in the sweltering morning of September 2, 1974. In four hot, still hours dawn will hemorrhage like a fresh wound in the sky over the eastern Muchingas, the great, towering walls that confine the upper reaches of the Luangwa River in Zambia's Eastern Province. Death in the Long Grass: A Big Game Hunter's Adventures in ...Published in 1977, Death in the Long Grass relates stories of big game hunting in Africa, as told by the hunter himself. He must have been a larger than life kind of guy, and I certainly would have liked to have spent a couple of hours around a campfire listening to him, though I probably wouldn't have been able to sleep much afterwards. Death in the Long Grass: A Big Game Hunter's Adventures in ...Based on Capstick's own experiences and the personal accounts of his colleagues, Death in the Long Grass portrays the great killers of the African bush—not only the lion, leopard, and elephant, but the primitive rhino and the crocodile waiting for its unsuspecting prey, the titanic hippo and the Cape buffalo charging like an express train out of control.
