Voodoo and Hoodoo recipes, rituals, and
spells for love, justice, gambling luck,

She shares her research into folklore collections and 19th- and 20th- century formularies along with her own magical arts. The Voodoo Hoodoo Spellbook includes more than 100 spells for Banishing, Binding, Fertility, Luck, Protection, Money, and more. Alvarado introduces readers to the Pantheon of Voodoo Spirits, the Seven African Powers, important Loas, Prayers, Novenas, and Psalms, and much, much more, including:

Pretty Savage Prabhat Prakashan
 A Sunday Times Bestseller Have you ever had a strange urge to jump from a tall building, or steer your car into oncoming traffic? You are not alone. In this captivating fusion of science, history and personal memoir, writer David Adam explores the weird thoughts that exist within every mind, and how they drive millions of us towards obsessions and compulsions. David has suffered from

OCD for twenty years, and *The Man Who Couldn't Stop* is his unflinchingly honest attempt to understand the condition and his experiences. What might lead an Ethiopian schoolgirl to eat a wall of her house, piece by piece; or a pair of brothers to die beneath an avalanche of household junk that they had compulsively hoarded? At what point does a harmless idea, a snowflake in a clear summer sky, become a blinding blizzard of unwanted thoughts? Drawing on the latest research on the brain, as well as historical accounts of patients and their treatments, this is a book that will challenge the way you think about what is normal, and what is mental illness. Told with fierce clarity, humour and urgent lyricism, this extraordinary book is both the haunting story of a

personal nightmare, and a fascinating doorway into the darkest corners of our minds.
