*Life Is a Verb* John Wiley & Sons

“Do you want to write clearer, livelier prose? This witty primer will help.” —The New York Times Book Review An exploration of how the most ordinary words can be turned into verbal constellations of extraordinary grace through the art of building sentences The sentence is the common ground where every writer walks. A good sentence can be written (and read) by anyone if we simply give it the gift of our time, and it is as close as most of us will get to making something truly beautiful. Using minimal technical terms and sources ranging from the Bible and Shakespeare to George Orwell and Maggie Nelson, as well as scientific studies of what can best fire the reader's mind, author Joe Moran shows how we can all write in a way that is clear, compelling and alive. Whether dealing with finding the ideal word, building a sentence, or constructing a paragraph, First You Write a Sentence informs by light example: much richer than a style guide, it can be read not only for instruction but for pleasure and delight. And along the way, it shows how good writing can help us notice the world, make ourselves known to others, and live more meaningful lives. It's an elegant gem in praise of the English sentence.

This bestselling memoir from a seasoned New York City reporter is "a vivid report of a journey to the edge of self-destruction" (New York Times).!--StartFragment-- As a child during the Depression and World War II, Pete Hamill learned early that drinking was an essential part of being a man, inseparable from the rituals of celebration, mourning, friendship, romance, and religion. Only later did he discover its ability to destroy any writer's most valuable tools: clarity, consciousness, memory. In *A Drinking Life*, Hamill explains how alcohol slowly became a part of his life, and how he ultimately left it behind. Along the way, he summons the mood of an America that is gone forever, with the bittersweet fondness of a lifelong New Yorker.!--EndFragment--"Magnificent. *A Drinking Life* is about growing up and growing old, working and trying to work, within the culture of drink." --Boston Globe

[Charming as a Verb](#) Simon and Schuster

We're all searching for "the good life." Too often, however, we encounter discouragement, failure, broken relationships, guilt, and dashed dreams, all

of which leave us yearning for more. In this book, Tim Savage presents a renewed vision of life by examining the fullest life ever lived: the life of Jesus Christ. Savage invites us to tap into that life—and experience the riches of the joy, satisfaction, and purpose offered to us in Christ.

*Marley & Me* Penguin

A journey through linguistic time and space, from Aristotle through the twentieth century's "era of syntax," in search of a dangerous verb and its significance. Beginning with the early works of Aristotle, the interpretation of the verb to be runs through Western linguistic thought like Ariadne's thread. As it unravels, it becomes intertwined with philosophy, metaphysics, logic, and even with mathematics—so much so that Bertrand Russell showed no hesitation in proclaiming that the verb to be was a disgrace to the human race. With the conviction that this verb penetrates modern linguistic thinking, creating scandal in its wake and, like a Trojan horse of linguistics, introducing disruptive elements that lead us to rethink radically the most basic structure of human language—the sentence—Andrea Moro reconstructs this history. From classical Greece to the dueling masters of medieval logic through the revolutionary geniuses from the seventeenth century to the Enlightenment, and finally to the twentieth century—when linguistics became a driving force and model for neuroscience—the plot unfolds like a detective story, culminating in the discovery of a formula that solves the problem even as it raises new questions—about language, evolution, and the nature and structure of the human mind. While Moro never resorts to easy shortcuts, *A Brief History of the Verb To Be* isn't burdened with inaccessible formulas and always refers to the broader picture of mind and language. In this way it serves as an engaging introduction to a new field of cutting-edge research.

*Inside Out & Back Again* Rowman & Littlefield

One of the world's leading creative artists, choreographers, and creator of the smash-hit Broadway show, *Movin' Out*, shares her secrets for developing and honing your creative talents—at once prescriptive and inspirational, a book to stand alongside *The Artist's Way* and *Bird by Bird*. All it takes to make creativity a part of your life is the willingness to make it a habit. It is the product of preparation and effort, and is within reach of everyone. Whether you are a painter, musician, businessperson, or simply an individual yearning to put your creativity to use, *The Creative Habit* provides you with thirty-two practical exercises based on the lessons Twyla Tharp has learned in her remarkable thirty-five-year career. In "Where's Your Pencil?" Tharp reminds you to observe the world -- and get it down on paper. In "Coins and Chaos," she gives you an easy way to restore order and peace. In "Do a Verb," she turns your mind and body into coworkers. In "Build a Bridge to the Next Day," she shows you how to clean the clutter from your mind overnight. Tharp leads you through the painful first steps of scratching for ideas, finding the spine of your work, and getting out of ruts and into productive grooves. The wide-open realm of possibilities can be energizing, and Twyla Tharp explains how to take a deep breath and begin...

