Demand

The Bobbio Missal is
one of the most
important and
interesting liturgical
books surviving from
the early middle ages.
It is the best known
example of the
Gallican' type of
missal, attesting
therefore to the
distinctive liturgical
practices which were
widespread in
Merovingian and
Frankish churches
during the seventh and
eighth centuries,
before these began to
be replaced by the
Roman practices
including use of
Gregorian' missals in
various forms during

the period of Charlemagne's reforms. In the opinion of modern palaeographers, the Bobbio Missal was written somewhere in northern Italy in the mid-eighth century. Although it was long regarded as a witness to Irish liturgical practice, it is now considered as essentially Gallican, but incorporating various prayers of Gelasian origin. Palaeographically the manuscript (now Paris, Bibliotheque Nationale, lat. 13246) is of great interest, being written in an idiosyncratic mixture of uncial and minuscule, by an Italian scribe neither literate nor well-trained. HBS LVIII, HBSLXI

Affaires de Famille
Lulu.com

Cette collection est le premier ouvrage par un autochtone canadien qui discute le concept d'histoire des peuples autochtones et l'expérience coloniale. Tout au long de ces textes, écrits dans plusieurs genres pendant vingt ans, Georges Sioui reprend les idées des Hurons-Wyandots au sujet de la place des Autochtones au Canada, dans l'histoire et le monde. -- This is the first collection written by an Aboriginal Canadian on the Aboriginal understanding of history and the colonial experience. These essays, stories, lectures, and poems, written over the last twenty years by Georges Sioui, present and explore the perspectives of the

Huron-Wyandot people on the place of Aboriginal people in Canada, in the world, and in history. Discours prononcé par son excellence, Monseigneur le Marquis de Puyzieulx, ambassadeur de France; à la Diette generale des LL. Cantons. A Soleure, le 18. fevrier 1724. [On the neutralization of the Lake of Geneva.] London : Longmans, Green
 "Report of the Dominion fishery commission on the fisheries of the province of Ontario, 1893", issued as vol. 26, no. 7, supplement. Bulletins Et Mémoires de la Société Médicale Des Hôpitaux de Paris Librairie Droz
 What are families like in contemporary France? And what

begins to emerge when we consider them from the point of view of recent theoretical perspectives: (faulty) cohesion, (fake) coherence, (carefully planned or subversive) deconstruction, loss (of love, confidence or credibility), or, even (utter) chaos and (alarming) confusion? Which media revamp old stereotypes, generate alternative reinterpretations, and imply more ambiguous answers? ...]Uneasy contradictions and ambiguities emerge in this bilingual collection of approaches and genre studies. The family plot seems to thicken as family ties appear to loosen. Has the family' been lost from sight, or is it being reinvented in our collective imaginary? This book proposes a

new series of perspectives and questions on an old and familiar' topic, exploring the state and status of the family in contemporary literature, culture, critical and psychoanalytic theory and sociology.

Acta societatis regiae scientiarum Upsaliensis
University of Ottawa Press

Cet ouvrage rare et original, paru à l'origine en 1871, constitue une appréciation de la célèbre sculpture grecque qui est actuellement conservée au musée du Louvre. L'auteur porte une attention particulière aux détails. Un titre qui est fortement recommandé à tout historien ou enthousiaste de l'art.

Grande partie des premiers livres, en particulier ceux qui datent d'avant 1920, sont aujourd'hui très rares et de plus en plus chers. Nous offrons des rééditions modernes de haute qualité et à prix abordables qui contiennent le texte et l'art originaux de ces ouvrages classiques.

Sessional Papers of the Dominion of Canada Summa Publications, Inc.

Edition commentée de ce poème latin de 549 vers sur l'art de la peinture qui connut un succès considérable aux XVIIe et XVIIIe siècles.
