Then circumstances drew her back to Chicago, and she stayed to keep it safe. With shifter Connor Keene, the only son of Pack Apex Gabriel Keene, at her side, she faced down a supernatural evil that threatened to destroy Chicago forever. After the dust from the attack has settled, Elisa is surprised when Connor invites her to a usually private Pack event in the north woods of Minnesota, and by the warm welcome she receives from some of Connor's family, even though she's a vampire. But the peace doesn't last. The shifters tell tales of a monster in the woods, and when the celebration is marred by death, Elisa and Connor find themselves in the middle of a struggle for control that forces Elisa to face her true self—fangs and all.
