### **Run Your Own Corporation** Kogan Page Publishers

This edition has been updated to "cover new trends and includes the underpinning knowledge for the skills you will need in your practice as a beauty therapist. Covering areas such as nutrition and lifestyle, and spa treatments as well as all the main therapies, this book will support you in your day-to-day work. The anatomy and physiology section has been completely revised to include extensive diagrams of all body systems." - back cover.

### **How to Write a Business Plan in Ten Steps** Bloomberg Press

Every company needs a 3HAG--a 3 Year Highly Achievable Goal! The 3HAG WAY is a prescriptive framework that takes the guessing out of your strategy and ensures that you and your whole team are confident in where you are going. It breaks your strategy down into a clear and simple picture--so clear and simple that the whole team will be able to see where the company is going and where it will end up in three years' time. This strategic clarity will align, engage, and empower your team to make confident decisions in order to achieve your 3HAG. You'll find step-by-step instructions to gut out your first 3HAG while building the confidence required to execute with speed toward your goals. The core purpose of this book is to have a significant impact on CEOs, leaders, and their companies and enable them to confidently realize their goals more quickly than they thought possible. And by achieving these goals they will positively impact their families and their communities. Whether you run a team of four, forty or 40,000, the tools and framework in this book will help you articulate your company's strategy in simple terms and create a Strategic Execution System that works. We're going to take each step of the strategy and break it down for you so that you know exactly how to take these steps and why they're critical to achieving your goal.

### **Progressive Business Plan for a Non-Medical Home Care Service** Simon and Schuster

"I've set up my corporation. Now what do I do?" All too often business owners and real estate investors are asking this question. They have formed their protective entity - be it a corporation, LLC or LP - and don't know what to do next. "Run Your Own Corporation" provides the solution to this very common dilemma. Breaking down the requirements chronologically (ie the first day, first quarter, first year) the book sets forth all the tax and corporate and legal matters new business owners must comply with. Written by Rich Dad's Advisor Garrett Sutton, Esq., who also authored the companion edition "Start Your Own Corporation", the book clearly identifies what must be done to properly maintain and operate your corporation entity. From the first day, when employer identification numbers must be obtained in order to open up a bank account, to the fifth year when trademark renewals must be filed, and all the requirements in between, "Run Your Own Corporation" is a unique resource that all business owners and investors must have. Rich Dad/Poor Dad author Robert Kiyosaki states, "Run Your Own Corporation is the missing link for most entrepreneurs. They've set up their entity, but don't know the next steps. Garrett Sutton's book provides valuable information needed at the crucial start up phase of operations. It is highly recommended reading." When "Start Your Own Corporation" is combined with "Run Your Own Corporation" readers have a two book set that offers the complete corporate picture.

### **From Beauty to Business** Renard Press Ltd

Business Model Generation is a handbook for visionaries, game changers, and challengers striving to defy outmoded business models and design tomorrow's enterprises. If your organization needs to adapt to harsh new realities, but you don't yet have a strategy that will get you out in front of your competitors, you need Business Model Generation. Co-created by 470 "Business Model Canvas" practitioners from 45 countries, the book features a beautiful, highly visual, 4-color design that takes powerful strategic ideas and tools, and makes them easy to implement in your organization. It explains the most common Business Model patterns, based on concepts from leading business thinkers, and helps you reinterpret them for your own context. You will learn how to systematically understand, design, and implement a game-changing business model--or analyze and renovate an old one. Along the way, you'll understand at a much deeper level your customers, distribution channels, partners, revenue streams, costs, and your core value proposition. Business Model Generation features practical innovation techniques used today by leading consultants and companies worldwide, including 3M, Ericsson, Capgemini, Deloitte, and others. Designed for doers, it is for those ready to abandon outmoded thinking and embrace new models of value creation: for executives, consultants, entrepreneurs, and leaders of all organizations. If you're ready to change the rules, you belong to "the business model generation!"

### **The One Page Business Plan for the Creative Entrepreneur** Gale / Cengage Learning

#1 NEW YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Don't miss the five-part Max docuseries Brené Brown: Atlas of the Heart! ONE OF BLOOMBERG'S BEST BOOKS OF THE YEAR Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out

what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In *Dare to Lead*, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read *Daring Greatly* and *Rising Strong* or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.

