 and most beloved old-

 traditional hymns and
 spirituals from the United
 States and England. Over
 110 hymns are included in
 large-print format, with
 easy-to-read lyrics and
 guitar chords, perfect for
 singing and strumming in

 back porch or around the
 campfire. The author
 created this book

specifically for people who
 want to strum and sing
 the good old hymns - this
 book does not contain any
 sheet music notation or
 tablature, just the words
 and chords. A short
 informational snippet for
 each song, explaining
 some of its origin and
 history, is also included.
 Each song is given in two
 different keys (C and G),
 with capo information to
 help you find your best
 key for singing. This is
 a wonderful treasury of
 old-time Christian music
 perfect for session
 musicians or anyone

wanting to learn more of this beautiful music. From the author: "In choosing what songs to include, I primarily selected ones I remember from my own childhood, growing up in Baptist and Pentecostal congregations in northern Ohio. I have also included the more hymn-like Christmas carols in this collection, since the hymnals I grew up with did so. My hope is that this book will help you along your own musical journey, and will also help to keep these wonderful traditional

Christian hymns and spirituals alive for generations to come. Music revivals come and go, and music is always evolving and changing, but some classics stand the test of time. This book is my effort to help ensure these songs will endure. Happy strumming!"
