## HOLT NATALIE

**Sketches of Jewish Social Life in the Time of Christ** SBL Press

(Updated, full-color edition) Jewish Antiquities and The Jewish War take on a brilliant new dimension in this revised edition of the award-winning translation and condensation. Now with color photographs, charts, and maps.

**Sôfer Mahîr** SBL Press

Where did the Bible come from? How do we know the right books are in the Bible? Does the Bible contain errors? What are the oldest copies we have of the Bible? How do we know that the Bible hasn't been changed over the years? Why are there so many translations of the Bible, and which one should I use? These are just some of the important questions about the Bible that are discussed in this book. Understanding basic facts about the origin of the Bible is essential for every Christian, but it can also be confusing and difficult. Here, two well-known scholars, authors of a more technical book, *A General Introduction to the Bible*, explain simply and clearly these basic facts. Inspiration, the biblical canon, major manuscripts, textual criticism, early translations, and modern versions are some of the major topics discussed. Careful explanations of important points are given throughout, as the entire field of biblical introduction is covered. Completely updated and revised edition of the 1974 work (more than 78,000 copies sold). Helpful charts have been added, along with an index of subjects, persons, and Scripture. This book is ideally suited for Bible students, pastors, and professors. While writing for readers without previous training, the authors do not gloss over difficult and complex issues when they arise. The nature of inspiration, the extent of the canon, and the usefulness of modern versions are all clearly discussed. The authors write: "The chain of communication from God to us is strong. It has several solid links: inspiration, collection, transmission, and translations. The strength of these links provide the contemporary Christian with the moral certitude that the Spirit-inspired original text of Scripture has been providentially preserved by God so that for all practical purposes the Bible in our hands is the infallible and inerrant word of God."

**The Aramaic of Daniel in the Light of Old Aramaic** Baker Books

The author examines a number of the published Old Aramaic inscriptions, and compares them with the Aramaic of Daniel according to a broad-based set of criteria; detailed literary, grammatical and lexicographical comparisons build a cumulative case for questioning both the unified character of Old Aramaic and the supposedly late character of numerous features in Old Aramaic. The author thus contributes to the discussion of whether Old Aramaic texts can be used for understanding the Aramaic of Daniel, on the one hand, while contributing to an evaluation of the debate concerning the origin of the Aramaic of Daniel on the other.

**La Biblia Versión Israelita Nazarena** BRILL

This popular and accessible account of how the Bible has been preserved and transmitted for today's readers is now available in trade paper.

**Holy Bible** Moody Publishers

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

*From God To Us Revised and Expanded* Canongate U.S.

This book pertains to the early Arabic translations of the canonical Gospels, and is based on extensive research in over two hundred manuscripts, copied between the eighth and the nineteenth centuries. The manuscripts were collated from twenty-one different library collections in Europe and the Orient. Each individual manuscript was examined and subsequently grouped into twenty-four families. The Arabic manuscripts were originally translated from Greek, Syriac, Coptic, or Latin. This foundational work is an invaluable resource for those seeking to learn more about the Arab Christian heritage, the Arabic versions of the Gospels and their influence over the last twelve centuries.

*BIBLE, THE QUR AN & SCIENCE*, Lulu.com

The culmination of a lifetime of study, this comprehensive New Testament theology brings out the rich variety of New Testament thought while demonstrating its inner unity. New Testament theology, maintains Donald Guthrie, centers on Jesus Christ—his person, work and mission—and is unified by repeated emphasis on the fulfillment of Old Testament promise, community, the Spirit and the future hope. An extended introduction surveys the history, nature and method of New Testament theology and sets forth the distinctive of Guthrie's synthetic approach. Guthrie then examines New Testament thought under the thematic headings of God, man and his world, Christology, the mission of Christ, the Holy Spirit, the Christian life, the church, the future, the New Testament approach to ethics, and Scripture. Within each chapter he explores the synoptic Gospels, the Johannine literature, Acts, Paul, Hebrews, the remaining Epistles and Revelation. Marked by scholarly rigor and thoroughness, this volume is a standard reference and text, reflecting mature conservative scholarship at its best. Note: Because this ebook file is large, please allow a little extra time to download.

*Syriac-English New Testament* Kregel Academic

Twenty-eight revised and updated essays on the textual criticism of the Hebrew Bible, the Torah, the (proto-) Masoretic Text, the Septuagint, and the DSS, originally published between 2010 and 2018, are presented in this fourth volume of the author's collected essays.

