Beautiful Calla Renaud has magic in her blood that, when she absorbs it, will give her the strength to fulfill the destiny bestowed upon her by one of the 12 Gods of Lorana Vale. Haunted Lord Aneurin is twice-cursed—first by his wife on her deathbed, and then by himself as he asked the god of beauty, Della Ros, to make him ugly so no one would draw too close to his curse. Calla and Aneurin barely speak to each other, but they realize they have more in common than they thought—both were Ambrosius, chosen by the gods. And they both drift through the world like ghosts, sick with loneliness. Calla believes her destiny is to save Aneurin from his curses. Does she have what it takes to free a kingdom from the negligence of a cursed king?

An autobiographical drama in which an innocent man paid his reputation and nearly his life for almost twenty years, *Deadly Roses* by Marvin Marable is a shocking tale of what happens when officials follow the wrong leads and guilty men have the means to cover their tracks and flee the country. Set between Atlanta and Palm Beach, the author's life was sent into turmoil soon after his divorce. Two weeks after his divorce was finalized, his ex-wife's best friend was murdered. While there wasn't compelling evidence to indict or arrest Marable in the deadly 1987 slaying, he was intensely scrutinized as a suspect. The aftermath of the extensive investigation, involving the FBI, the U.S. Attorney's Office, the Georgia Bureau of Investigation, and the Atlanta Police, changed his life as well as his sense of security and justice. Unable to refute statements made against him upon the advice of counsel, Marable struggled for two decades until he ultimately became a witness for the prosecution. The Curse on the Chosen Endarian Prophecy

Life's trials and triumphs can seem accidental. One person may feel that life is a constant struggle in which pitfalls abound and someone seems out to get him. Another may feel that every day is a gift from God with special blessings just for her. That's because forces are at work in our lives: the blessings of a loving God or the curses of our spiritual adversary. This hugely popular classic work of Derek Prince helps readers recognize if there are curses at work in their lives and shows them how to get out from under those curses to live under God's blessings. This third edition of *Blessing or Curse* includes an extensive new study guide for small group or individual use.

Based on Portuguese legend, this #OwnVoices historical fantasy is an epic tale of mystery, magic, and making the impossible choice between love and duty... With just one touch, bread turns into roses. With just one bite, cheese turns into lilies. There's a famine plaguing the land, and Princess Yzabel is wasting food simply by trying to eat. Before she can even swallow, her magic—her curse—has turned her meal into a bouquet. She's on the verge of starving, which only reminds her that the people of Portugal have been enduring the same pain for years. If only it were possible to reverse her magic. Then she could turn flowers into food. Fatyan, a beautiful Enchanted Moura, is the only one who can help. But she is trapped by magical binds. She can teach Yzabel how to control her curse—if Yzabel sets her free with a kiss. As the King of Portugal's betrothed, Yzabel would be committing treason, but what good is a king if his country has starved to death? With just one kiss, Fatyan is set free. And with just one kiss, Yzabel is yearning for more. She'd sought out Fatyan to help her save the people. Now, loving her could mean Yzabel's destruction. *A Curse of Roses*

But before he can do that, he'll have to track down Paul's equally mysterious photographer, Jackson da Vinci... EXCERPT: I stopped crying around my third drink. Rose and Sherry patted me on the shoulder, and we'd reshuffled the chairs so that my back was to the rest of the bar and nobody could see me blubber. "What am I going to do?" I cried. "I'm going to be...nothing. All my life, all I ever wanted to do was write. And then this happened, and I was writing! And I loved it...love it. But the whole idea was that I'd do this till I got rich, and then, I'd write more books like 'The Doldrums,' and if they didn't sell, well, so what?" I finished off my concoction as Rose signaled for another round. "Maybe," Sherry said, a little wobbly herself after two glasses of wine, "he's been around forever. Paul." "What do you mean?" Rose asked. "Maybe he's been doing this throughout the ages," Sherry mused. "For all we know, he's been crowning the Queen of Romance Novels for eternity." Rose's eyebrows went up. "You mean, like, he schtupped Barbara Cartland?" This made me laugh at the worst moment, and I choked on my drink. But Sherry took her seriously. "Sure, or even Jane Austen, for all we know. Maybe she got some after all. And where else did all these ladies keep coming up with tall dark and handsome, huh?" "But that implies he's immortal or supernatural or..." I tailed off. "We should find his old pics, and run them through some kind of facial recognition software. Compare them to the recent ones, see if he's aged..." Rose shook her head. "No, he doesn't look a day older, but he hasn't been around that many years. And look at Elijah Wood! Ever since 'Lord of the Rings,' he hasn't aged a day." "Maybe he's not human either," Sherry speculated.
