2020 CFA(R) Program Level II - 25th HOUR NOTES - Createspace Independent Publishing Platform
 CFA 2025: Level 1- Economics. Time to take smart decisions. This all-inclusive book will help you master the economic fundamentals you need to pass the CFA exam. Complete whole Economics material for CFA L1 in just one week. This book provides a straightforward and easy-to-understand examination of both microeconomics and macroeconomics, with the goal of simplifying otherwise

daunting economic ideas. It covers all the topics precisely yet comprehensively. No need to be worried about CFA now. All topics are comprehensively covered with a great preciseness. Master the ins and outs of economics, including supply and demand, market dynamics, growth, and monetary policy. Key features of the book
 Clear explanations of complex topics
 Sufficiently in-depth coverage
 Easy to understand language and targeted precision
 If you are a professional Finance expert or a nascent student aspiring to a career in investment management, this book is a good companion for both. Achieve

mastery of the economic concepts that power the financial markets by "CFA Level 1: Economics for 2025."

Comprehensively rewritten from the ground up The CFA Insights book you see today is an evolution of an Analysis Report we have been publishing since the start of 300 Hours. Originally meant as a short report showing the analytical results from the thousands of entries through our CFA Results Analyzer, we realised that there was so much more that readers needed and could benefit from. We didn't just want to show our readers the results, but pass on all our knowledge to them. So two years ago, we started a rewrite process not just to convey the results of five years' worth of data analysis, but also to include every bit of important advice we have learnt as a team through our experience in the CFA program. We've learnt from previous versions, incorporated reader feedback, and applied the best of what we can offer into this new book. One guide for the entire CFA program Most CFA material is designed for one specific CFA level. Not us - we like to take care of you from the start, and way after you've obtained your charter. CFA Insights is not only written for all three CFA levels, but also contains a ton of additional useful content beyond just the CFA exams. The CFA Insights guide starts becoming useful right from the point you start thinking about the CFA program, and covers advice on how to make the most of your CFA charter after you've obtained it, and your post-CFA career. Years of analytical data. Decades of personal CFA exam experience. CFA Insights includes analytical results from literally tens of thousands of actual CFA results, submitted by our readers over

the years. Through these data points, we've been able to estimate past Minimum Passing Scores (MPS), show when and how candidates prepare for their CFA exams, analyzing performance by topic area, including what makes the difference between passing and failing candidates. In addition, the guide contains the best tips from our own experience across the 300 Hours team - a unique team where all of us have completed the CFA program. From just considering whether the CFA program is for you, to receiving your CFA charter and making the most of it, we have combined our collective experience into one guide you can use throughout your CFA journey. Exclusive content, combined with the best of 300Hours.com The guide has a ton of exclusive content, including our CFA Results Analyzer analytical results (such as MPS estimates and topic area analysis), deep-dive guides for each CFA level, and study schedule recommendations for every type of candidate profile. CFA Insights also blends in from some the best content from 300Hours.com, including our ever-popular online Guides, rewritten and reedited clearly for the guide. The result is an all-in-one guide that combines the best of everything we've done, condensed into one easy-to-read book.

CFA Level III Core Content Summary Books description ● Summarize most vital concepts from each reading ● Key formulas and facts ● 25th Hour Notes can be used on a 'stand-alone' basis if you are time-constrained. The 25th HOUR NOTES is based on Pareto's 80-20 rule according to which 80% of the exam questions are likely to be based on 20% of the curriculum. Hence this course focuses on the 20% material which is most testable. We call this the "25th Hour Notes" because your investment

(time and money) is low but the potential return (passing the exam) is high! Many candidates complain that they forget material covered earlier. The 25th HOUR NOTES addresses this problem by helping you to quickly revise key concepts. Condition ●All new and unused books. ●High quality material. ●100% Money back guarantee if not satisfied with the quality.

CFA Fundamentals

This is world's shortest CFA Level III core content summary. Despite its length of only 129 pages, the book covers all the core LOS's at CFA Level III, Study Session 3 through 17. (Not included: ethics, AMC, and GIPS). More important, the content has been benchmarked to ensure that its breadth and level of details are adequate for the exam. The following materials were used to benchmark the book's content: a) 2005-2008 actual CFA Level III exam morning session problems, b) CFAI mock afternoon exam, c) Boston mock exam, d) 6 full length Schweser practice exams, e) all problems (concept checkers and self-tests) in Schweser Notes, and f) all

problems (concept checkers and case studies) of Schweser 16-week on-line sessions. In addition, to suit the unique essay question format, the book extensively uses phrases and short sentences that can be directly used in the exam. This means less writing during the exam. In short, it is the most efficient review book for the CFA Level III exam.
