An ancillary package is available upon  
adoption.

Introduction to Financial Accounting  
Allen & Unwin Australia  
This fully revised edition teaches readers  
how to understand and use accounting  
information in their business decisions.

Taking a user-oriented approach, the  
text spotlights the link between  
accounting information and decisions  
and helps readers gain an appreciation  
of the strengths and weaknesses of  
reported accounting information for  
making different types of business  
decisions.

**Financial Accounting** John Wiley &
