grows up, eventually  
leaving home and  
starting a stick family  
of his own.

### **Papa Gave Me a**

**Stick** Alfred Music

To most of us, learning  
something "the hard  
way" implies wasted  
time and effort. Good

teaching, we believe,  
should be creatively  
tailored to the different  
learning styles of  
students and should  
use strategies that  
make learning easier.  
Make It Stick turns  
fashionable ideas like  
these on their head.  
Drawing on recent  
discoveries in cognitive  
psychology and other  
disciplines, the authors  
offer concrete  
techniques for  
becoming more

productive learners. Memory plays a central role in our ability to carry out complex cognitive tasks, such as applying knowledge to problems never before encountered and drawing inferences from facts already known. New insights into how memory is encoded, consolidated, and later retrieved have led to a better understanding of how we learn. Grappling with the impediments that make learning challenging leads both to more complex mastery and better retention of what was learned. Many common study habits and practice routines turn out to be counterproductive. Underlining and highlighting, rereading, cramming, and single-minded repetition of

new skills create the illusion of mastery, but gains fade quickly. More complex and durable learning come from self-testing, introducing certain difficulties in practice, waiting to re-study new material until a little forgetting has set in, and interleaving the practice of one skill or topic with another. Speaking most urgently to students, teachers, trainers, and athletes, *Make It Stick* will appeal to all those interested in the challenge of lifelong learning and self-improvement.

**Stick to Your Vision**  
Penguin

After being in New Zealand for only five days, the English Chamberlain family vanished into thin air. Thirty year later, the remains of the eldest

Chamberlain child are discovered in a remote part of the West Coast, showing he lived in the wilderness for four years. Where is the rest of the family? Up on the highway, the only evidence that the Chamberlains had ever been there was two smeared tire tracks in the mud leading into an almost undamaged screen of bushes and trees. No other cars passed that way until after dawn. By that time the tracks had been washed away by the heavy rain. After being in New Zealand for only five days, the English Chamberlain family had vanished into thin air. The date was 4 April 1978. In 2010 the remains of the eldest Chamberlain child are discovered in a remote part of the West Coast, showing

he lived for four years after the family disappeared. Found alongside him are his father's watch and what turns out to be a tally stick, a piece of scored wood marking items of debt. How had he survived and then died? Where is the rest of the family? And what is the meaning of the tally stick?

When Antonio sees the members of the Mariachi band play, he wants nothing more than a guitar of his own. But guitars cost money, explains his father, who hands Antonio a stick instead. Confused and upset, Antonio resentfully accepts his father's gift. He heads off, unknowingly starting a chain of exchanges that may, miraculously,

earn him what he wants most.

Columbia University Press

A stick is just a stick, that is until animals and humans discover they make effective tools and amusing toys.

Big Stick Rizzoli Publications

It's tough fitting in when you're born to stick out! Stick Boy has just moved to Little Town, where there's a mysterious plot underway involving the suspicious HomeBots. Can Stick Boy and his friends uncover the evil plan behind it all before it's too late?

*Two-Man Team*

Penguin

From the diaries she kept as an 11-year-old, the author's wry, perceptive account of her near-fatal struggle

with anorexia nervosa is told with an unguarded openness not seen since Susanna Kaysen's "Girl Interrupted." Stick Figure" has been option for film by Martin Scorsese's De Fina/Cappa Productions.

*A Stick Until...* Simon and Schuster

FRIENDS TILL THE END

The victim was dubbed an unpleasant old turkey buzzard and, truthfully, few mourned the passing of elderly Althea Boatright. After all, the cantankerous old biddy had recently run down a pedestrian with her car, due to poor eyesight and her little dog tangled at her feet. Ogeechee, Georgia, police officer Trudy Roundtree had the dubious honor of confiscating Althea's driver's license—and,

sadly, regarding her lifeless body beside her bathtub. An accident, obviously. But Althea's longtime friends Lulu, Martha and Ellen disagree. The telltale clue: a walking stick, found near the body, that wasn't Althea's. Trudy can only keep an eagle eye on the bridge-club bunch as they set out to prove Althea was murdered...and why. But before long, she joins their investigation, as shocking revelations about Althea's past and present expose secrets worth killing for. "A charming much ado about little in the small-town South that will appeal to fans of folksy cozies..."—Library Journal

 Stick and Stone are both lonely until Pinecone's teasing causes one to stick up for the other, and a solid friendship is formed. 50,000 first printing.  
*Red Stick Men* Star Bright Books  
 One wrongful arrest ruined Kris Xappa's image-and made his NHL team look bad. Now, with orders to keep his head down, the last thing he needs is to develop feelings for his younger teammate-and best friend's brother. The fact that he can't stop thinking about their one illicit kiss doesn't mean anything. Rory Stanton is perfectly capable of taking care of himself and doesn't need his brother's best friend keeping an eye

on him. Sure, he likes having Kris's attention, but he'd rather have it for entirely different reasons. Too bad that one kiss they shared wasn't enough to convince Kris to take a chance on him. When an injury lands Rory in Kris's care, will these teammates be able to see past the obstacles to become a two-man team?

