Sportsman's Connection's Western  
Pennsylvania All-Outdoors Atlas & Field  
Guide contains maps created at twice the  
scale of other road atlases, which means  
double the detail. And while the maps are  
sure to be the finest quality you have ever  
used, the thing that makes this book  
unique is all the additional information.  
Your favorite outdoor activities including  
fishing lakes and streams, hunting,  
camping, hiking and biking, snowmobiling  
and off-roading, paddeling, skiing, golfing  
and wildlife viewing are covered in great  
depth with helpful editorial and extensive

tables, which are all cross-referenced and indexed to the map pages in a way that's fun and easy to use.