**Why I Write** Simon and Schuster

**NEW YORK TIMES BESTSELLER** • Being a Lazy Genius isn't about doing more or doing less. It's about doing what matters to you. "I could not be more excited about this book."—Jenna Fischer, actor and cohost of the *Office Ladies* podcast The chorus of "shoulds" is loud. You should enjoy the moment, dream big, have it all, get up before the sun, track your water consumption, go on date nights, and be the best. Or maybe you should ignore what people think, live on dry shampoo, be a negligent PTA mom, have a dirty house, and claim your hot mess like a badge of honor. It's so easy to feel overwhelmed by the mixed messages of what it means to live well. Kendra Adachi, the creator of the Lazy Genius movement, invites you to live well by your own definition and equips you to be a genius about what matters and lazy about what doesn't. Everything from your morning routine to napping without guilt falls into place with Kendra's thirteen Lazy Genius principles, including: • Decide once • Start small • Ask the Magic Question • Go in the right order • Schedule rest Discover a better way to approach your relationships, work, and piles of mail. Be who you are without the complication of everyone else's "shoulds." Do what matters, skip the rest, and be a person again.

**30 Days to Beauty Business Success** Harvard Business Review Press

From the creators of the hit podcast comes an interactive self-help guide for creative entrepreneurs, where they share their best tools and tactics on "being boss" in both business and life. Kathleen Shannon and Emily Thompson are self-proclaimed "business besties" and hosts of the top-ranked podcast *Being Boss*, where they talk shop and share their combined expertise with other creative entrepreneurs. Now they take the best of their from-the-trenches advice, giving you targeted guidance on: The Boss Mindset: how to weed out distractions, cultivate confidence, and tackle "fraudulent feelings" Boss Habits: including a tested method for visually mapping out goals with magical results Boss Money: how to stop freaking out about finances and sell yourself (without shame) With worksheets, checklists, and other real tools for achieving success, here's a guide that will truly help you "be boss" not only at growing your business, but creating a life you love.

**Business Plan** Random House

You know you have the talent to make it in the beauty industry, but figuring out where to begin can feel like a mystery—and cosmetology schools often don't prepare students for the business end of these jobs. . . . which can make or break your career. Consider this book your crash course on how current and aspiring beauty professionals can profit from their passions to create wealth beyond their wildest dreams. Entrepreneur and celebrity hairstylist Kiyah Wright knows exactly what it takes to amass wealth in the hair and beauty industry. From the time she was just 14 years old and doing hair in her grandmother's basement for \$20 a pop, Kiyah had found her calling. By 17, she had 200 clients and netted over \$60K a year. Now, 25 years later, she's at the top of her game with A-List Hollywood clientele, two Emmy Awards, two Hollywood Beauty Awards, a thriving business, and a million-dollar brand. In *From Beauty to Business*, Wright breaks down her seven proven success principles that helped her achieve her goals: Developing a success mindset Understanding the business of the beauty business Finding your niche Diversifying with multiple streams of income Growing your platform to grow your profits Preparing for the unexpected Planning for your future She also lays out crucial success strategies not taught in hair or beauty schools about entrepreneurship, finance, branding, marketing, product distribution, how to harness the power of social media, and how to build wealth. Whether you're working from your house or a salon, *From Beauty to Business* will set you up for success with practical tools for thriving in the beauty business on your own terms. This first-of-its-kind sourcebook features Kiyah's favorite success affirmations, industry-themed business templates, worksheets, and the foolproof strategies Kiyah used to attract and retain superstar clients like Tyra Banks, Jennifer Hudson, Ciara, Iman, Taraji P. Henson, and Gabrielle Union. Whether you're looking for tips in your career as a hairstylist, makeup artist, esthetician, or other beauty professional, *From Beauty to Business* is the ultimate resource guide that will set you on a straight path to success.

**Starting a Plumbing Business** Penguin

"Beloved Brands is a book every CMO or would-be CMO should read." Al Ries With *Beloved Brands*, you will learn everything you need to know so you can build a brand that your consumers will love. You will learn how to think strategically, define your brand with a positioning statement and a brand idea, write a brand plan everyone can follow, inspire smart and creative marketing execution, and be able to analyze the performance of your brand through a deep-dive business review. Marketing pros and entrepreneurs, this book is for you. Whether you are a VP, CMO, director, brand manager or just starting your marketing career, I promise you will learn how to realize your full potential. You could be in brand management working for an organization or an owner-operator managing a branded business. *Beloved Brands* provides a toolbox intended to help you every day in your job. Keep it on your desk and refer to it whenever you need to write a brand plan, create a brand idea, develop a creative brief, make advertising decisions or lead a deep-dive business review. You can even pass on the tools to your team, so they can learn how to deliver the fundamentals needed for your brands. This book is also an excellent resource for marketing professors, who can use it as an in-class textbook to develop future marketers. It will challenge communications agency professionals, who are looking to get better at managing brands, including those who work in advertising, public relations, in-store marketing, digital advertising or event marketing. "Most books on branding are really for the MARCOM crowd. They sound good, but you find it's all fluff when you try to take it from words to actions. THIS BOOK IS DIFFERENT! Graham does a wonderful job laying out the steps in clear language and goes beyond advertising and social media to show how branding relates to all aspects of GENERAL as well as marketing management. Make no mistake: there is a strong theoretical foundation for all he says...but he spares you the buzzwords. Next year my students will all be using this book." Kenneth B. (Ken) Wong, Queen's University If you are an entrepreneur who has a great product and wants to turn it into a brand, you can use this book as a playbook. These tips will help you take full advantage of branding and marketing, and make your brand more powerful and more profitable. You will learn how to think, define, plan, execute and analyze, and I provide every tool you will ever need to run your brand. You will find models and