PLEASE NOTE - this is a replica of the print book and you will need paper and a pencil to complete the exercises. This absolutely essential language guide and workbook will expand your English vocabulary in no time. Spilling over with thousands of entries for useful words and phrases, this is the perfect study aid for any adult learning English as a foreign language. With 3,000 words across hundreds of pages, *English Vocabulary Builder* brings you everything you need to know and much, much more. From activities, family, holidays, science, and work to animals, feelings, health, sports, and weather, just about every subject in the English language is covered in eye-catching, illustrative detail. All the vocabulary is shown with both UK and US spellings, and every word can be heard with its own audio recording in the accompanying app available for download. Additional interactive exercises ensure language learning is an easy, entertaining, and educational experience. This book is part of DK's best-selling *English for Everyone* series, which is suitable for all levels of English language learners and provides the perfect reading companion for study, exams, work, or travel. With audio material available on the accompanying website and Android/iOS apps, there has never been a better time to learn English.

*Seated with Christ* Crossway

The heartwarming and unforgettable story of a family and the wondrously neurotic dog who taught them what really matters in life. Now with photos and new material. Is it possible for humans to discover the key to happiness through a bigger-than-life, bad-boy dog? Just ask the Grogans. John and Jenny were just beginning their life together. They were young and in love, with not a care in the world. Then they brought home Marley, a wiggly yellow furball of a puppy. Life would never be the same. Marley grew into a barreling, ninety-seven-pound streamroller of a Labrador retriever. He crashed through screen doors, gouged through drywall, and stole women's undergarments. Obedience school did no good -- Marley was expelled. But just as Marley joyfully refused any limits on his behavior, his love and loyalty were boundless, too. Marley remained a model of devotion, even when his family was at its wit's end. Unconditional love, they would learn, comes in many forms. *Marley & Me* is John Grogan's funny, unforgettable tribute to this wonderful, wildly neurotic Lab and the meaning he brought to their lives.

**Never Caught** DigiCat

Collocations are combinations of words which frequently appear together. Using them makes your English sound more natural.

*A Brief History of the Verb To Be* Zondervan

In her most impassioned and personal book to date, Judith Butler responds in this profound appraisal of post-9/11 America to the current US policies to wage perpetual war, and calls for a deeper understanding of how mourning and violence might instead inspire solidarity and a quest for global justice.

**It's Complicated** Univ. of Queensland Press

Moving to America turns H&à's life inside out. For all the 10 years of her life, H&à has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&à and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&à discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

*Holy Bible (NIV)* Penguin

"An intense snapshot of the chain reaction caused by pulling a trigger." —Booklist (starred review) "Astonishing." —Kirkus Reviews (starred review) "A tour de force." —Publishers Weekly (starred review) A Newbery Honor Book A Coretta Scott King Honor Book A Printz Honor Book A Time Best YA Book of All Time (2021) A Los Angeles Times Book Prize Winner for Young Adult Literature Longlisted for the National Book Award for Young People's Literature Winner of the Walter Dean Myers Award An Edgar Award Winner for Best Young Adult Fiction Parents' Choice Gold Award Winner An Entertainment Weekly Best YA Book of 2017 A Vulture Best YA Book of 2017 A Buzzfeed Best YA Book of 2017 An ode to Put the Damn Guns Down, this is New York Times bestselling author Jason Reynolds's electrifying novel that takes place in sixty potent seconds—the time it takes a kid to decide whether or not he's going to murder the guy who killed his brother. A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, *Long Way Down* is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

*See a Little Light* Back Bay Books

As Christians find themselves trapped in the rhetoric of platform, influence, retweets, and fame, they need a ladder out of the fray. Many of us live in a prison of self-absorption. Shackled with pride and despair, we compare ourselves to others constantly in our frantic, unending pursuit of perfection. Seated with Christ gets to the root of this behavior and charts a path to freedom. Scripture says that God's beloved are seated with Christ in the heavens (Eph. 2:6), treasured by Him and given a place at His table. Heather Holleman unveils what this means for us. It means we walk out on the fight for acceptance. We quit measuring ourselves to others. We leap free from cycles of shame. Securely-seated people can ask themselves hard questions about their lives; they can deal with sin, grieve their losses, and move forward in hope. From a position of security and self-forgetfulness they can joyfully do the good works prepared for them uniquely. They can even celebrate the successes of others. Seated with Christ is a deeply personal, liberating look at a glorious truth: that we have a place at God's eternal table.

