Real-Life Stories of Supernatural Events

Random House
 FoolsConcord Theatricals
A Comedy in Two Acts Concord Theatricals
 From New York Times bestselling author Sam Kean comes incredible stories of science, history, finance, mythology, the arts, medicine, and more, as told by the Periodic Table. Why did Gandhi hate iodine (I, 53)? How did radium (Ra, 88) nearly ruin Marie Curie's reputation? And why is gallium (Ga, 31) the go-to element for laboratory pranksters? The Periodic Table is a crowning scientific achievement, but it's also a treasure trove of adventure, betrayal, and obsession. These fascinating tales follow every element on the table as they play out their parts in human history,

and in the lives of the (frequently) mad scientists who discovered them. THE DISAPPEARING SPOON masterfully fuses science with the classic lore of invention, investigation, and discovery--from the Big Bang through the end of time. *Though solid at room temperature, gallium is a moldable metal that melts at 84 degrees Fahrenheit. A classic science prank is to mold gallium spoons, serve them with tea, and watch guests recoil as their utensils disappear.

Neil Simon Baker Books

"As gripping as a good thriller." --The Washington Post Unpack the science of secrecy and discover the methods behind cryptography--the encoding and decoding of information--in this clear and easy-to-understand young adult adaptation of the national bestseller that's perfect for this age of WikiLeaks, the Sony hack, and other events that reveal the extent to

which our technology is never quite as secure as we want to believe. Coders and codebreakers alike will be fascinated by history's most mesmerizing stories of intrigue and cunning--from Julius Caesar and his Caesar cipher to the Allies' use of the Enigma machine to decode German messages during World War II. Accessible, compelling, and timely, The Code Book is sure to make readers see the past--and the future--in a whole new way. "Singh's power of explaining complex ideas is as dazzling as ever." --The Guardian Satirical Thriller Samuel French, Inc. America's premier funny man and the Tony Award-winning composer of A Chorus Line; collaborated on this hit musical; a funny, romantic show about an established composer and his relationship with an aspiring young female lyricist, not unlike Carole Bayer Sager. Professionally, their relationship works beautifully, but

ultimately leads to conflict on the home front. Of course, there's a happy ending. [A Casebook](#) Samuel French, Inc.

"After a short stay in rehab, her best friend age-defying Toby, her daughter Polly, and Jimmy Perry, a gay actor try to help her adjust to sobriety with a jolly birthday party. Enter Lou Tanner, a former lover, who ends up giving her a black eye. The party is a wash out, the "gingerbread lady" falls off the wagon and hits the ropes once again. Later rewritten by Neil Simon as the film *Only When I Laugh* starring Marsha Mason." -- Publisher's description.

[Jake's Women](#) Simon and Schuster
Al and Willie as "Lewis and Clark" were top-billed vaudevillians for over forty years. Now they aren't even speaking. When CBS requests them for a "History of Comedy" retrospective, a grudging reunion brings the two back together, along with a flood of memories, miseries and laughs. -- publisher description.

Filmfacts Little, Brown

Cast size: medium.

Stark is a secret consortium with more money than God, and the social conscience of a dog on a croquet lawn. What's more, it knows the Earth is dying. Deep in Western Australia where the Aborigines used to milk the trees, a planet-sized plot is taking shape. Some green freaks pick up the scent: a pommie poseur; a brain-fried Vietnam vet; Aborigines who have lost their land...not much against a conspiracy that controls society. But EcoAction isn't in society: it just lives in the same place, along with the cockroaches. If you're facing the richest and most disgusting scheme in history, you have to do more than stick up two fingers and say 'peace'.

Neil Simon's Memoirs Simon and Schuster

Malcolm Gladwell, host of the podcast *Revisionist History* and author of the #1 New York Times bestseller *Outliers*, offers a powerful examination of our interactions with strangers and why they often go wrong—now with a new afterword by the author. A Best Book of the Year: *The Financial Times*, *Bloomberg*, *Chicago Tribune*, and *Detroit Free Press* How did Fidel Castro fool the CIA for a generation? Why did Neville Chamberlain think he could trust Adolf Hitler? Why are campus sexual assaults on the rise? Do television sitcoms teach us something about the way we relate to one another that isn't true? *Talking to Strangers* is a classically Gladwellian intellectual adventure, a challenging and controversial excursion through history, psychology, and scandals taken straight from the news. He revisits

the deceptions of Bernie Madoff, the trial of Amanda Knox, the suicide of Sylvia Plath, the Jerry Sandusky pedophilia scandal at Penn State University, and the death of Sandra Bland—throwing our understanding of these and other stories into doubt. Something is very wrong, Gladwell argues, with the tools and strategies we use to make sense of people we don't know. And because we don't know how to talk to strangers, we are inviting conflict and misunderstanding in ways that have a profound effect on our lives and our world. In his first book since his #1 bestseller *David and Goliath*, Malcolm Gladwell has written a gripping guidebook for troubled times.

The Good Doctor Univ. Press of Mississippi

"Featuring scenes from the ten best plays"--Jacket.

