WHITEHEAD CLARK

Creating Character Hundreds of Heads Books, LLC

Writing nonfiction is a key skill that students will need throughout their school lives, and beyond. This remarkable book is designed to help teachers develop a writing program that will enable their students to harness all of their Nonfiction Writing Powers: to Describe, to Instruct, to Compare, to Persuade, to Explain, and to Report. It illustrates ways to encourage students to write because they have something to say, and to recognize that writing well means considering intent and purpose, and choosing the best form of expression. Ideal for teaching writing in the content areas, the book includes guidance on linking writing forms to Science, Social Studies, and other subject areas.

They Say / I Say Harper Collins

Learn how to take your work to the next level with this informative guide on the craft, business, and lifestyle of writing With warmth and humor, Paulette Perhach welcomes you into the writer's life as someone who has once been on the outside looking in. Like a freshman orientation for writers, this book includes an in-depth exploration of all the elements of being a writer—from your writing practice to your reading practice, from your writing craft to the all-important and often-overlooked business of writing. In *Welcome to the Writer's Life*, you will learn how to tap into the powers of crowdsourcing and social media to grow your writing career. Perhach also unpacks the latest research on success, gamification, and lifestyle design,

demonstrating how you can use these findings to further improve your writing projects. Complete with exercises, tools, checklists, infographics, and behind-the-scenes tips from working writers of all types, this book offers everything you need to jump-start a successful writing life.

The Nice and Accurate Prophecies of Agnes Nutter, Witch Random House

When you Read Like a Writer (RLW) you work to identify some of the choices the author made so that you can better understand how such choices might arise in your own writing. The idea is to carefully examine the things you read, looking at the writerly techniques in the text in order to decide if you might want to adopt similar (or the same) techniques in your writing. You are reading to learn about writing. Instead of reading for content or to better understand the ideas in the writing (which you will automatically do to some degree anyway), you are trying to understand how the piece of writing was put together by the author and what you can learn about writing by reading a particular text. As you read in this way, you think about how the choices the author made and the techniques that he/she used are influencing your own responses as a reader. What is it about the way this text is written that makes you feel and respond the way you do?

The Great Mental Models: General Thinking Concepts Lulu.com

All fiction is character-driven, according to William Bernhardt. How can you use characters to create dynamic fiction that will captivate readers? This book explains the relationship between character and plot, and how the perfect melding of the two produces a mesmerizing story.

Becoming a Writer Holt McDougal

The first step to becoming a successful writer is to become a successful reader. Helping you develop your critical skills How to Read Like a Writer is an

accessible and effective step-by-step guide to how careful reading can help you improve your craft as a creative writer, whatever genre you are writing in. Across 10 lessons – each pairing published readings with practical critical and creative exercises – this book helps writers master such key elements of their craft as: · Genre – from fiction, creative nonfiction and poetry to hybrid genres such as graphic narratives and online forms · Plot, conflict, theme and image · Developing characters – physical descriptions, psychological depths and actions · Narrators and points of view – 1st, 2nd and 3rd person narratives · Scenes and settings – time, space and place · Structure and form – length, organization and media · Language, subtext and style

Get the core knowledge of a prestigious MFA education without the tuition. Have you always wanted to get an MFA, but couldn't because of the cost, time commitment, or admission requirements? Well now you can fulfill that dream without having to devote tons of money or time. The Portable MFA gives you all of the essential information you would learn in the MFA program in one book. Covering fiction, memoirs, personal essays, magazine articles, poetry, and playwriting, this book provides you with: · Inspiration and tips on revision, stamina, and productivity · Clear instruction on the craft behind the art · Detailed reading lists to expand your literary horizons · Exercises to improve your writing endeavors By heeding the advice in The Portable MFA, you will gain the wisdom and experience of some of today's greatest teachers, all for just the price of a book.