**Dictionary of Deities and Demons in the Bible** A&C Black

Customers in North America who wish to purchase this publication, please contact Augsburg Fortress Press. First published in 1992, Emanuel Tov's *Textual Criticism of the Hebrew Bible* has rapidly established itself as the authoritative reference work for all those engaged in the study of the text of the Hebrew Bible. This thoroughly revised second edition will be welcomed by students and scholars alike. A wide range of readers will find this book accessible and indispensable. Emanuel Tov offers extensive descriptions of the major witnesses to the text of the Hebrew Bible—the Hebrew texts from Qumran, the Septuagint, the Masoretic Text—as well as the Aramaic Targumim, the Syriac translations, the Vulgate, and others. Special attention is given to the exegetical aspects of the textual transmission, literary issues, and the problem of the original shape of the biblical text. Praise for the First Edition: "Emanuel Tov is preeminent in the world in the field of Septuagint studies. This is a solid and durable work which, given its technical character, is written in a readable way." Frank Moore Cross, Harvard University "Nowhere else can you find such a thorough presentation of how the Bible was transmitted in Second Temple times ... This excellently written handbook represents a major step forward for biblical studies." Lawrence Schiffman, New York University "History will surely regard Emanuel Tov's monumental work as the definitive discussion of textual criticism of this generation. A 'must-have' for any serious scholar of the Bible!" Sidnie A. White, University of Nebraska "The basic reference work on the textual criticism of the Hebrew Bible for at least the next decade. This is an magisterial work which is badly needed and masterfully done." Journal for the Study of Judaism "This book will soon be viewed as a classic of biblical studies." Ralph W. Klein, Journal of Religion "Replete with examples, tables, plates, lucid definitions and explanations, as well as extensive bibliographies, the volume brings together a wealth of information not previously so accessible and makes the theory and practice of textual criticism easily understandable and visually

clear." Judith E. Sanderson, Seattle University

[Diatessaron](#) Harper Collins

"After the success of the Antioch Bible, this publication is a new, historic edition of the Syriac-English New Testament in a single volume. The English translations of the New Testament Syriac Peshitta along with the Syriac text were carried out by an international team of scholars"--

*Textual Criticism of the Hebrew Bible* Brill Academic Pub

The Bible As History by Werner Keller, will take you on a breathtaking journey to the heart of Holy Scripture as it pieces together one of the most stunning spiritual puzzles in the history of mankind.

[Psalms 73-150](#) Open Book Publishers

The Dictionary of Deities and Demons in the Bible (DDD) is the single major reference work on the gods, angels, demons, spirits, and semidivine heroes whose names occur in the biblical books. Book jacket.

[An Introduction to the Old Testament in Greek](#) InterVarsity Press

"An Introduction to Aramaic" introduces biblical Aramaic to beginning students already familiar with Hebrew. All Aramaic passages in the Old Testament plus other Aramaic texts are included. Includes paradigms, a complete glossary, resources for further study, exercises, and an answer key.

Paperback edition available from the Society of Biblical Literature ([www.sbl-site.org](http://www.sbl-site.org)).

[Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature: A, B](#) B&H Publishing Group

This handsome new edition of the authoritative English translation of the Aramaic (Syriac) Old and New Testaments--the language of Jesus--clarifies difficult passages and offers fresh insight on the Bible's message.

[The Theological Profile of the Peshitta of Isaiah](#) BRILL

This book discusses the depictions of the cult and its personnel in the twelve prophetic books commonly referred to as "The Book of the Twelve" or "The Minor Prophets." The articles in the volume explore the following questions: How did these prophetic writers envision the priests and the Levites? What did they think about the ritual aspects of ancient Israelite faith, including not only the official temple cult in Jerusalem but also cultic expressions outside the capital? What, in their views, characterized a faithful priest and what should the relationship be between his cultic performance and the ways in which he lived his life? How does the message of each individual author fit in with

the wider Israelite traditions? Finally, who were these prophetic authors, in which historical contexts did they live and work, and what stylistic tools did they use to communicate their message?

*Translation Technique in the Peshitta to Ezekiel 1-24* Walter de Gruyter

This is a literal word for word interlinear translation of the 1900+ year old Aramaic Old Testament called the Peshitta. Aramaic was the native language of Jesus and of Israel in the 1st century AD.

This volume contains the Minor Prophets: Hosea through Malachi (the last 12 books of the Old Testament). The text translated is the 6th or 7th century Codex Ambrosianus- the oldest complete Semitic Old Testament extant. The Peshitta Old Testament was very likely translated from the Hebrew Bible in the 1st century AD in Israel by Christian converts from Judaism, or possibly Syrian Christians from across Israel's border. Either way, the Peshitta Old and New Testaments together constitute the first Christian Bible. The author has also translated and published interlinears of the Aramaic Peshitta Torah, The Poetry Books, The Major Prophets, as well as the entire Aramaic Peshitta New Testament and plain English translations of the NT, the Torah, the Psalms & Proverbs. Paperback 8x11" 146 pages in B&W.

*The Text of the Hebrew Bible and Its Editions* Wm. B. Eerdmans Publishing

From blogs to wikis to digitized editions of ancient texts now discoverable online, digital technology allows scholars to engage ancient texts in novel ways. Contributors to this volume explore what this might mean for the future of Jewish and Christian studies.

**Biblia Peshitta, Tapa Dura** BRILL

This volume contains essays in the textual criticism of the Hebrew Bible, contributed by editors of the Biblia Hebraica Quinta. The studies range in scope from assessments of a book's textual situation to investigations of details in the Leningrad Codex.

**The Arabic Versions of the Gospels** Lulu.com

This handsome new edition of the authoritative English translation of the Aramaic (Syriac) Old and New Testaments--the language of Jesus--clarifies difficult passages and offers fresh insight on the Bible's message.

*The Valediction of Moses* BRILL

In *The Theological Profile of the Peshitta of Isaiah*, Attila Bodor explores theological elements in the Peshitta version of Isaiah through a close study of its interpretative renderings.
