In the sequel to *Light in the Shadow*, Zoe, an interior designer with an uncanny talent for sensing the past secrets of a house, and

her new husband, private investigator Ethan Truax, confront new problems when a shadowy figure from Zoe's past appears in *Whispering Springs*. Reprint. [Dark Light](#) Simon and Schuster  
Quinton Zane

is back. Jack Lancaster, consultant to the FBI, has always been drawn to the coldest of cold cases, the kind that law enforcement either considers unsolvable or else has chalked up to accidents or suicides. As a survivor of a fire, he finds

himself uniquely compelled by arson cases. His almost preternatural ability to get inside the killer's head has garnered him a reputation in some circles--and complicated his personal life. The more cases Jack solves, the closer he slips into the darkness. His only solace is Winter Meadows, a meditation therapist. After particularly grisly cases, Winter can lead Jack back

to peace. But as long as Quinton Zane is alive, Jack will not be at peace for long. Trust No One Grand Central Publishing When his boyhood friend, now an FBI agent, disappears, Thorn, a fisherman in Key Largo, becomes entangled in a web of violence and intrigue that takes him from seamy local bars to fancy ocean villas, and almost costs him his life. Reprint. Grand Central

Publishing The final installment in the chilling Fogg Lake trilogy by New York Times bestselling author Jayne Ann Krentz. Olivia LeClair's experiment with speed dating is not going well. First there was the nasty encounter with the date from hell who tried to murder her and now the mysterious Harlan Rancourt—long believed dead—sits down at her table and tells her she's the only one who

can help him locate the legendary Vortex lab. This is not what Olivia had in mind when she signed up for the Four Event Success Guaranteed package offered by the dating agency. She doesn't have much choice, though, because her psychic investigation firm works for the mysterious Foundation and Victor Arganbright, the director, is adamant that she assist Harlan.

There's just one problem—no one knows Harlan's real agenda. His father once ran the Foundation like a mob organization, and Harlan was destined to be his heir. There's a real possibility Harlan has returned to claim his inheritance. For now, however, it's a case of the enemy of my enemy is my friend because others are after the secrets of the long-lost lab. Unfortunately for Olivia, the

one thing friend and foe have in common is that everyone is convinced she is the key. Her unique psychic talent is required to defuse the ticking time bomb that is Vortex. Neither trusts the other but Olivia and Harlan soon realize they must work together to survive and unlock the Bluestone Project's most dangerous secrets before more innocent people die. *Untouchable Penguin* "Deep Waters"

combines suspense and romance in a story where a mysterious Pacific Rim consultant and a burned-out female CEO become sparring partners on a fishing pier crammed with secrets, danger, and hidden treasures. But all that may change when Olivia inherits 49 percent of Glow, Inc., her uncle's high-tech lighting firm, and she butts heads with the interloper who bagged the other 51

<p>percent: Jasper Sloan, a venture capitalist and deal-maker known as an orderly man with all his ducks in a row. Midwestern librarian Letitia Thornquist didn't have the right stuff to run Thornquist

Gear, Inc. That was the bottom-line opinion of Joel Blackstone, the seasoned CEO who had built the small Seattle sporting goods store into an industry giant. But Letty's rich Uncle Charlie willed her the company, and now she was bubbling with enthusiasm to have Joel, a perfect mentor, show her the ropes. Teaching her the business was all Joel grudgingly planned to do...until the sensuous

curves under Letty's navy suit and the unabashed desire in her wide, innocent eyes left him longing for a personal kind of merger. Soon his sizzling kisses convinced her that she wasn't in Kansas anymore. But no matter how skilled Joel was in the art of love, Letty knew she was at risk in his arms. Behind his tough facade she sensed a world of hurt that cried out for her warmth and understanding