**Atomic Habits** One Point Six Technologies Pvt Ltd  
Sober Stick Figure is a memoir from stand-up comedian Amber Tozer, chronicling her life as an alcoholic and her eventual recovery - - starting with her first drink at the age of seven -- all told with the help of childlike stick figures. Amber writes and illustrates the crazy and harsh truths of being raised

by alcoholics, becoming one herself, stagnating in denial for years, and finally getting sober. As a teenager, Amber is an overachieving student athlete who copes with her family's alcoholic tragedies by focusing on her achievements. It quickly takes a funny and dark turn when she starts to experiment with booze and ignores the warning signs of alcoholism. Through blackouts, cringe-worthy embarrassments, and pounding hangovers, she convinces herself that she "just likes to party." She leaves her hometown of Pueblo, Colorado to follow her dreams, and ends up in New York City, spending lots of time binge drinking, passing out on trains, and

telling jokes on stage. She then moves to Los Angeles, thinking sunshine and show business will save her. Eventually hitting rock bottom, she has a moment of clarity, and knows she has to stop drinking. It's now been seven years since that last drink, and she's ready to tell her story. Sober Stick Figure is adventurous, hilarious, sad, sweet, tragic -- and ultimately inspiring.

### The Measure

Entangled: Embrace  
Fourteen-year-old

Stark McClellan (nicknamed Stick because he's tall and thin) is bullied for being "deformed" - he was born with only one ear. His older brother Bosten is always there to defend Stick. But the boys can't defend one another from their abusive parents. When Stick realizes Bosten is gay, he knows that to survive his father's anger, Bosten must leave home. Stick has to find his brother, or he will never feel whole again. In his search, he will encounter good people, bad people, and people who are simply indifferent to kids from the wrong side of the tracks. But he never loses hope of finding love - and his brother.

### **Sober Stick Figure**

Yale University Press  
A celebration of the

power of imagination from the Theodor Seuss Geisel Honor Award-winning creator of Not a Box Experience the thrill of the moment when pretend feels so real that it actually becomes real! Following the critically acclaimed Not a Box, this book proves that a stick is not always just a stick. Whether it's conducting an orchestra, painting a masterpiece, or slaying a dragon—give a child a stick and let imagination take over and the magic begin. Seeing Like a State HarperCollins First published in 1890 with Chapters on Quarter-Staff, Bayonet, Cudgel, Shillalah, Walking-Stick, Umbrella, and Other Weapons of Self-Defence.

Stick Univ. Press of Mississippi A practical and empowering guide to public speaking and becoming a more effective, persuasive communicator in all areas of life. The world is full of brilliant people whose ideas are never heard. This book is designed to make sure that you're not one of them. Even for the most self-confident among us, public speaking can be a nerve-racking ordeal. Whether you are speaking to a large audience, within a group, or in a one-on-one conversation, the way in which you communicate ideas, as much as the ideas themselves, can determine success or failure. In this invaluable guide from two of today's most

sought-after communication experts, you'll learn to master three core principles that you can apply in a wide variety of situations: Content: Construct a clear and lucid architecture of ideas that will lead your listener through a memorable emotional experience. Delivery: Use your voice and body in ways that engage your audience and naturally support your message. State: Bring yourself into peak performance condition. The way you feel when you perform is the most frequently overlooked component of communication. Accessible, inspiring, and laden with useful tips, *As We Speak* will help you discover your authentic voice and learn to convey your ideas in the most

powerful and unforgettable way possible.

*Stick Kid* World Editions  
 From "one of the greatest writers of our time" (Toni Morrison)—the author of *Barracoon* and *Their Eyes Were Watching God*—a collection of remarkable stories, including eight "lost" Harlem Renaissance tales now available to a wide audience for the first time. New York

Times' Books to Watch for BuzzFeed's Most Anticipated Books Newsweek's Most Anticipated Books Forbes.com's Most Anticipated Books E!'s Top Books to Read Glamour's Best Books Essence's Best Books by Black Authors In 1925, Barnard student Zora Neale Hurston—the sole black student at the college—was living in New York, “desperately striving for a toe-hold on the world.” During this period, she began writing short works that captured the zeitgeist of African American life and transformed her into one of the central figures of the Harlem Renaissance. Nearly a century later, this singular talent is recognized as one of the most influential

and revered American artists of the modern period. Hitting a Straight Lick with a Crooked Stick is an outstanding collection of stories about love and migration, gender and class, racism and sexism that proudly reflect African American folk culture. Brought together for the first time in one volume, they include eight of Hurston's “lost” Harlem stories, which were found in forgotten periodicals and archives. These stories challenge conceptions of Hurston as an author of rural fiction and include gems that flash with her biting, satiric humor, as well as more serious tales reflective of the cultural currents of Hurston's world. All are timeless classics that enrich our

understanding and appreciation of this exceptional writer's voice and her contributions to America's literary traditions.

*The Stick Chair Book*  
Running Press Adult  
Ex-cons, armed robberies and scams in Miami - another classic crime thriller from the masterful Elmore Leonard. After serving time for armed robbery, Ernest 'Stick' Stickley is back on the outside and trying to stay legit. But it's tough staying straight

in a crooked town - and Miami is a pirate's paradise, where investment fat cats and lowlife drug dealers hold hands and dance. And when a crazed player chooses Stick at random to die for another man's sins, the struggling ex-con is left with no choice but to dive right back into the game. Besides, Stick knows a good thing when he sees it - and a golden opportunity to run a very profitable sweet-revenge scam seems much too tasty to pass up
