Can't you do just a little bit more? This is a clarion call we cannot ignore! Can't you do just a little bit more?

Jesus Christ reveals the shocking principle that governs prosperity and wealth. He that hath shall have more! How unfair it sounds! And yet, that is the reality that is played out in front of us every day. This book seeks to explain this little understood Scripture. You will receive great insights into the mysteries of prosperity as you study this new book by Dag Heward-Mills.

Loyalty and Disloyalty - Those Who Are Ignorant Dag Heward-Mills

First published in Germany in 1929, *The End and the Beginning* is a lively personal memoir of a vanished world and of a rebellious, high-spirited young woman's struggle to achieve independence. Born in 1883 into a distinguished and wealthy aristocratic family of the old Austro-Hungarian Empire, Hermynia Zur Muhlen spent much of her childhood travelling in Europe and North Africa with her diplomat father. After five years on her German husband's estate in czarist Russia she broke with both her family and her husband and set out on a precarious career as a professional writer committed to socialism. Besides translating many leading contemporary authors, notably Upton Sinclair, into German, she herself published an impressive number of politically engaged novels, detective stories, short stories, and children's fairy tales. Because of her outspoken opposition to National Socialism, she had to flee her native Austria in 1938 and seek refuge in England, where she died, virtually penniless, in 1951. This revised and corrected translation of Zur Muhlen's memoir - with extensive notes and an essay on the author by Lionel Gossman - will appeal especially to readers interested in women's history, the Central European aristocratic world that came to an end with the First World War, and the culture and politics of the late nineteenth and early twentieth centuries.
