#1 NEW YORK TIMES BESTSELLER • In her latest book, Brené Brown writes, “If we want to find the way back to ourselves and one another, we need language and the grounded confidence to both tell our stories and be stewards of the stories that we hear. This is the framework for meaningful connection.” In *Atlas of the Heart*, Brown takes us on a journey through eighty-seven of the emotions and experiences that define what it means to be human. As she maps the necessary skills and an actionable framework for meaningful connection, she gives us the language and tools to access a universe of new choices and second

chances—a universe where we can share and steward the stories of our bravest and most heartbreaking moments with one another in a way that builds connection. Over the past two decades, Brown’s extensive research into the experiences that make us who we are has shaped the cultural conversation and helped define what it means to be courageous with our lives. *Atlas of the Heart* draws on this research, as well as on Brown’s singular skills as a storyteller, to show us how accurately naming an experience doesn’t give the experience more power—it gives us the power of understanding, meaning, and choice. Brown shares, “I want this book to be an atlas for all of us, because I believe that, with an adventurous heart and the right maps, we can travel anywhere and never fear losing ourselves.”

finding success and happiness without a college degree by Ken Rusk, the Ohio-based entrepreneur and “million-dollar ditch digger” who believes it is time to celebrate the possibilities and financial opportunities that a Blue-Collar life can bring. A BLUE-COLLAR APPROACH TO CREATING A LIFE YOU LOVE In a period of skyrocketing student loan debt without the promise of high-paying employment, and in an economy in desperate need of skilled tradespeople, many are seeking new paths. Ken Rusk, the “million-dollar ditch digger,” is here to show you that blue-collar trades are a source of pride and that you can—and will—find your version of happiness by pursuing a good old-fashioned craft. In *Blue Collar Cash*, Ken shares his insights from over 30 years working in blue collar trades as an entrepreneur, mentor, and life coach. Ken knows from his own experience—first as a young kid digging ditches, and then as the owner of a successful concrete construction business—that working with your hands at a job that takes skill and practice can be monumentally rewarding and life-affirming. Since then, he has built a multi-million-dollar business and gone on to mentor hundreds of employees in how to manage their money and set achievable goals. Using the stories of those who have discovered lives of comfort, peace, and freedom, Ken creates a step-by-step, interactive guide—including financial planning and savings advice—to creating alternative and realistic routes to success and fulfillment.
