Principles Of
Finance With
Excel"Principle
s of Finance
with Excel is
simply the
best book
available for
teaching
financial
principles

using Excel.

Its main

competitors

don't even

come close."--

Steve Slezak,

Cal Poly "I use

Principles of

Finance with

Excel because

I am really

convinced that

Excel is an

extraordinary

tool to teach

finance. First,

it helps

painlessly

solve

problems that

involve

tedious

computations.

Principles of

Finance with

Excel:

97801902963

84: Economics

...Principles of

Finance with

Excel is the

first finance

text that

comprehensiv

ely integrates

Excel into the

teaching and

practice of

finance.

Finance is

inherently a

topic requiring

lots of

computation

and in today's business world this computation is almost wholly carried out in Excel. Principles of Finance with Excel by Simon Z. Benninga "Principles of Finance with Excel is simply the best book available for teaching financial principles using Excel. Its main competitors don't even come close." -- Steve Slezak, Cal Poly "I use Principles of Finance with Excel because I am really convinced that Excel is an extraordinary tool to teach finance.