examples for each of the four strategic thinking methods, looking at core strength, competitive, consumer and situational strategies. To define the brand, I will provide a tool for writing a brand positioning statement as well as a consumer profile and a consumer benefits ladder. I have created lists of potential functional and emotional benefits to kickstart your thinking on brand positioning. We explore the step-by-step process to come up with your brand idea and bring it all together with a tool for writing the ideal brand concept. For brand plans, I provide formats for a long-range brand strategy roadmap and the annual brand plan with definitions for each planning element. From there, I show how to build a brand execution plan that includes the creative brief, innovation process, and sales plan. I provide tools for how to create a brand calendar and specific project plans. To grow your brand, I show how to make smart decisions on execution around creative advertising and media choices. When it comes time for the analytics, I provide all the tools you need to write a deep-dive business review, looking at the marketplace, consumer, channels, competitors and the brand. Write everything so that it is easy to follow and implement for your brand. My promise to help make you smarter so you can realize your full potential.

**Working Mother** John Wiley & Sons

"A comprehensive guide to every aspect of preparing and using a business plan—newly updated and revised. New businesses and existing businesses fare better with well-thought-out plans. It is essential to have a good business plan to raise capital—either for a new venture to get additional capital or within most corporations for new initiatives or for accelerated growth"—Provided by publisher.

**The Quick Start Guide to Starting** John Wiley & Sons

2018 Axiom Business Book Award Winner, Gold Medal Stop Selling! Start Solving! In *Ninja Selling*, author Larry Kendall transforms the way readers think about selling. He points out the problems with traditional selling methods and instead offers a science-based selling system that gives predictable results regardless of personality type. *Ninja Selling* teaches readers how to shift their approach from chasing clients to attracting clients. Readers will learn how to stop selling and start solving by asking the right questions and listening to their clients. *Ninja Selling* is an invaluable step-by-step guide that shows readers how to be more effective in their sales careers and increase their income-per-hour, so that they can lead full lives. *Ninja Selling* is both a sales platform and a path to personal mastery and life purpose. Followers of the *Ninja Selling* system say it not only improved their business and their client relationships; it also improved the quality of their lives.

**3rag Way** Createspace Independent Publishing Platform

Business startup advice from the former president of the Ewing Marion Kaufmann Foundation and cofounder of Global Entrepreneurship Week and StartUp America, this "thoughtful study of 'how businesses really start, grow, and prosper'...dispels quite a few business myths along the way" (*Publishers Weekly*). Carl Schramm, the man described by *The Economist* as "The Evangelist of Entrepreneurship," has written a myth-busting guide packed with tools and techniques to help you get your big idea off the ground. Schramm believes that entrepreneurship has been misrepresented by the media, business books, university programs, and MBA courses. For example, despite the emphasis on the business plan in most business schools, some of the most successful companies in history—Apple, Microsoft, Google, Facebook, and hundreds of others—achieved success before they ever had a business plan. *Burn the Business Plan* punctures the myth of the cool, tech-savvy twenty-something entrepreneur with nothing to lose and venture capital to burn. In fact most people who start businesses are juggling careers and mortgages just like you. The average entrepreneur is actually thirty-nine years old, and the success rate of entrepreneurs over forty is five times higher than that of those under age thirty. Entrepreneurs who come out of the corporate world often have discovered a need for a product or service and have valuable contacts to help them get started. Filled with stories of successful entrepreneurs who drew on real-life experience rather than academic coursework, *Burn the Business Plan* is the guide to starting and running a business that will actually work for the rest of us.

