Do you find it difficult to initiate or sustain conversations even when they serve your best interest? Are there times you wished you had effective communication skills to help you build connection with people you encounter and find interesting? Do you wish to learn the simple strategies needed to improve on your personality in ways that would help you become far more charismatic, likable, and interesting to attract the friendship and admiration of colleagues, acquaintances, and even strangers you come in contact with? Would you like to make people like you straight away AND NOT HAVE TO COMPROMISE YOUR IDENTITY? As humans, we are social in nature; which means we aren't designed to live in isolation. However, making the most of our daily encounters with people by transforming some of these meetings into worthwhile friendships, and equally thriving in this modern society requires some special kinds of skill set. These skills, which are both verbal and nonverbal in nature, are the tools needed to activate the kind of interpersonal relationships that are necessary to get things done, provide career-development opportunities, build friendships and spark up love interests. There is ample evidence from science that social relationships are a better determinant of success than intellect or talent. In this simple and hands-on guidebook, you will discover highly effective strategies that will help you develop awesome relationships, better connections, and leave a positive & enduring imprint on everybody you come in contact with. Equip yourself with the right qualities and skill set needed to effortlessly win the admiration of people. In *HOW TO MAKE FRIENDS*, you will discover: Why first impressions matter so much, and effective ways of creating a great first impression The best way to begin EVERY conversation Steps to take to give your ideas improved chances of acceptability The importance of names in conversation dynamics, and how best to recall people's names The most effective way to give compliments A systematic way of developing an attractive personality The guaranteed method of building trust quickly Simple hacks that can increase your persuasiveness tremendously ...and a lot more. Great people skills, in lots of cases, is what determines if a lone subway ride ends up being fun and memorable for you, or turns out like the previous forgettable trips; regardless of how many people are riding in the train with you. It could determine who gets a raise and who gets fired; who gets repeat customers and who struggles with customer retention. The benefits of having sound communication skills are infinite, and it would do you a world of good to possess these skills. Don't fly blind anymore -- learn the people skills needed to succeed at the highest levels of interpersonal relationship, and you will be certainly glad you did. The Instant-Series Presents "Instant Friendship" How to Make Friends Instantly! It's the weekend...finally! You've made it! You've been working long and hard all week, and now you're ready to unwind. Just as you're about to enjoy yourself, that feeling of accomplishment turns into disappointment almost immediately as you get depressed. Why is that? It's because you have no friends! You have no friends to call up on. You have no friends to go out with or want to hang out with YOU. How come? It could be because you never really were the extroverted social type growing up with the opportunity to develop your social skills; you and your friends have grown apart due to time or new life priorities; or perhaps you have just relocated without knowing anybody and have to rebuild your social circle from scratch. As much as you would still like to go out, you're afraid to go out by yourself feeling the dreaded social anxiety and from not knowing how to meet and make friends! So rather than going out - you stay in being glued to Netflix, wasting time on Facebook looking at all the posted images of the wonderful nights others are having, and wishing you could be a part of that! Thus, the real questions we should be asking: Are you feeling sick and tired of being lonely not having anybody to hang out with? Are you jealous of other people who always seem to have fun when they're out? Are you secretly envious of the folks who always have exciting things to do with their friends? If you ARE, you can develop instant friendships now! Within "Instant Friendship": \* How to determine your current friendability level in order to calibrate your social interaction in making friends. \* How to meet new people and where to meet them with all the friendly tricks of the trade that you'll need. \* How to cold approach random strangers and go from first meeting to progressing into a real friendship step-by-step. \* How to be the social butterfly you always wanted to be to explode your social life exponentially to the next level. \* How to maintain your friendships once they're established so all the effort put into them don't go to waste. \* Plus, custom practical "how-to" strategies, techniques, applications and exercises on how to get friends. ...and much more. Now it's the time to STOP feeling like you're missing out on life, trapped indoor to your loneliness while everybody else is out being social, enjoying life, and having memorable great times with their friends. Experience that now! Reclaim and live the good life now! Time for you to make new friends!

Danielle needs a perfect friend, but sometimes making (or creating) one is a lot easier than keeping one! Sometimes making a friend is a lot easier than keeping one! Sixth grade was SO much easier for Dany. All her friends were in the same room and she knew exactly what to expect out of life. Now that she's in seventh grade, she's in a new middle school, her friends are in different classes and forming new cliques, and she is totally, completely lost. What Dany really needs is a new best friend! So when she inherits a magic sketchbook from her eccentric great-aunt in which anything she sketches in it comes to life, she draws Madison, the most amazing, perfect, and awesome best friend ever. The thing is, even when you create a best friend, there's no guarantee they'll always be your best friend. Especially when they discover they've been created with magic!

*We Should Get Together* is the handbook for anyone who's ready for better friendships, now. Have you recently moved to a new city and are struggling to make friends? Do you find yourself constantly making plans with friends that fall through? Are you more likely to see your friends' social media posts than their faces? You aren't alone. Millions of adults struggle with an uncomfortable and persistent ache: platonic longing, which is the unfulfilled wish for authentic, resilient, close friendships. But it doesn't have to be this way. Making and maintaining friendships during adulthood can be hard--or, with a bit of intention and creativity, joyful. Author Kat Velloso, experience designer and founder of *Better Than Small Talk*, tackles the four most common challenges of adult friendship: constant relocation, full schedules,

the demands of partnership and family, and our culture's declining capacity for compassion and intimacy in the age of social media. Combining expert research and personal stories pulled from conversations with hundreds of adults, *We Should Get Together* is the modern handbook for making and maintaining stronger friendships. With this book you will learn to: Make and maintain friendships when you (or your friends) keep moving Have deeper and more meaningful conversations Triumph over awkwardness in social situations Become less dependent on your phone Identify and prioritize quality connections Find time for friendship despite your busy calendar Create closer, more durable friendships Full of relatable stories, practical tips, 60 charming illustrations, 55 suggested activities, a book club discussion guide, and 300+ conversation starters, *We Should Get Together* is the perfect book for anyone who wants to have dedicated, life-enriching friends, and who wants to be that kind of friend, too.
