#1 NEW YORK TIMES BESTSELLER • Jake Brigance is back! The hero of *A Time to Kill*, one of the most popular novels of our time, returns in a courtroom drama that *The New York Times* says is "riveting" and "suspenseful." Clanton, Mississippi, 1990. Jake Brigance finds himself embroiled in a deeply divisive trial when the court appoints him attorney for Drew Gamble, a timid sixteen-year-old boy accused of murdering a local deputy. Many in Clanton want a swift trial and the death penalty, but Brigance digs in and discovers that there is more to the story than meets the eye. Jake's fierce commitment to saving Drew from the gas chamber puts his career, his financial security, and the safety of his family on the line. In what may be the most personal and accomplished legal thriller of John Grisham's storied career, we deepen our acquaintance with the iconic Southern town of Clanton and the vivid cast of characters that so many readers know and cherish. The result is a richly rewarding novel that is both timely and timeless, full of wit, drama, and—most of all—heart. Bursting with all the courthouse scheming, small-town intrigue, and stunning plot twists that have become the hallmarks of the master of the legal thriller, *A Time for Mercy* is John Grisham's most powerful courtroom drama yet. There is a time to kill and a time for justice. Now comes *A Time for Mercy*.

Their

parents announce it's time for separate bedrooms. Jake starts hanging out with a pack of boys on the block. And Lily is devastated, not to mention angry. Who is she without Jake? Charlie and Margaret discover the dark side of Hollywood in Jake Tapper's follow-up to *New York Times* bestseller *The Hellfire Club*—an "excellent" cocktail of corruption and ambition (*Publishers Weekly*). Charlie and Margaret Marder, political stars in 1960s Washington DC, know all too well how the tangled web of power in the nation's capital can operate. But while they long to settle into the comforts of home, Attorney General Robert Kennedy has other plans. He needs them to look into a potential threat not only to the presidency, but to the security of the United States itself. Charlie and Margaret quickly find themselves on a flight to sunny Los Angeles, where they'll face off against a dazzling world of stars and studios. At the center of their investigation is Frank Sinatra, a close friend of President John F. Kennedy and a rumored mob crony, whom Charlie and Margaret must befriend to get the inside scoop. But in a town built on illusions, where friends and foes all look alike, nothing is easy, and drinks by the pool at the Sands and late-night adventures with the Rat Pack soon lead to a body in the trunk of their car. Before they know it, Charlie and Margaret are being pursued by sinister forces from Hollywood's stages to the newly founded Church of Scientology, facing off against the darkest and most secret side of Hollywood's power. As the Academy Awards loom, and someone near and dear to Margaret goes missing, Charlie and Margaret find the clock is not only ticking but running out. Someone out there knows what they've uncovered and can't let them leave alive. Corruption and ambition form a deadly mix in this fast-paced sequel to *The Hellfire Club*.
