"Beautifully written and incredibly funny. . . I fell in love with Eleanor; I think you will fall in love, too!" --Reese Witherspoon
Smart, warm, uplifting, the story of an out-of-the-ordinary heroine whose deadpan weirdness and unconscious wit make for an irresistible journey as she realizes the only way to survive is to open her heart. No one's ever told Eleanor that life should be better than fine. Meet Eleanor Oliphant: She struggles with appropriate social skills and tends to say exactly what she's thinking. Nothing is missing in her carefully timetabled life of avoiding social interactions, where weekends are punctuated by frozen pizza, vodka, and phone chats with Mummy. But everything changes when Eleanor meets Raymond, the bumbling and deeply unhygienic IT guy from her office. When she and Raymond together save Sammy, an elderly gentleman who has fallen on the sidewalk, the three become the kinds of friends who rescue one another from the lives of isolation they have each been living. And it is Raymond's big heart that will ultimately help Eleanor find the way to repair her own profoundly damaged one.

A Touch of Darkness The Putin Interviews

The Chamber of Eternity is said to contain a hieroglyphic code to the future, the meaning of life and the secrets of immortality. For thousands of years its site has been fiercely guarded, its existence defended by preposterous rumours and outright lies. Learning of the mysterious vault, Napoleon Bonaparte launches an expedition to Egypt to locate the Chamber. When its extraordinary secrets are revealed to him in the heart of the Great Pyramid, he returns to Paris and swiftly becomes Emperor of France. Forty years later Queen Victoria becomes infatuated with the legend and recruits Alexander Rhind, a modest young Scot, to infiltrate a secretive cabal of archaeologists known as the 'Brotherhood of Eternity'. But when Rhind himself is seduced by the mystery, he is compelled to undertake his own expedition to Egypt to uncover the truth. With its cast of emperors, popes, queens, generals, sheikhs, artists and archaeologists - every one of them real - The Empire of Eternity is a spellbinding novel about the wonders of Egypt, the secrets of the gods, and man's desire to achieve immortality at all costs. By turns awesome and intimate, its revelations endure far beyond the final page.

A WRY AND HILARIOUS ACCOUNT OF LIFE AT A BOOKSHOP IN A REMOTE SCOTTISH VILLAGE "Among the most irascible and amusing bookseller memoirs I've read." —Dwight Garner, The New York Times "Warm, witty and laugh-out-loud funny..." —The Daily Mail The Diary of a Bookseller is Shaun Bythell's funny and fascinating memoir of a year in the life at the helm of The Bookshop, in the small village of Wigtown, Scotland—and of the delightfully odd locals, unusual staff, eccentric customers, and surreal buying trips that make up his life there as he struggles to build his business . . . and be polite . . . In this wry and hilarious diary, he tells us the trials and tribulations of being a small businessman; of learning that customers can be, um, eccentric; and of wrangling with his own staff of oddballs. And perhaps none are quirrier than the charmingly cantankerous bookseller Bythell himself turns out to be. Slowly, with a mordant wit and keen eye, Bythell is seduced by the growing charm of small-town life, despite—or maybe because of—all the peculiar characters there. *The Putin Interviews* Penguin