Writing Spaces 1 Independently Published

Roy Peter Clark, one of America's most influential writing teachers, offers writing lessons we can draw from 25 great texts. Where do writers learn their best moves? They use a technique that Roy Peter Clark calls X-ray reading, a form of reading that lets you penetrate beyond the surface of a text to see how meaning is actually being made. In *The Art of X-Ray Reading*, Clark invites you to don your X-ray reading glasses and join him on a guided tour through some of the most exquisite and masterful literary works of all time, from *The Great Gatsby* to *Lolita* to *The Bluest Eye*, and many more. Along the way, he shows you how to mine these masterpieces for invaluable writing strategies that you can add to your arsenal and apply in your own writing. Once you've experienced X-ray reading, your writing will never be the same again.

An Empathy Handbook Wadsworth Publishing Company

Reconnecting Reading and Writing explores the ways in which reading can and should have a strong role in the teaching of writing in college. Reconnecting Reading and Writing draws on broad perspectives from history and international work to show how and why reading should be reunited with writing in college and high school classrooms. It presents an overview of relevant research on reading and how it can best be used to support and enhance writing instruction.

A Writer's Guide to Mindful Reading W. W. Norton

The old saying goes, "To the man with a hammer, everything looks like a nail." But anyone who has done any kind of project knows a hammer often isn't enough. The more tools you have at your disposal, the more likely you'll use the right tool for the job – and get it done right. The same is true when it comes to your thinking. The quality of your outcomes depends on the mental models in your head. And most people are going through life with little more than a hammer. Until now. *The Great Mental Models: General Thinking Concepts* is the first book in *The Great Mental Models* series designed to upgrade your thinking with the best, most useful and powerful tools so you always have the right one on hand. This volume details nine of the most versatile, all-purpose mental models you can use right away to improve your decision making, productivity, and how clearly you see the world. You will discover what forces govern the universe and how to focus your efforts so you can harness them to your advantage, rather than fight with them or worse yet– ignore them. Upgrade your mental toolbox and get the first volume today. AUTHOR BIOGRAPHY Farnam Street (FS) is one of the world's fastest growing websites, dedicated to helping our readers master the best of what other people have already figured out. We curate, examine and explore the timeless ideas and mental models that history's brightest minds have used to live lives of purpose. Our readers include students, teachers, CEOs, coaches, athletes, artists, leaders, followers, politicians and more. They're not defined by gender, age, income, or politics but rather by a shared passion for avoiding problems, making better decisions, and lifelong learning. AUTHOR HOME Ottawa, Ontario, Canada Teaching information writing with intent and purpose Union Books

In Christopher Moore's ingenious debut novel, we meet one of the most memorably mismatched pairs in the annals of literature. The good-looking one is one-hundred-year-old ex-seminarian and "roads" scholar Travis O'Hearn. The green one is Catch, a demon with a nasty habit of eating most of the people he meets. Behind the fake Tudor façade of Pine Cove, California, Catch sees a four-star buffet. Travis, on the other hand, thinks he sees a way of ridding himself of his toothy traveling companion. The winos, neo-pagans, and deadbeat Lotharios of Pine Cove, meanwhile, have other ideas. And none of them is quite prepared when all hell breaks loose.

A Guide for People Who Love Books and for Those Who Want to Write Them Wadsworth Publishing Company

Techniques of the Selling Writer provides solid instruction for people who want to write and sell fiction, not just to talk and study about it. It gives the background, insights, and specific procedures needed by all beginning writers. Here one can learn how to group words into copy that moves, movement into scenes, and scenes into stories; how to develop characters, how to revise and polish, and finally, how to sell the product. No one can teach talent, but the practical skills of the professional writer's craft can certainly be taught. The correct and imaginative use of these skills can shorten any beginner's apprenticeship by years. This is the book for writers who want to turn rejection slips into cashable checks.

