Steven Pinker's 'The Sense of Style' - The New York Times
 By Steven Pinker The Sense of Style: The Thinking Person's Guide to Writing in the 21st Century is a 2014 English style guide written by cognitive scientist, linguist and popular science author Steven Pinker. Building upon earlier guides, such as Strunk & White's *The Elements of Style* and Fowler's *A Dictionary of Modern English Usage*, it applies science to the process of writing, and explains its prescriptions ...

 Steven Pinker's 'The Sense of Style' - The New York Times
 Steven Pinker's *The Sense of Style* is a maddening book, much the way doctoral students are maddening. At once a style guide, a work of aesthetics, and an overeducated explanation of writing precepts that many unwashed composition teachers nationwide already understand, it is a book sometimes too smart to get out of its own way.

 Only Steven Pinker could have written this marvelous book, and thank heaven he has. 'Good writing can flip the way the world is perceived,' he writes, and *The Sense of Style* will flip the way you think about good writing. Pinker's curiosity and delight illuminate every page, and when he says style can make the world a better place, we believe him.
