At the beginning of war in 1877, the Nez Perce were vilified in the press. The Last Indian War Most Nez Perce land was infertile, so another decade passed before settlers began moving in. Then followed years of intimidation and worthless treaties that steadily shrank the tribe's territory. Ordered to a reservation outside their lands in 1877, many members refused and took their families, horses and cattle on a legendary 1,500-mile flight toward Canada.
