 Buy The Web Game Developer's Cookbook: Using JavaScript and HTML5 to Develop Games (paperback) (Game Design) 01 by Evan Burchard (ISBN: 9780134788333) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders.
 The Web Game Developer's Cookbook: Using JavaScript and ...
 The Web Game Developers Cookbook is great. Here's what you can expect: A general process for building different kinds of games, introductions to game design terminology and tools, working code examples and lots of how-tos. What was most instrumental to me is the use of game engines throughout the various games. They really help you get stuff done.
