Named one of the “Best Children’s Books of 2019” by Parents magazine, this funny, clever picture book tells the true story of how Pencil and Eraser became the best of friends. When Pencil draws on the pages of this book, Eraser erases parts of Pencil’s work, and the book itself becomes a canvas for their different

takes on creativity—until the two discover their artwork is even better when they work together. From Karen Kilpatrick, Luis O. Ramos, Jr., and illustrator Germán Blanco, *When Pencil Met Eraser* brings to life something kids use every day at school and at home. Engaging art, adorable characters, and a clever ending create a memorable message about friendship and creativity. An Imprint Book

Sleepy little monkey won't get out of bed. Mama called the Doctor and the Doctor said: "Apple Juice, Orange Juice, Gooseberry Pies -- Monkey

needs some exercise!" Sleepy little monkeys everywhere will clap, stomp, shake, and cheer -- while chanting this rhythmic, energetic dance song based on a popular playground game. And as they move their heads, hands, hips, and feet -- everyone will be bursting with clapping energy -- and ready to start a new day! With humor, high energy, and Bill Martin Jr's trademark rhythm and rhyme, young

readers will learn to name parts of the body. And the book makes a perfect exercise warm-up to start off a busy day of school! Noah, Noah, What Do You See? Henry Holt and Company (BYR) The renowned Caldecott Honoree and illustrator of Chicka Chicka Boom Boom provides a moving, intimate, and inspiring inside look at her colorful picture book career. Lois Ehlert always

knew she was an artist. Her parents encouraged her from a young age by teaching her how to sew and saw wood and pound nails, and by giving her colorful art supplies. They even gave her a special spot to work that was all her own. Today, many years and many books later, Lois takes readers and aspiring artists on a delightful behind-the-scenes tour of her books and her book-making

process. Part fascinating retrospective, part moving testament to the value of following your dreams, this richly illustrated picture book is sure to inspire children and adults alike to explore their own creativity. Macmillan