[Neil Simon](#) Routledge

1893. After a harrowing journey, recent college graduate Leon Tolinchinsky arrives in Kulyenchikov, Ukraine, to tutor Sophia Zubritsky, nineteen. Her parents, Nickolai and Leyna, inform him the village is cursed, rendering every resident as dumb as a bag of rocks. Leon must educate Sofia in twenty-four hours or fall victim to the curse himself, though teaching her, her parents, or anyone else about anything is just about impossible. To complicate matters, Leon and Sofia fall in love, infuriating Count Gregor, her long-time suitor. Leon risks everything to break the curse and rescue the village. A musical based on the Neil Simon play, *Fools*.

A Comedy in Two Acts Concord Theatricals

Neil Simon Full Length, Comedy
Characters: 1 male, 7 female Combination interior and Unit set. America's premier comic playwright makes another hilarious foray into the world of modern relationships. Jake, a novelist who is more successful with fiction than with life, faces a marital crisis by daydreaming about the women in his life. The wildly comic and sometimes moving flashbacks played in his mind are interrupted by visitations from actual females. *Jake's women* i Samuel French, Inc.

A collection of vignettes including an old woman who storms a bank and upbraids the manager for his gout and lack of money, a father who takes his son to a house for sex only to relent at the last moment, a grafting seducer who realizes it is the married woman who is in command, the tale of a man who offers to drown himself for three rubles, etc.

The Fool's Girl Macmillan

This is the full Mueller Report, as released on April 18, 2019, by the U.S. Department

of Justice. A reprint of the report exactly as it was issued by the government, it is without analysis or commentary from any other source and with nothing subtracted except for the material redacted by the Department of Justice. The mission of the Mueller investigation was to examine Russian interference in the 2016 Presidential election, consisting of possible links, or "collusion," between the Donald Trump campaign and the Russian government of Vladimir Putin as well as any allegations of obstruction of justice in this regard. It was also intended to detect and prosecute, where warranted, any other crimes that surfaced during the course of the investigation. The report consists of a detailed summary of the various investigations and inquiries that the Special Counsel and colleagues carried out in these areas. The investigation was initiated in the aftermath of the firing of FBI Director James Comey by Donald Trump on May 9, 2017. The FBI, under Director Comey, had already been investigating links between Russia and the Trump campaign. Mueller submitted his report to Attorney General William Barr on March 22, 2019, and the Department of Justice released the redacted report one month later.

Theatre News **Fools**

The second in Pulitzer Prize-winning playwright Neil Simon's trilogy which began with *Brighton Beach Memoirs* and concluded with *Broadway Bound*. When we last met Eugene Jerome, he was coping with adolescence in 1930's Brooklyn. Here, he is a young army recruit during WW II, going through basic training and learning about Life and Love with a capital 'L' along with some harsher lessons, while stationed at boot camp in Biloxi, Mississippi in 1943. [A Life](#) MacMillan Publishing Company
Neil Simon's plays are to some extent a reflection of his life, sometimes autobiographical, other times based on the experiences of those close to him. What the reader of this warm, nostalgic memoir discovers, however, is that the plays, although grounded in Neil Simon's own experience, provide only a glimpse into the mind and soul of this very private man. In *Rewrites*, he tells of the painful discord he endured at home as a child, of his struggles to develop his talent as a writer, and of his insecurities when dealing with what proved to be his first great success -- falling in love. Supporting players in the anecdote-filled memoir include Sid Caesar, Jerry Lewis, Walter Matthau, Robert Redford, Gwen Verdon, Bob Fosse, Maureen Stapleton, George C. Scott, Peter Sellers, and Mike Nichols. But always at center stage is his first love, his

wife Joan, whose death in the early seventies devastated him, and whose love and inspiration illuminate this remarkable and revealing self-portrait. Rewrites rich in laughter and emotion, and filled with the memories of a sometimes sweet, sometimes bittersweet life.

A Novel A&C Black

THE STORY: The time is the mid '70s, the place a city in upstate New York. John, a playwright, returns to his family's house, bringing with him a new play which he has written about them. His purpose is to obtain their permission to proceed with *pr And Other True Tales of Madness, Love, and the History of the World from the Periodic Table of the Elements* Samuel French, Inc.

A Writer's Guide to the Craft and Elements of a Screenplay.

The Best Plays of 1993-1994

Sourcebooks, Inc.

First Published in 1997. The 16 essays and interviews in this volume explore the background and works of Neil Simon, the most successful playwright in American history. Several of the entries trace Simon's Jewish heritage and its influence on his plays. Although Simon is best known as a writer of a remarkable series of hit Broadway comedies, the contributors to this book have identified a number of "serious" recurring themes in his work, suggesting that a reassessment of the playwright as a dramatist is appropriate. Three interviews with Simon and his longtime producer yield valuable

facts about the playwright that will, along with the critical essays, aid the scholar seeking new insights into contemporary American drama in general and Neil Simon in particular.

A New Comedy Samuel French, Inc.

Violetta and Feste have come to London to rescue the holy relics taken from the church in Illyria by the evil Malvolio. Their journey has been long and their adventures many, but it is not until they meet the playwright William Shakespeare that they get to tell the entire story from beginning to end! But where will this remarkable tale ultimately lead Violetta and her companion? And will they manage to save themselves, and the relics from the very evil intentions of Malvolio.
