You Can Be a
Part of God's
Great Release
of Wealth! The
Bible
proclaims a

coming day when God will release a great transfer of the world's wealth into the hands of His people. Why would God divert the world's wealth in such a manner? Wouldn't such an enterprise be driven by greed or the evil spirit of mammon? Or might there be a higher purpose? Revealed author C. Peter Wagner delves deeply into this amazing prophecy, showing how God will bring about a miraculous,

worldwide financial transformation so that the Great Commission will be fulfilled and His kingdom will be established on earth. And these things will be witnessed by this generation! With great wisdom and clarity, Wagner describes... The proper uses of this wealth The mechanism of its distribution The goals it is intended to achieve How the newly financed church will

use its "seven mountains of influence" to change the world God is poised to shake the world's financial foundations to their core. All Bible-believing Christians need to take steps to be prepared, for they will be the ones God uses to receive this blessing, influence the world, and help to fulfill Jesus's Great Commission. **Prosperity, Success, Increase, Cast Thy Net Is a Testimony**

In this powerful mini-handbook Bishop Sinegal brings revelation and insight to walking in financial integrity as it relates to scriptural giving. Bishop breaks the back of the misconception of the tithe, frees the believer from tithing under the law, and teaches Kingdom principles for a better covenant especially as it relates to giving. This book will release the

Kingdom Citizen from fear concerning giving and produce the spirit of mature sons. Malachi 1:6 says if He be our father, He is owed honor. That is the substratum of every principle of Kingdom giving, HONOR. The law is a school master or governor for the immature babe; however for mature sons the Holy Ghost becomes the governor.

First Edition Design Pub. Book Praise & Reviews ""As a how-to guide, this book contains everything you may need to know to turn your passions into profits."" Bill Bartmann (Billionaire entrepreneur, author, speaker, educator) Read & Give Program A portion of the sale of this book is donated to charity. Book Description Are you unhappy in your job? Are you tired of living

paycheck to paycheck and feel like you just don't have enough money, skills, or education to turn your life around? Even if you're not sure you know what it is you like to do, you can change your life and get rich doing it, says entrepreneur Duane Harden in his wise and entertaining new book, 5 Easy Steps to Financial Freedom: Do What You Love & Get Rich Doing It. Turning your passion into a profitable

business is easy, fast, and fun, says Harden, and you can become rich in just five easy steps. First, start by saying yes to financial freedom. Attitude is everything and as the Law of Attraction states, what you put out into the universe is often what you attract. If you imagine yourself financially secure and happy, you will be. Imagining a new life for yourself is the

inspiration you need to go out and do the concrete things to turn your dreams into a reality. Conversationally written and filled with humorous drawings, helpful worksheets, and key tips, 5 Easy Steps to Financial Freedom also offers a 90-day action plan that includes blueprints for success that Harden himself used to build his wealth. His own journey included the purchase of numerous

real-estate properties, opening a restaurant, starting a music company, and much more. Harden gives you "Life Assignments" that get you thinking and acting differently. Beware of what he calls the "crabs in a pot" mentality, where everyone is trying to pull everyone else down in order to struggle to the top. Instead, he advises, think positively. Stay away from the

naysayers and feed your dream. Soon you will realize that your inner life is reflected in your outer life. Harden helps you to discover the real you, what you want, and how much money you want to be there for you now and in the future. He explains how the real difference between rich people and poor people is fear and an unwillingness to keep an open mind to new opportunities. Rich people

are not afraid to take risks, and well-planned risks almost always pay off. Success, he reminds you, is your birthright and it's your job to claim it. Review your credit and your financial house. Clean up the clutter in your life, whether it is the wrong way of thinking or a messy desk. Discover what really makes you tick because when you love what you do it's never really work, and when passion is present the

money will miraculously follow. Keep daily positive reminders taped where you can see them, or even have a vision board filled with photographs of where you want to be in life. Write your resignation letter to your boss, but don't send it yet. Just the act of writing it puts you in the right frame of mind for moving on to something much better. "You are what you think and will become what you dream," says

Harden. You'll learn to be a PIG (passive income generator) Farmer, which requires little work but makes you tons of money. 5 Easy Steps to Financial Freedom shows you how go from rags to riches and is understandable and easy to read. —Peter Greer, President & CEO of HOPE International and coauthor of Mission Drift "In God and Money, Baumer and Cortines challenge Christian readers to consider afresh what generosity looks like in light of the

Scripture's radical teaching and the day of affluence in which we live. Whether or not you agree with all their conclusions or personal practices, you will be challenged and inspired."

—Robert L. Plummer, Ph.D., Professor of New Testament Interpretation, The Southern Baptist Theological Seminary "I greatly enjoyed reading God and Money! God used the framework

Greg and John described to challenge my perspective and practice of generosity. I realized in reading their book that my personal bias is more saver and spender than servant. What I truly desire to be is a fully surrendered servant of Jesus. This book gave me practical frameworks to move in that direction."

—Todd Harper, President, Generous Giving "The mission of Harvard Business

School is "to educate leaders who make a difference in the world," and in John and Greg that mission has been fulfilled abundantly. It has been my privilege to be their teacher, their colleague and now their friend; and I wish them Godspeed as they take the transformative message found in God and Money out to their community and to the world beyond. I have learned to expect great things

from them, and they have yet to disappoint."

This book is about my personal experience during the January 12, 2010, earthquake in Haiti. On January 10, 2010, I traveled from Rhode Island through Boston Logan Airport and through Miami, Florida, and then Haiti. For two consecutive days, I was assigned to preach in the Church of God at Rue Du Centre, Port-au-Prince. Earlier on January 12, I was invited to speak at the

same church in the early morning prayer service at 6:00 a.m. I was accompanied by my friend Bishop Habel Cesar Novas, a United States of America army veteran of Dominican background who travels with me on many occasions. I was asked to return the same day at 10:00 a.m., and that service ended at 12:10 p.m. *Keys to the Kingdom: Principles of Success in the Bible* Destiny
