 David Boring is a graphic novel by American cartoonist Daniel Clowes. It was serialized in issues #19–21 of Clowes's comic book *Eightball* and appeared in collected form from Pantheon Books in 2000. The book depicts the misadventures of its eponymous character, whose main interests are finding the "perfect woman" and learning more about his father, an obscure comic artist whom he has never met.  
 David Boring - Wikipedia  
 I try to like Daniel Clowes, but I have trouble not viewing his work as crude and vulgar. The artwork is nice and his plot certainly creative, but it doesn't allow my mind to dwell upon higher thoughts and find tangents to meander with. David Boring is simply the story about a guy and his search for love.
