed from generation to generation, is responsible for our constant expectations of apocalypse, from Y2K to the famed end of the Mayan calendar in 2012. *Catastrophobia* reveals the insidious global forces that have used these collective fears to control humanity for thousands of years. But we are in the midst of a tremendous shift in the Earth's 26,000-year precessional cycle, and there is every indication that

the changes in consciousness over the last 30 years are the beginnings of a collective healing from these deep fears, heralding a new age where we will see that the era of cataclysms is ending and a time of extraordinary creative activity is at hand.

- Reveals how you no longer need to “heal” emotional wounds to be fifth dimensional and shares practices to transform and transmute emotions instantly
- Explores many spiritual tools and transformative shortcuts, such as activating meditations, sound healing, and crystals, along with channeled wisdom and advanced insights from angels and other higher beings
- Shares meditations to clear out old emotional wounds, activate the pineal gland,

manifest with crystals, discover your sixth sense, and open yourself to communication with higher intelligence, as well as a new chakra meditation based on the Divine Feminine spiral. Humanity is shifting into the fifth dimension, but the transformation will not be a linear process. Our evolution follows a sine wave, moving from ideal expressions back to old familiar ones then on to even higher ideal expressions. It is the same with the shift to 5D. In this guide to anchoring yourself in 5D consciousness, Maureen St. Germain explores many tools and shortcuts to help you understand and master your own circumstances. She explains how to identify the progress you have made on the path of ascension and looks at ways to detach from the old

paradigms of 3D reality. She reveals how you no longer need to “heal” emotional wounds through long processes in order to be fifth dimensional, and she shares practices to transform and transmute emotions instantly so they can be released and resolved into their highest expression. Maureen addresses concerns such as the electrification of the planet, showing how you can work around EMFs and other kinds of unseen toxicity. She also shares a revolutionary new chakra meditation based on the Divine Feminine spiral, which progresses from the heart chakra outward. With this book you can learn fluid ways of thinking, doing, and vibrating to open the portals of light within yourself as well as in the fifth dimension.

Compiled from more than four hundred hours of channeling by Barbara Marciniak, *Bringers of the Dawn* imparts to us the wisdom of the Pleiadians, a group of enlightened beings who have come to Earth to help us discover how to reach a new stage of evolution. Master storytellers and humorists, they advise us to become media free, to work in teams, and to eliminate the words "should" and "try" from our vocabularies. We learn how to go beyond fear, how the original human was a magnificent being with twelve strands of DNA and twelve chakra centers, and who our "gods" are. Startling, intense, intelligent, and controversial, these teachings offer essential reading for anyone questioning their existence on this planet and the direction of our collective conscious--and

unconscious. By remembering that we are Family of Light, that we share an ancient ancestry with the universe around us, we become "bringers of the dawn," consciously creating a new reality, a new Earth.

[Activating Your Cosmic Potential](#) Simon and Schuster

Exposes the agenda behind the bio-robotic grey aliens' genetic manipulation of certain human races • Reveals the Grey's nature as sophisticated self-aware machines created by a long vanished extraterrestrial civilization • Explains how their quest to capture human souls appears in the historical record from biblical times • Explains how the phenomenon of racism is a by-product of their genetic tampering In 1997 Nigel Kerner first introduced the

notion of aliens known as Greys coming to Earth, explaining that Greys are sophisticated biological robots created by an extraterrestrial civilization they have long since outlived. In this new book Kerner reveals that the Greys are seeking to master death by obtaining something humans possess that they do not: souls. Through the manipulation of human DNA, these aliens hope to create their own souls and, thereby, escape the entropic grip of the material universe in favor of the timeless realm of spirit. Kerner explains that genetic manipulation by the Greys has occurred since biblical times and has led to numerous negative qualities that plague humanity, such as violence, greed, and maliciousness. Racism, he contends, was developed by the aliens to prevent their

genetic experiments from being compromised by breeding with others outside their influence. Examining historical records, Kerner shows that Jesus, who represented an uncorrupted genetic line, warned his disciples about the threat posed by these alien interlopers, while Hitler, a pure product of this alien intelligence, waged genocide in an attempt to rid Earth of all those untouched by this genetic tampering. Despite the powerful grip the Greys have on humanity, Kerner says that all hope is not lost. Greys exist wholly in the material world, so if we follow the spiritual laws of reincarnation and karma, aiming for enlightenment and rising above the material--a state the Greys are unable to reach--we can free ourselves from their grasp.

Introduction by the Pleiadians We call ourselves Pleiadians. And by way of an introduction, let us say that we are journeyers through time and multiple dimensions. We are a curious group intent upon exploring the nooks and crannies of existence, traipsing over cosmic hill and dale in search of answers to the majestic mysteries of life. All of existence is a vast web of energy, and there are seemingly endless and dazzling directions, connections, events, and entertaining diversions to explore. However, at present we are most earnestly focused on a specific place and time - Earth from the year 1987 through 2012 and after... It appears that during this period this location safeguards the

probability of a triumphant achievement where, for a short while, some of the majestic mysteries of life are realized and revealed. We are here to observe and participate in the greatness of this event. Our perspectives are multidimensional in range and scope, for we are a wondrous collective of conscious energies who are intentionally expanding our beliefs about the nature of existence throughout many points in time. The heavens are filled with life, and in our search for knowledge and greater understanding of who we are, our journey has led us to you. Earth is currently experiencing a tumultuous transformation of consciousness, the likes of which you have no recorded historical precedent for. Yet, within the corridors of human cellular memory,

many images stir with a hint of strange familiarity. You are deeply immersed in a time of critical change; humanity is poised at the threshold of a new understanding of cosmic power. Naturally, many of us wonder what you will do with this knowledge. In other epochs of time, the nature of this power has been misunderstood and subsequently misused, inevitably leading the way to your self-destruction. Nevertheless, the immense cycles of living and seasons of learning continue to patiently offer the same lessons, for while life may appear to be destroyed, consciousness is ever enduring and only changed in form. Humanity is rapidly approaching the edge of the great cosmic cliffs of consciousness. What you do now, the choices you make, will

determine a course of experience more complex and astounding than you can currently imagine. The dawning of a new revolution in consciousness is at hand. You cannot escape the necessity to manage this power: now or ever. In light of our adventurous spirit, we are here to share our perspectives on your rapidly changing lives, and to offer our support, as well as a few timely suggestions on managing the massively accelerated energies that silently stir your planet.