**Creating My Beauty Business** Pearson UK

The definitive career guide for grad students, adjuncts, post-docs and anyone else eager to get tenure or turn their Ph.D. into their ideal job Each year tens of thousands of students will, after years of hard work and enormous amounts of money, earn their Ph.D. And each year only a small percentage of them will land a job that justifies and rewards their investment. For every comfortably tenured professor or well-paid former academic, there are countless underpaid and overworked adjuncts, and many more who simply give up in frustration. Those who do make it share an important asset that separates them from the pack: they have a plan. They understand exactly what they need to do to set themselves up for success. They know what really moves the needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward other, non-academic options. Karen Kelsky has made it her mission to help readers join the select few who get the most out of their Ph.D. As a former tenured professor and department head who oversaw numerous academic job searches, she knows from experience exactly what gets an academic applicant a job. And as the creator of the popular and widely respected advice site *The Professor is In*, she has helped countless Ph.D.'s turn themselves into stronger applicants and land their dream careers. Now, for the first time ever, Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph.D., including: -When, where, and what to publish -Writing a foolproof grant application -Cultivating references and crafting the perfect CV -Acing the job talk and campus interview -Avoiding the adjunct trap -Making the leap to nonacademic work, when the time is right *The Professor is In* addresses all of these issues, and many more.

**Burn the Business Plan** Crown

As a doctoral candidate, professional business consultant, and business plan writer, I am often asked by aspiring and seasoned entrepreneurs alike, "What is the first step for starting a business or expanding business operations?". When I first started out as a business consultant, I would explain to my client their place in the entrepreneurial process. I then support this analysis with proven academic and practicing business theory, along with recommending specific steps to take. After going through this process time and time again with entrepreneurs, it dawned on me that the first step I ALWAYS recommend is writing a business plan. Unfortunately, most entrepreneurs do not know how to write a professionally polished and structured business plan. Hell, most business owners don't know how to write any type of business plan at all. From this issue, I decided to write this book focused on a ten-step process to writing a well-structured business plan. The business plan writing steps include all aspects of the business plan writing process, beginning with developing the executive summary through constructing a professional and polished funding request. In each step, I introduce you to a different business plan section. I then explain in layman's terms what the section means, offer a business plan sample, and analyze the sample to help you understand the component. The objective of this detailed process is to ensure full understanding of each section and segment, with the goal of you being able to write a professional business plan for yourself, by yourself! If you still need help writing your business plan, at the end of the book, I ALSO supply you with a professionally written sample business plan AND a business plan template for you to use. In the end, I am supremely confident that this book, with the numerous tools and tips for business plan writing, will help you develop your coveted business plan in a timely fashion.

#### The Lazy Genius Way BenBella Books

This book is now used by the University of Kentucky entrepreneurship program. This book will give you a fresh and innovative way to write a business plan that will help you: - Complete your business plan faster - Avoid confusion and frustration - Focus on the core of your business and create more effective business strategies To help you learn the business planning process from the ground up, this book gets you started with a very basic business plan and helps you expand it as you make your way through the book. This way, you have less confusion and frustration and are more likely to finish your business plan faster and have it be better. This way you get a business plan template together practical explanations and an example. So whatever your learning style might be, this book has a high chance of being effective for you. If business planning seems to you complex and scary, this book will make it simple for you. It is written in simple and clear language to help you get started and create a great business plan. So what are you waiting for? Get this book now, and start creating a great business plan for your business today. Also recently added in the last update of this book is a business plan sample since many people commented that they wanted a business plan example. Although for my taste as an entrepreneur, I rather give you lots of great business planning strategies and theory that you can use in the real world instead of having a business plan template or workbook to write your business plan from. After all, a business plan is just a document. But to make your business a success, you will have to do it in the real world. So when you try to figure out how to create a business plan, don't just focus on the business plan document. Instead, focus on a plan for the real world with actionable and effective strategies. Get the book now, and start planning your business today.

#### Working Mother WaterBrook

Mikey Moran had only a single advantage when he started his hair and beauty business: his idea was different from anything he'd seen in the industry. Seven years later, Mikey has expanded his original idea into ten different brands, five retail locations, and one partnership with global e-commerce giant Shopify. Now Mikey wants to share what he's learned so burgeoning entrepreneurs have a bigger advantage than he had. In *Fearless Beauty*, Mikey provides you with a roadmap to achieve success easier, faster, and more efficiently than you ever thought possible. He shows you how to think like an entrepreneur by introducing you to practical theories that should guide every decision, then presents a step-by-step plan for taking action and getting started. You'll learn core marketing techniques that yield the biggest impact, how to select the best web platform for your business, and why consistency-or a lack of it-can make or break you. No matter your industry or where you are in the process of becoming an entrepreneur, you'll gain insightful strategies for maximizing returns and enjoying every step in the journey of your business.