**Life After Life** Routledge

The long-awaited, full-force autobiography of American punk music hero, Bob Mould. Bob Mould stormed into America's punk rock scene in 1979, when clubs across the country were filling with kids dressed in black leather and torn denim, packing in to see bands like the Ramones, Black Flag, and the Dead Kennedys. Hardcore punk was a riot of jackhammer rhythms, blistering tempos, and bottomless aggression. And at its center, a new band out of Minnesota called Hvosker Dvo was bashing out songs and touring the country on no money, driven by the inspiration of guitarist and vocalist Bob Mould. Their music roused a generation. From the start, Mould wanted to make Hüsker Dü the greatest band in the world - faster and louder than the hardcore standard, but with melody and emotional depth. In *See a Little Light*, Mould finally tells the story of how the anger and passion of the early hardcore scene blended with his own formidable musicianship and irrepressible drive to produce some of the most important and influential music of the late 20th century. For the first time, Mould tells his dramatic story, opening up to describe life inside that furnace and beyond. Revealing the struggles with his own homosexuality, the complexities of his intimate relationships, as well as his own drug and alcohol addiction, Mould takes us on a whirlwind ride through achieving sobriety, his acclaimed solo career, creating the hit band Sugar, a surprising detour into the world of pro wrestling, and most of all, finally finding his place in the world. A classic story of individualism and persistence, Mould's autobiography is an open account of the rich history of one of the most revered figures of punk, whose driving force altered the shape of American music.

*Phineas and Ferb's Guide to Life* Simon and Schuster

'This haunting story, penned by a master wordsmith, is a reminder to savor every loved one and every day.' Booklist Indie Next Pick "For Reading Groups" From New York Times bestselling author Joyce Maynard, a memoir about discovering strength in the midst of great loss--"heart wrenching, inspiring, full of joy and tears and life." (Anne Lamott) In 2011, when she was in her late fifties, beloved author and journalist Joyce Maynard met the first true partner she had ever known. Jim wore a rakish hat over a good head of hair; he asked real questions and gave real answers; he loved to see Joyce shine, both in and out of the spotlight; and he didn't mind the mess she made in the kitchen. He was not the husband Joyce imagined, but he quickly became the partner she had always dreamed of. Before they met, both had believed they were done with marriage, and even after they married, Joyce resolved that no one could alter her course of determined independence. Then, just after their one-year wedding anniversary, her new husband was diagnosed with pancreatic cancer. During the nineteen months that followed, as they battled his illness together, she discovered for the first time what it really meant to be a couple--to be a true partner and to have one. This is their story. Charting the course through their whirlwind romance, a marriage cut short by tragedy, and Joyce's return to singleness on new terms, *The Best of Us* is a heart-wrenching, ultimately life-affirming reflection on coming to understand true love through the experience of great loss.

A startling and eye-opening look into America's First Family, *Never Caught* is the powerful story about a daring woman of "extraordinary grit" (The Philadelphia Inquirer). When George Washington was elected president, he reluctantly left behind his beloved Mount Vernon to serve in Philadelphia, the temporary seat of the nation's capital. In setting up his household he brought along nine slaves, including Ona Judge. As the President grew accustomed to Northern ways, there was one change he couldn't abide: Pennsylvania law required enslaved people be set free after six months of residency in the state. Rather than comply, Washington decided to circumvent the law. Every six months he sent the slaves back down south just as the clock was about to expire. Though Ona Judge lived a life of relative comfort, she was denied freedom. So, when the opportunity presented itself one clear and pleasant spring day in Philadelphia, Judge left everything she knew to escape to New England. Yet freedom would not come without its costs. At just twenty-two-years-old, Ona became the subject of an intense manhunt led by George Washington, who used his political and personal contacts to recapture his property. "A crisp and compulsively readable feat of research and storytelling" (USA TODAY), historian and National Book

Award finalist Erica Armstrong Dunbar weaves a powerful tale and offers fascinating new scholarship on how one young woman risked everything to gain freedom from the famous founding father and most powerful man in the United States at the time.

**Discovering the Good Life** Little, Brown

WINNER OF THE COSTA NOVEL AWARD What if you had the chance to live your life again and again, until you finally got it right? During a snowstorm in England in 1910, a baby is born and dies before she can take her first breath. During a snowstorm in England in 1910, the same baby is born and lives to tell the tale. What if there were second chances? And third chances? In fact an infinite number of chances to live your life? Would you eventually be able to save the world from its own inevitable destiny? And would you even want to? *Life After Life* follows Ursula Todd as she lives through the turbulent events of the last century again and again. With wit and compassion, Kate Atkinson finds warmth even in life's bleakest moments, and shows an extraordinary ability to evoke the past. Here she is at her most profound and inventive, in a novel that celebrates the best and worst of ourselves.

**The Life of Lines** Random House