Houghton Mifflin

An I Weigh Book Club Pick "I have been a fan of Henry's work for a long time and I'm excited for more people to see it." —Jameela Jamil From the creator of *Drawings of Dogs*, a warmly illustrated and thoughtful examination of empathy and the necessity of being kinder The kindness we owe one another goes far beyond the everyday gestures of feeding someone else's parking meter--although it's important not to downplay those small acts.

Kindness can also mean much more. In this timely, insightful guide, Henry James Garrett lays out the case for developing a strong, courageous, moral kindness, one that will help you fight cruelty and make the world a more empathetic place. So, how could a book possibly make you kinder? It would need to answer two questions: • Why are you kind at all? and, • Why aren't you kinder? In these pages, building on his academic studies in metaethics and using his signature-sweet animal cartoons, Henry James Garrett sets out to do just that, exploring the sources and the limitations of human empathy and the many ways, big and small, that we can work toward being our best and kindest selves for the people around us and the society we need to build.

How to Quickly Learn the Magic of Writing Success For most of my adult life I have been engaged in the writing, the editing, or the criticizing of fiction. I took, and I still take, the writing of fiction seriously. So I make no apology for writing seriously about the problems of fiction writers. I have had firsthand experience with almost every current ""approach"" to the problems of writing. The difficulties of the average student or amateur writer begin long before he has come to the place where he can benefit by technical instruction in story writing. He had longed to hear that there was some magic about writing, and to be initiated into the brotherhood of authors. This book, I believe, will be unique; for I think he is right. I think there is such a magic, and that it is teachable. This book is all about the writer's magic. (From the Introduction.) Scroll Up and Get Your Copy Now.

Writers Read Better: Nonfiction Amer Psychological Assn

When It Comes to Reading, Writers Have an Advantage We know that writing skills reinforce reading skills, but what's the best way to capitalize on this relationship? By flipping the traditional "reading lesson first, writing lesson second" sequence, Colleen Cruz helps you make the most of the writing-to-reading connection with 50 carefully matched lesson pairs centered around non-fiction texts. Lessons can be implemented either as a complete curriculum or as a supplement to an existing program. Complete with suggestions on adapting the lessons to suit the needs of your classroom and individual students, *Writers Reader Better* offers a solid foundation for giving your students the advantage of transferable literacy skills.

A Guide to Academic Publishing Success Macmillan

THIS TITLE HAS BEEN UPDATED TO REFLECT THE 2016 MLA UPDATE. A new take on the traditional rhetorical modes, showing how they are used in the kinds of writing college students are most often assigned--arguments, analyses, reports, narratives, and more.

The Practical Writer Little, Brown Spark

There is a distinct hint of Armageddon in the air. According to The Nice and Accurate Prophecies of Agnes Nutter, Witch (recorded, thankfully, in 1655, before she blew up her entire village and all its inhabitants, who had gathered to watch her burn), the world will end on a Saturday. Next Saturday, in fact. So the armies of Good and Evil are amassing, the Four Bikers of the Apocalypse are revving up their mighty hogs and hitting the road, and the world's last two remaining witch-finders are getting ready to fight the good fight, armed with awkwardly antiquated instructions and stick pins.

Atlantis is rising, frogs are falling, tempers are flaring. . . . Right. Everything appears to be going according to Divine Plan. Except that a somewhat fussy angel and a fast-living demon -- each of whom has lived among Earth's mortals for many millennia and has grown rather fond of the lifestyle -- are not particularly looking forward to the coming Rapture. If Crowley and Aziraphale are going to stop it from happening, they've got to find and kill the Antichrist (which is a shame, as he's a really nice kid). There's just one glitch: someone seems to have misplaced him. . . . First published in 1990, Neil Gaiman and Terry Pratchett's brilliantly dark and screamingly funny take on humankind's final judgment is back -- and just in time -- in a new hardcover edition (which includes an introduction by the authors, comments by each about the other, and answers to some still-burning questions about their wildly popular collaborative effort) that the devout and the damned alike will surely cherish until the end of all things.
