Latin American Politics and Society | Cambridge Core Description: Current issues are now on the Chicago Journals website. Read the latest issue. Bridging the gap between historical, empirical, and theoretical research, American Political Thought (APT) is the only journal dedicated exclusively to the study of American political thought. Interdisciplinary in scope, APT features research by political scientists, historians, literary scholars ... American Political Thought on JSTOR The unavoidable nature of American politics allows its influence to extend beyond economics. In many ways, American politics inadvertently force Canadians to analyze their own values. Each controversial headline offers Canadians an opportunity to think, but little opportunity to reprimand the wrongs of their imposing ally. American politics should matter to Canadians | The Journal The existence of American princelings, regardless of their political affiliation, is corrosive to our democracy. As Joe Biden himself once said, "corruption is a cancer." The longer we ignore such corruption and abuse of power by our political elites and their families, the more divided America will become, and the harder it will be to keep our nation intact. American Princlings | City Journal APSA publishes four leading peer-reviewed political science journals. Members have access to the American Political Science Review,
